What are the retirement benefits for union employees?

All union employees are enrolled in one of the CPS partner pension funds. Teacher union employees are enrolled in the Chicago Teachers' Pension Fund (www.ctpf.org), and other union employees are enrolled in the Municipal Employees' Annuity Benefit Fund of Chicago (www.meabf.org). Contact your respective pension fund for more information about benefits.

Union employees also have the opportunity to enroll in CPS Supplemental Retirement Plans and select investments through our plan record keeper, Empower (Formerly, Great-West) Retirement Services. During the enrollment process, union employees also have the option of selecting an alternative fund provider—MetLife, ING, and VALIC—with a separate set of investment funds.
