PREAMBLE

The purpose of this Agreement is to reaffirm the parties' common responsibility to maintain a collaborative and collegial collective bargaining relationship that furthers the parties' shared goal of delivering high quality instructional programs and significantly advancing a well-rounded public education for the students of the Chicago public school system. Through free and open dialogue, the parties have identified the educational objectives for the Chicago Public Schools (hereinafter referred to as "CPS") and have designed this Agreement to further those objectives through good faith cooperation now and in the future.

The parties firmly believe that a well-rounded public education is an absolute necessity for any graduate to be considered college-, career- and citizenship-ready. The parties also recognize that a well-rounded public education includes, but is by no means limited to, providing students with an enriched, diverse and comprehensive curriculum that allows them to obtain essential knowledge and skills; engage in critical and creative thinking; develop independent inquiry skills and an appreciation for the arts, music and literature; improve their physical and emotional health; prepare for leadership roles in their communities; attain the technical skills necessary to become career-ready; develop the academic discipline and proficiency in the intelligent use of technology necessary to become college-ready; and ultimately graduate from the Chicago public school system prepared to become productive and self-confident citizens capable of ethical participation in a free and democratic society.

In addition, the parties recognize that the achievement of these educational objectives requires substantial short- and long-term financial investments in public education and that the fulfillment of the aspirations described in this Preamble will require dramatic and

cooperative changes in education funding at the federal, state and local levels; a commitment to good faith collaboration; mutual agreement on priorities and values; and the adoption of proven or research-based educational methods and instructional practices.

Furthermore, to foster a cosmopolitan spirit and better develop CPS students as tolerant and unbiased citizens, the BOARD and the UNION shall work affirmatively to the end that each student may have the educational advantage of an integrated school.

Finally, this Agreement is intended to affirm that the parties' shared goals will only be achieved if bargaining unit employees are fairly and adequately recognized and rewarded for their contributions to the educational process and provided with a wholesome work environment based on mutual respect and the highest level of professionalism. The guiding principles set forth in this Preamble shall remain at the forefront of the parties' negotiations now and in the years to come until these shared educational aspirations become a reality for each and every student and employee of the Chicago public school system.

ARTICLE 1

RECOGNITION

1-1. Representative Unit.

1-1.1. Scope of Bargaining Unit. The BOARD recognizes the UNION as the sole and exclusive bargaining representative of all employees employed in the job titles or categories of positions listed in Appendix D.

1-1.2. Reclassifications and New Job Titles or Categories of Positions. If the BOARD reclassifies job titles or categories of positions or employs a new job

title or category of position having a community of interest with employees in the existing bargaining unit, employees in such new job title or category of position shall be included within the existing bargaining unit. Upon the UNION's request, the parties shall negotiate the terms and conditions of employment for such new or reclassified title or category of position. Nothing contained in this subsection shall be construed to require renegotiation of terms and conditions of employment applicable to employees in an existing bargaining unit as a result of the BOARD's reclassification of the title or category of employees in the unit.

1-2. Recognition of UNION. No other group or organization or representative thereof shall be recognized or permitted to engage on behalf of any employees included in the UNION bargaining unit (referred to herein as "bargaining unit employees" or "bargaining unit members") in any activities concerning wages, hours or terms and conditions of employment, including the submission of proposals, participation in hearings, conferences or meetings for any purposes and any other group or collective action dealing with above-described matters, subject to the provisions of the Illinois Educational Labor Relations Act. During the budget planning process, the BOARD agrees to meet with the UNION on a monthly basis through the parties' Budget Committee to review revenue and expenditure assumptions and other pertinent budgetary information. 3-5. Time Limits. Failure on the part of the principal, head administrator or any other administrator at any step of this procedure to communicate a decision concerning a grievance within the specified time shall permit it to be advanced to the next higher step. 3-6. Adjustment of Grievances—School Level.

3-6.1. Informal Resolution. A sincere attempt should be made to resolve any dispute on an informal basis between the grievant or the UNION delegate or UNION and the principal or the grievant's head administrator if the grievant is not assigned to an individual school before the dispute becomes formalized as a grievance.

3-6.5. Initial Conference. Upon receipt of a grievance in writing, the principal or the grievant's head administrator if the grievant is not assigned to an individual school shall confer within five school days with the grievant and others involved in the grievance. At this conference the facts shall be discussed, and an effort shall be made to adjust the matter to the satisfaction of all concerned.

3-6.6. Representation. The grievant may be heard personally and may be represented by the UNION delegate, the UNION President or the UNION President's designee.

3-6.7. Communication of Decision. The principal or the grievant's head administrator if the grievant is not assigned to an individual school shall make a decision and communicate it and the bases for the decision in writing to the grievant, the UNION delegate or UNION designee and the Director of Employee Engagement within five school days after the completion of the conference.

3-7. Chief Executive Officer's Review.

3-7.1. Right to Appeal. Within fifteen school days after receiving the decision of the principal or the grievant's head administrator if the grievant is not assigned to an individual school, the grievant, through the UNION, may appeal to the Chief Executive Officer or the Director of Employee Engage-

ment or his or her designee. Copies of the original grievance, the appeal and any decision rendered shall be forwarded to the Director of Employee Engagement with the request for review

3-7.2. Notice of Conference. The Chief Executive Officer or the Director of Employee Engagement or his or her designee shall meet within ten school days with the grievant, his or her UNION representative, if any, and the principal or head administrator. The Chief Executive Officer or his or her designee will give all participants three school days' notice of the time and place of the meeting in writing. By mutual consent, the parties may conduct the meeting via electronic means including, but not limited to, video-, virtual- and tele-conferencing.

Conferences held under this grievance procedure shall be scheduled at a time and place which will afford a fair and reasonable opportunity for all persons entitled to be present to attend, including witnesses. The UNION shall have the right to be present at each stage of the grievance procedure and to present its views and introduce evidence. Every effort shall be made to hold such conferences during the school day and when held during the school day all participants shall be entitled to attend without loss of pay.

3-7.4. Witnesses. The UNION may present up to two witnesses, in addition to the grievant(s), at a grievance meeting at the Central Office level. Additional witnesses shall be allowed with the Chief Executive Officer's or his or her designee's permission. If witnesses are called at the grievance meeting, the Chief Executive Officer may require that the hearing be conducted via electronic means (e.g., video conferencing or telephonically).

3-7.5. Communication of Decision. The Chief Executive Officer or the Director of Employee Engage-

ment or his or her designee shall issue a written decision and communicate the same and the bases for the decision to the parties involved within twenty school days after completion of the conference.

3-8. General Provisions.

3-8.1. Procedures for Certain Grievances That Are Not Under the Jurisdiction of a Principal or Head Administrator.

3-8.1(a). *Initial Processing.* Any grievance based upon the action of an authority higher than the principal shall be initiated directly with the Office of Employee Engagement whose decision thereon shall be rendered within fifteen school days. The grievance must specify the complaint(s) and/or violation(s) alleged, a brief statement of facts sufficient to allow a response and any documentation which may expedite the resolution of the grievance. Within fifteen school days after receiving the decision of the Office of Employee Engagement, the grievant may then appeal the decision of said office to the Chief Executive Officer, by requesting, in writing, a meeting with the Office of Employee Engagement, acting as the representative of the Chief Executive Officer. Copies of the grievance and the decision shall accompany the appeal forwarded to the Office of Employee Engagement.

3-8.1(b). *Conference and Issuance of Decision.* The Chief Executive Officer or the Director of Employee Engagement or his or her designee shall meet within ten school days with the concerned parties who will be given two school days' notice of the time and place of the conference. The Chief Executive Officer or the Director of Employee Engagement or his or her designee shall make a written decision and communicate the

same to the parties involved within ten school days after completion of the conference. Decisions of the Chief Executive Officer or the Director of Employee Engagement or his or her designee may be appealed to arbitration under Article 3-10.

3-8.2. Initiation at Higher Step. The UNION may initiate or appeal a grievance at any step of the grievance procedure.

3-9. Grievance Mediation.

3-9.1. Neutral Grievance Mediators. The BOARD and the UNION shall establish a permanent panel of four neutral grievance mediators. Mediators may be removed from the permanent panel by written notice from one party to the other requesting removal. Cases pending before a removed mediator shall not be affected. The parties shall make every effort to agree upon a substitute mediator.

3-9.2. Grievance Mediation Panel Meetings and Authority.

3-9.2(a). *Mediation Panel.* Either the UNION or the BOARD may request that a grievance be submitted to mediation. Grievances submitted to mediation shall be submitted to a five-person mediation panel consisting of a mediator selected by the parties and two permanent representatives designated by each party. One of the BOARD's representatives shall be a current or former principal. The parties shall establish regular meeting dates for the mediation panel, occurring no less often than twice per month or more frequently as is necessary to ensure that all grievances submitted to mediation are heard within six months of the grievance filing date.

3-9.2(b). *Submission to Mediation.* Within five school days of the selection of a mediator, the

parties will contact the mediator directly and notify the mediator of his or her appointment, request available mediation dates and mutually agree to a mediation date. At least seven calendar days before the mediation session, the mediator shall mail notice of the date, time and place of the session to the BOARD and the UNION. The mediator for good cause shown may postpone the mediation session or extend any period of time upon request of a party or upon his or her own initiative and shall postpone the session or extend any period of time upon mutual agreement of the parties. Prior to the mediation session, the BOARD and the UNION will submit to the mediator all relevant grievance documents for the grievance or grievances to be addressed at that session. Mediation sessions will be conducted upon request of the BOARD or the UNION on an as needed basis.

3-9.2(c). *Recommendations and Resolutions.* If appropriate, the mediation panel may make recommendations for resolution to the Chief Executive Officer and the UNION President. If the Chief Executive Officer and UNION President mutually agree to a resolution for a specific grievance, that agreement will be reduced to writing, executed by the parties and implemented. All resolutions shall be non-precedential and not cited in any arbitration case or labor board, administrative or judicial proceeding. In the event of a resolution, the grievance will be withdrawn with prejudice.

3-9.3. Lack of Resolution. If the parties cannot mutually agree to a resolution, they may mutually agree to table and further mediate the grievance at a subsequent mediation session. Absent a resolution or an agreement to table the grievance, the grievance will proceed to arbitration. Any grievance agreed to be

submitted to mediation (other than under Article 29-4 or 29-5) and not considered by the mediation panel within sixty school days after the request for mediation will be submitted to arbitration.

3-9.4. Requests for Grievance Mediation Simultaneous with Arbitration Demand. Simultaneously with a demand for arbitration under this Article, the UNION may submit a written request for mediation to the Director of Employee Engagement. The grievance will proceed to mediation unless the Director of Employee Engagement notifies the UNION, in writing, within ten school days that the BOARD does not agree to submit the grievance to mediation. Within ten school days of receiving the UNION's demand for arbitration of a particular grievance, the Director of Employee Engagement may request, in writing, that the grievance be submitted to mediation. Any such grievance will proceed to mediation unless the UNION notifies the Director of Employee Engagement, in writing, within ten school days that it does not agree to submit the grievance to mediation.

3-9.5. Availability of Mediation Procedures. The UNION and the BOARD may at any time agree to use the mediation procedures of this Section to assist in the resolution of grievances.

3-10. Arbitration.

3-10.1. Permanent Panel. The parties shall establish a permanent panel of ten arbitrators to conduct hearings and to issue final and binding awards on grievances. Arbitrators shall have no jurisdiction to hear disciplinary matters except as specifically set forth in this Agreement. Arbitrators may be removed from the permanent panel by written notice from one party to the other requesting removal. Cases pending before a removed arbitrator shall not be affected. The parties shall make every effort to

agree upon a substitute arbitrator. In no event may the arbitration panel be fewer than seven arbitrators. The parties will add additional arbitrators to their standing panel and explore options on how best to utilize available arbitrators.

3-10.2. Demand for Arbitration. Within fifteen school days after receiving the decision of the Chief Executive Officer or the Director of Employee Engagement or his or her designee, pursuant to Article 3-7 or 3-8, the UNION only may file a demand for arbitration with the Director of Employee Engagement. Within fifteen school days thereafter, the parties will mutually agree to an arbitrator for that grievance, selecting from the permanent panel. If the parties cannot mutually agree upon an arbitrator, then the arbitrator shall be selected through a striking process with the UNION striking first and then the BOARD until one arbitrator remains. Within five school days of selection of an arbitrator, the parties will contact the arbitrator directly and notify the arbitrator of his or her appointment, request available hearing dates and mutually agree to a hearing date. At least seven calendar days before the hearing, the arbitrator shall mail notice of the date, time and place of the hearing to the BOARD and the UNION. The arbitrator for good cause shown may postpone the hearing or extend any period of time upon request of a party or upon his or her own initiative and shall postpone the hearing or extend any period of time upon mutual agreement of the parties.

3-10.3. Subpoenas in Arbitration. Whenever the UNION requests the issuance of subpoenas for the appearance of witnesses at an arbitration hearing, the UNION shall immediately forward copies of such requests to the Director of Employee Engagement. The UNION shall agree to pay the full cost of substitute service for the bargaining unit employee

required to appear as a witness at said arbitration hearing.

3-10.4. Decisions and Awards. Within sixty calendar days after the closing of the record, the arbitrator shall render a decision and opinion. The decision shall be final and binding on the parties. The cost of the arbitrator shall be equally shared by the parties.

3-11. Joint Arbitration Review Committee. The parties shall establish a Joint Arbitration Review Committee to discuss possible settlement of pending arbitration cases. Either the BOARD or the UNION may submit cases for the committee's consideration. The committee shall meet on a monthly basis.

23-4. Attainment of Tenure for PATs Appointed Before July 1, 2013.

23-4.1. Probation Period. PATs shall be appointed on a school-year basis in accordance with this Article. Notwithstanding the provisions of Section 34-84 of the Illinois School Code and Article 39, PATs who achieve three years of consecutive satisfactory service shall be afforded all rights received by tenured teachers under Section 34-85 of the Illinois School Code and Article 39. Effective July 1, 2013, for the purposes of this paragraph only, “satisfactory” service shall be defined as an annual summative rating other than “unsatisfactory.”

23-4.2. Notice. A PAT who is completing his or her first or second year of probationary service shall receive written notice by May 10 as to whether the teacher will be non-renewed for the following school year. A PAT who does not receive such notice shall be deemed reappointed for the following school year.

23-4.3. Notice in Final Probationary Year. A PAT who is completing his or her final year of probationary service prior to earning tenure shall receive written notice by May 10 as to whether or not the teacher will be reappointed for the following school year. A PAT who does not receive such notice shall be deemed reappointed for the following school year and shall become a tenured teacher during the next school year on the anniversary date of his or her initial appointment as a teacher.

23-5. Attainment of Tenure for PATs Appointed On or After July 1, 2013.

23-5.1. Expedited Tenure Track. For a PAT in full-time service who is appointed on or after July 1, 2013 and who receives ratings of “excellent” during his or her first three school terms of full-time service, the probationary period shall be three school terms of full-time service.

23-5.2. Out of District Transfer Tenure Track. For a PAT in full-time service who is appointed on or after July 1, 2013 and who had previously attained tenure in another school district in this State or in a program of a special education joint agreement in this State as defined in Section 24-11 of the Illinois School Code, the probationary period shall be two school terms of full-time service, provided as follows: the teacher voluntarily resigned or was honorably dismissed from the prior school district or program within the three-month period preceding his or her appointment date with the BOARD; the

teacher's last two ratings in the prior school district or program were at least "proficient" and were issued after the prior school district's or program's implementation date under the Performance Evaluation Reform Act; and the teacher receives ratings of "excellent" during his or her first two school terms of full-time service with the BOARD.

23-5.3. Regular Tenure Track. For a PAT in full-time service who is appointed on or after July 1, 2013 and who has not attained tenure after two or three school terms of full-time service as provided in this subsection, the probationary period shall be four school terms of full-time service, provided that the teacher receives a rating of at least "proficient" in the last school term and a rating of at least "proficient" in either the second or third school term.

23-5.4. Effective Tenure Date. A PAT who receives the necessary ratings to attain tenure after two, three or four school terms of full-time service as provided in this subsection shall be appointed as a tenured teacher and be entitled to the rights afforded to tenured teachers effective the first day of the school term following the school term in which he or she received the final rating necessary to attain tenure. The attainment of tenure as provided in this paragraph shall not be a guarantee of employment for the school term following the school term in which he or she received the final rating necessary to attain tenure.

23-5.5. "School Term" Defined. As used in this subsection, "school term" means the academic calendar established by the BOARD pursuant to Section 10-19 of the Illinois School Code that specifies the opening and closing dates of the school year, and "full-time service" means the teacher has actually worked at least 150 days during the school term.

23-5.6. Reappointment to Tenure Track. PATs who

become part-time will resume their position on the tenure track where they left off once reappointed to a full-time position if they have remained continuously employed by the District. PATs who are non-renewed shall not be considered as suffering a break in service for purposes of attaining tenure if they are reappointed within ten months of their non-renewal.

23-6. Assigned Teachers. Assigned teachers are certified teachers employed on a temporary or part-time basis and not on a tenure track.

23-6.1. Temporarily Assigned Teacher. A temporarily assigned teacher (“TAT”) is a certified teacher who is employed on a full-time temporary basis to provide class coverage when the teacher appointed to a position is on a leave of absence. When a TAT is assigned to a position for a teacher on leave and that position becomes vacant, the TAT shall be appointed to such position within ten days of the date on which the position became a vacancy. A TAT who is rated and subsequently appointed to the position in which they were rated will have the rating count towards the purpose of attaining tenure, provided that he or she while serving as a TAT satisfied the requirement of working a school term of full-time service in such position.

23-6.2. Cadre Substitute. A Cadre substitute is a certified teacher who is employed on a school-year basis and who is assigned to work only on student attendance days. A principal may permit a Cadre substitute to work on professional development and report card pick-up days, provided that the local school pays for the cost of such service.

23-6.3. Day-to-Day Substitute. A day-to-day substitute is a teacher who is either a certified teacher or a teacher certified to substitute teach and who is employed in accordance with the Illinois State Board of

Education Rules and Regulations. Day-to-day substitutes are employed on a temporary daily basis to provide class coverage when the teacher assigned or appointed to a position is absent. Day-to-day substitutes are employees who have no guarantee of continued employment.

23-6.4. Part-Time Teachers. A part-time teacher is a certified teacher who is assigned to work less than the full-time schedule worked by school-based appointed teachers. The BOARD may utilize part-time teachers, including teachers on leave. The salary and benefits of such teachers under this Agreement shall be prorated to correspond to the length of the part-time assignment (e.g., a teacher assigned to half-time shall have his or her salary and benefits prorated by .5). Such part-time teachers shall maintain benefits and seniority accrued through their assignment to a part-time position and shall continue to accrue benefits and seniority thereafter on a prorated basis. The BOARD agrees that the employment and assignment of part-time teachers shall not result in the displacement of any appointed teacher. In addition, the BOARD agrees that part-time teachers will not be used to supplant the assignment of appointed teachers.

23-6.5. Retired Teachers. The BOARD may employ and assign retired teachers as day-to-day substitutes for no more than one hundred school days during the school year and shall pay such teachers the rate paid to day-to-day substitutes. The BOARD shall compensate such retired teachers in accordance with Appendix A-1L. Such retired teachers shall not be eligible for any other benefits provided to bargaining unit employees under this Agreement. The BOARD agrees that the employment and assignment of retired teachers shall not result in the displacement of any appointed or assigned teacher.

23-6.6. Provisional Cadre Substitutes. A provisional

cadre substitute is a teacher with day-to-day substitute teacher credentials who is employed on a school year basis and who is assigned to work only on student attendance days. A principal may permit a Provisional Cadre Substitute Teacher to work on professional development and report card pick-up days, provided that the local school pays for the cost of such services. A provisional cadre substitute who obtains a full teacher licensure shall be reclassified as a Cadre substitute teacher.

ARTICLE 24

Nothing herein shall be construed to be applicable to any program which may be developed, funded, or implemented subsequent to the above-stated date.

24-2. Selection Process of Teachers.

24-2.1. Assignments to all summer schools shall be made in the following order: (A) appointed teachers certified in the subject matter or grade level within the school; (B) if certified teachers within the school are unavailable or insufficient, then preference will be given first to tenured teachers and then non-tenured teachers outside the school, but within the school district; (C) TATs; (D) Cadre substitutes; and (E) day-to-day substitutes.

24-2.2. In schools which have summer programs where there are more qualified teacher applicants for summer school positions than positions available, preference shall be given to teachers who have

taught fewer than two summer sessions immediately preceding the current summer session. Summative ratings may be a consideration.

24-2.3. In the case of special education teachers, assignments to all summer schools shall be made in the following order: (A) appointed special education teachers working on their special education certificates; (B) tenured teachers with special education certificates or endorsements and then non-tenured teachers with special education certificates or endorsements within the school; and (C) certificated or endorsed tenured special education teachers and then non-tenured special education teachers outside the school, but employed by the BOARD.

24-3. Deadline for Assignments of Teachers. Assignments to regular summer school positions shall be made ten school days prior to the end of the school year.

24-4. Selection Process of PSRPs.

24-4.1 In schools which have summer programs where there are more qualified PSRP applicants in a given job title for summer school positions than positions available, preference shall be given to PSRPs who have worked fewer than two summer sessions immediately preceding the current summer session. Summative ratings may be a consideration.

24-4.2. When summer school programs are so designated as on-going in accordance with Article 24-6, in order to provide continuity of service, a PSRP regularly assigned to said program shall be selected for that summer school program if a position in the PSRP's job title is necessary. Such service shall be considered as summer employment. Summative ratings may be a consideration.

24-4.3. In order to provide continuity of service, one of the regular school clerks regularly assigned to a school shall be retained for summer service, if a school clerk

position is necessary for said program. Such service shall be considered as summer school employment.

If the regular school clerks assigned to the school during the regular school year waive this opportunity, the position shall be filled in accordance with Article 24-4.1.

24-4.4. Deadline for Assignments of PSRPs. To the extent possible, assignments for summer school employment for other bargaining unit employees shall be made by June 1.

24-5. Lists of Teachers and PSRPs Assigned to Summer School Positions. The BOARD shall establish and promptly provide to the UNION a list of teachers and other bargaining unit employees assigned to summer schools during the summer school sessions within ten days after the date summer school assignments are made under the provisions of Article 24.

24-6. Exceptions. Any exception to Articles 24-2.1, 24-2.2, 24-4.1, and 24-4.2 shall be discussed between a three-member committee of the UNION and a three-member committee of the BOARD, which shall include a representative of the Chief Executive Officer. Such discussion shall include all programs designated as on-going. Exceptions to the above-cited Articles shall not be implemented unless there is agreement between the BOARD and the UNION. Every effort will be made to conclude the discussions by March 1 of each year.

ARTICLE 25

25-2.4. 52-Week Academic Calendar. Teachers and PSRPs on a 52-week paid day academic calendar will be provided the same professional development days if applicable and the same vacation benefit (commonly based on years of service) and paid holidays (commonly up to 11 paid holidays) as administrators.

ARTICLE 26 PERSONAL DAYS

26-1. Award of Personal Days to Active Employees. On July 1, 2012 and each July 1 thereafter, the BOARD shall award active full-time employees three paid personal days for use during the Fiscal Year to attend to the employee's personal business. Personal days unused upon separation from employment or on June 30 of each Fiscal Year shall be forfeited. Personal days awarded to employees on or after January 1, 2012 and before June 30, 2012 shall remain in the employee's

personal day bank. If such personal days are unused by December 31, 2012, the unused days shall be rolled over into the employee's retained sick day bank defined in Article 37.

26-2. Pro Rata Award to New Hires. Full-time employees with fewer than twelve months of service with the BOARD shall be granted personal days as follows:

Appointment Date	Number of Personal Days

June 1 through June 30	0

26-3. Consecutive Use of Personal Days. Employees may use personal days on three successive days.

ARTICLE 27

CLASS COVERAGE

27-1. Day-to-Day Substitutes.

27-1.1. Staffing. The BOARD shall hire and maintain sufficient day-to-day substitutes to cover the classes of absent teachers so that educational programs in elementary schools, middle schools, education and vocational guidance centers and high schools shall not be curtailed.

27-1.2 List of Day-to-Day Substitutes. The BOARD agrees to maintain a list of day-to-day substitutes who wish to make themselves available for work.

27-1.3 Day-to-Day Substitutes Availability to Work. Day-to-day substitutes shall indicate their availability for work on a given school day by contacting the substitute center prior to 5:00 p.m. on the preceding school day or between 6:00 a.m. and 7:00 a.m. on that given school day.

27-2. Cadre.

27-2.1. Establishment of Cadre and Assignments of Cadre Substitutes. Effective July 1 of each year, the BOARD shall establish a Cadre to which it will select and assign Cadre substitutes for each school year to cover the classes of absent teachers in the early childhood centers, elementary schools, middle schools, upper grade centers and high schools.

27-2.2. Employment Criteria. The Talent Office shall establish criteria to be used in the selection and retention of Cadre and Provisional Cadre substitutes. The Cadre and Provisional Cadre substitutes selected by the BOARD shall be employed on all student attendance days during the time they are assigned to the Cadre other than on the final day of the school year. Said Cadre and Provisional Cadre substitutes shall be continuously available to perform substitute service. Further, they shall accept all assignments in any and every school.

27-2.3. Eligibility to Become TATs. Cadre substitutes are eligible to become TATs. Whenever a Cadre substitute becomes a TAT, a replacement for the Cadre substitute shall be employed immediately. If a Cadre substitute who becomes a TAT is subsequently released as a TAT for reasons other than unsatisfactory service, said TAT shall be re-assigned to the Cadre in accordance with Article 38-2.

27-2.4. Recruitment of Cadres and Provisional Cadre Substitutes. The Board shall recruit and maintain a pool of Cadre and Provisional Cadre Substitutes which, in combination with the Day-to-day Substitute Pool, is sufficient to cover the classes of absent teachers. These efforts shall include recruiting candidates for Cadre or Provisional Cadre Substitutes from:

1. the Teacher Quality Pool;
2. displaced, laid off, honorably terminated and

non-renewed tenured and probationary teachers;

3. existing day-to-day substitutes;

4. student teachers; and

5. qualified external applicants.

27-2.5. Compensation and Benefits. Cadre substitutes shall be paid the daily rate set forth in Appendix A-1J. The provisions of Article 44-2 shall not apply to required in-service training for Cadre substitutes up to a limit of three such sessions of up to two hours per session. Except as provided in Appendix B, the BOARD agrees to pay the cost of individual health insurance for each Cadre substitute. A full-time Cadre substitute shall have the option of purchasing at the Cadre substitute's own expense family plan hospitalization and major medical insurance coverage at the group rate during the period said Cadre substitute is assigned to the Cadre. A Cadre substitute shall receive holiday pay provided he or she is present and serves as a teacher on the school day immediately before and after the holiday. Any and all benefits associated with duty in the Cadre are limited to those enumerated in this Article.

27-2.6. Notice to Potential Cadre and Provisional Cadre Substitutes. If the BOARD does not have a sufficient number of Cadres and Provisional Cadres under Article 27-2.4, the BOARD will notify individuals of an opportunity to join the Cadre and Provisional Cadre as follows:

1. Individuals in the Teacher Quality Pool at least once prior to the start of each school year and once after 20th day staff reductions;

2. Day-to-Day Substitutes at least once prior to the start of each school year and again if they are

still not employed after the 20th day staff reductions;

3. Individuals in the Cadre at or near the conclusion of their Cadre service;

4. Non-renewed PATs immediately upon or immediately after their non-renewal;

5. Displaced or honorably terminated teachers upon displacement or honorable termination.

27-3. Using Appointed Teachers or TATs to Provide Class Coverage. The BOARD agrees, in principle, that no teacher shall be requested to assume responsibility for students from classrooms of absent teachers when substitutes are unavailable. In elementary schools, middle schools, education and vocational guidance centers and high schools, at no time should special education classes nor special programs, such as library, physical education, shop, TESL, bilingual or special reading classes, be discontinued so that substitute service may be performed by teachers of these programs, except in the case of emergencies, in which case the above teachers shall be subject to last call after available non-teaching certificated personnel have been assigned.

27-4. Reporting Absences. Teachers shall report their anticipated absences to the substitute center as early as possible in order to enable substitute teachers to arrive in the school before the beginning time of the teachers' work day. Teachers shall also report their anticipated absences to the school no later than their reporting time. If the teachers cannot report because the telephone lines are busy or similar such occurrences, the teachers shall report as soon thereafter as possible.

27-5. Rescheduling of Preparation Periods Due to Class Coverage. The BOARD agrees, in principle, that teachers, during their duty-free professional preparation periods, shall not be requested to take the class of

an absent teacher. Whenever a teacher's duty-free professional preparation period is canceled, the principal shall schedule a make-up duty-free professional preparation period for that teacher by the end of the next academic quarter following, or by the last day of teacher attendance that school year, whichever occurs first, to the extent practicable. Effective with the 2017-2018 school year and thereafter, if cancelled self-directed preparation periods are not made up in accordance with this Article, they shall be considered lost. The BOARD shall pay the teacher for the lost preparation period at his/her regular hourly rate no later than the start of the next school year.

27-6. Class Coverage During In-Service Meetings and Workshops. A substitute shall be provided to cover the classes of classroom teachers required by the BOARD to attend BOARD-sponsored workshops or BOARD in-service meetings when held during the regular school day.

27-7. Substitute Coverage for Teacher Assistants in Early Childhood Centers. The BOARD will provide substitute coverage for teacher assistants in early childhood centers who are absent.

27-8. Bilingual Substitutes. The substitute center shall maintain a list of bilingual substitutes and shall make every effort to provide a bilingual day-to-day substitute in the case of the absence of the bilingual teacher.

27-9. Substitute Coverage During Mandated Testing. Where necessary and on an as needed basis, a principal shall provide substitute coverage for teachers engaged in one-on-one required testing (e.g., DIBBELS) and for teachers providing modifications or accommodations to students with disabilities during testing.

27-10. Class Coverage List. At the beginning of each school year, and as necessary thereafter, the school

principal or his/her designee, in consultation with the PPC, shall create and post an ordered list of emergency class coverage for classroom and special program teachers, under which they shall be assigned coverage on a rotating basis.

27-11. Staffing System Errors. No substitute teacher shall be penalized for time errors generated by the BOARD's substitute staffing system (currently Front-line/AESOP). The BOARD shall report school start times accurately on the substitute staffing system.

ARTICLE 28 CLASS SIZE

28-1. BOARD Policy. Section 301.2 of the Chicago Public Schools Policy Manual (Class Size) (Board Report: 10-0615-PO1) (Date Adopted: June 15, 2010) shall provide as follows:

I. ELEMENTARY SCHOOLS AND VOCATIONAL GUIDANCE CENTERS (IF ANY)

A. Staffing

28 at the kindergarten level

28 at the primary level

31 at the intermediate level and upper grade level

20 in the education and vocational guidance centers (if any)

1. The number of classroom teaching positions provided to each elementary school will generally be determined as follows:

a. The total number of intermediate and upper grade students will be divided by 31 on a whole number basis (i.e., the division will not be ex-

tended to a decimal place). If the division is uneven, then the remaining students will be included in the primary membership;

- b. The total number of primary students will be divided by 28 extended to one decimal place, and rounded up to the nearest whole number;
 - c. The total number of kindergarten students will be divided by two, extended to one decimal place, and rounded up to the nearest whole number; this number will then be divided by 28, extended to one decimal place, and rounded up to the nearest half (0.5) number;
 - d. The sum of (a), (b) and (c) represents the total number of teaching positions that will be provided to each elementary school;
 - e. Teachers assigned to the Intensive Reading Improvement Program or to bilingual programs will not be counted as part of the number provided to implement the maximum class size program in each school.
2. The total number of education and vocational guidance center students (if any) will be divided by 20, extended to one decimal place, and rounded up to the nearest whole number.

B. Organization

1. Elementary Schools With Space Available

In those elementary schools in which space is available, the maximum number of students in classes will generally be as follows:

27-29 in kindergarten classes

27-29 in primary grade classes

30-32 in intermediate classes and upper grade classes

Implementation of these class sizes in specific schools may result in problems relating to class reorganization, single section classes, split grades, and installation of experimental programs. Local school deviations from the class sizes indicated above may be made by the principal, after consulting the Professional Problems Committee and the teachers involved, when necessary to implement special programs for instructional improvement or to meet special needs of the particular school.

2. Elementary Schools Without Space Available

In those elementary schools in which space is unavailable to organize classes as indicated above, the additional teachers provided under the staffing in (A) will share the curriculum planning, instructional responsibilities, and all other related duties of teachers. Said additional teachers will be programmed in such a way as to provide for maximum teacher-student contacts on a regularly scheduled basis to share the instructional load of the classroom teachers. Said additional teachers should not be used primarily for:

administrative assistance

building security purposes

clerical or office-type tasks

discipline purposes

substituting

lunchroom duty

playground duty

guidance purposes—adjustment and counseling

3. All schools will be designated as schools with space available or schools without space available.

Five periodic reports will be prepared during the school year and will include the following:

- a. a listing of the names of the schools where space is available;
 - b. listing of the names of the schools where space is not available and where additional teachers have been assigned.
4. Elementary schools without space available and where additional teachers have been assigned will:
- a. receive first priority in the assignment of Cadre and day-to-day substitute teachers;
 - b. have physical education teachers and teacher-librarians assigned based on the number of teaching positions, with each kindergarten class counted as one position.

II. HIGH SCHOOL STAFFING AND ORGANIZATION

A. The maximum number of students in the classes indicated below will generally be as follows:

English (regular, honors and advanced placement)	28
English (essential or basic).....	25
Mathematics (regular, honors and advanced placement)....	28
Mathematics (remedial).....	25
Foreign Language.....	28
Social Studies.....	28
Business Education	28
General Science–Science Laboratory	28
Home Economics–Non-Laboratory	28

If essential or basic students are programmed in the same English or mathematics class with regular or honors students, the maximum class size will generally be 25 students.

Implementation of the policy on class sizes in spe-

cific schools may result in problems relating to individual class sizes, single section classes, installation of experimental programs, scheduling of special subject classes, and class organization and reorganization. Local school deviations from the class sizes indicated above may be made by the principal, after consulting the Professional Problems Committee and the teachers involved, when necessary to implement special programs for instructional improvement or to meet special needs of the particular schools. The total number of subject matter students assigned to each teacher should not exceed the number of subject classes multiplied by the maximum class size for the given subject indicated.

- B. The number of students assigned to teachers indicated below will generally be determined by multiplying the number indicated next to the subject by the number of classes in the given subject.

Art.....	31
General Music	34
Physical Education.....	40

III. ELEMENTARY SCHOOLS—ART & MUSIC

The BOARD will continue to assign art and music teachers to elementary schools in accordance with the following formula:

.5 position for schools whose enrollment is 750 or less;

1.0 position for schools whose enrollment is 751 or more.

IV. SHOP, HOME ECONOMICS, LABORATORY AND DRAFTING

Shop, home economics, laboratory and drafting classes shall be limited in size to the maximum number of work stations available in each individual physical

classroom in each school. The number of stations in each individual classroom shall be determined by the individual teacher, school administrator, and the shop supervisor of the BOARD.

V. SPECIAL EDUCATION

The class size in special education classes shall be in accordance with the guidelines established by the BOARD in “Guidelines for Special Education Programs” and the Rules and Regulations of the State Board of Education.

VI. ADMINISTRATIVE DISCRETION IN EXCEPTIONAL CIRCUMSTANCES

The Chief Executive Officer or Chief Financial Officer is authorized to permit deviations from this policy where circumstances in the judgment of either of them require it.

VII. PROCEDURES FOR MODIFYING CLASS SIZE POLICY

Prior to BOARD adoption of any amendments to this policy altering the class size provisions contained herein, notice and an opportunity to meet and confer regarding the alterations will be provided to the UNION at least 45 calendar days prior to implementation.

28-2. Enforcement of BOARD Policy on Class Size.

Section 301.2 of the Chicago Public Schools Policy Manual (Class Size) shall be enforced only through the joint BOARD-UNION Class Size Monitoring Process established in Article 28-3.

28-3. Class Size Monitoring Process. One or more joint BOARD-UNION panels shall be established to monitor concerns regarding class size brought to its attention by the UNION. Each panel shall be composed of up to two former teachers, up to two former prin-

cipals and a representative of the Office of Employee Engagement and shall meet on a bi-weekly basis. When the panel investigates a referral from a school, the panel shall promptly notify the Local School Council, and a parent representative chosen by the Local School Council may join the panel. Each panel shall have authority to make recommendations to the Chief Executive Officer with a copy submitted to the UNION President to resolve class size concerns, including, but not limited to, the following: assignment of a teacher assistant, addition of an extra preparation period, re-organized classes or class schedules, additional compensation, additional positions, staggered starting and ending class times, modified school boundaries, establishment of alternative sites and institution of multi-age groupings, split shifts or controlled enrollment. Each panel also shall issue reports semi-annually to the Offices of Employee and Labor Relations and the joint BOARD-UNION Class Size Supervisory Committee.

28-4. Support for Over-enrolled K to 2 Classes. Effective second semester school year 2016-17 and each school year thereafter, a teacher assistant or instructor assistant will be assigned to kindergarten, first grade, or second grade classrooms that have 32 or more students enrolled on 10th day. The teacher assistant or instructor assistant shall assist in core instruction and may be shared with more than one classroom, provided the assistant is present for all instruction. The Board will implement this provision for the second semester of the 2016-17 school year.

The Board shall provide \$6 million each Fiscal Year to fund the costs associated with providing the teacher assistant. The Board shall provide an additional \$1 million each Fiscal Year, which may be utilized for assistants or other means to reduce class size in those classrooms.

ARTICLE 29

EMPLOYEE DISCIPLINE

29-1. Employee Discipline. The BOARD, the Chief Executive Officer and their respective designees shall discipline employees only for just cause.

29-2. Discipline of and Disciplinary Procedures for Appointed Teachers, Temporarily Assigned Teachers and PSRPs.

29-2.1. Progressive Discipline Defined. The parties embrace the concept of progressive and corrective discipline for employees. Progressive discipline is a systematic approach to correct unwanted behavior and deter its occurrence by administering disciplinary actions based upon various factors, including but not limited to: (a) the seriousness of the misconduct; (b) the number of times it has occurred; (c) prior acts of misconduct; (d) the attitude and cooperation of the employee; (e) the employee's work history; and (f) the totality of the circumstances. Toward that end, the following disciplinary process and forms of discipline shall be used for appointed teachers, temporarily assigned teachers and PSRPs.

29-2.2. First Step – First Warning Notice (Corrective Action Notice). The principal or head administrator invites the employee to a private meeting in writing to have a formal conversation to discuss the particular discipline matter. The meeting is between the principal or head administrator and the employee. After the meeting, the principal or head administrator will serve the employee with a First Warning that memorializes the meeting, the nature of the misconduct and sets forth the improvement needed. The First Warning shall be issued within ten school days of the meeting. If the employee disagrees with the First Warning, the employee may submit a written rebuttal, which shall be included

in the employee's disciplinary file and copied to the UNION, and which will be reviewable should the discipline be escalated to a Final Warning in Lieu of Suspension or dismissal decision.

29-2.3. Second Step – Second Warning Notice. In the event that the employee commits the same unwanted behavior after being afforded a reasonable period of time for correcting the behavior but within twelve months of the delivery of a First Warning, the principal or head administrator shall serve the employee with the Pre-Meeting Second Warning notice and any supporting documents that evidence the misconduct. This notice also sets a date and time for a private meeting to occur between the principal or head administrator and the employee. After the meeting, if appropriate, the principal or head administrator will serve the employee with a Second Warning that memorializes the meeting, the nature of the misconduct and sets forth the improvement needed. The Second Warning shall be issued within ten school days of the meeting. If the employee disagrees with the Second Warning, the employee may submit a written rebuttal, which shall be included in the employee's disciplinary file and copied to the UNION. Second Warnings are not reviewable except in the context of a review of a Final Warning in Lieu of Suspension or dismissal decision.

29-2.4. Third Step – Final Warning in Lieu of Suspension. In the event that the employee commits the same unwanted behavior after being afforded a reasonable period of time for correcting the behavior but within twelve months of the delivery of a Second Warning Notice, the principal or head administrator shall serve the employee with the Pre-Meeting Final Warning in Lieu of Suspension notice and any supporting documents that evidence the misconduct. This notice also sets a date and time for a private meeting to occur between the

principal or head administrator and the employee. After the meeting, if appropriate the principal or head administrator will serve the employee with a Final Warning in Lieu of Suspension that memorializes the meeting, the nature of the misconduct and sets forth the improvement needed. The Final Warning in Lieu of Suspension will be issued within ten school days of the meeting.

29-2.5. Fourth Step – Dismissal. The Chief Executive Officer or the BOARD may dismiss an appointed teacher or a temporarily assigned teacher when he or she fails to adhere to a Final Warning In Lieu of Suspension or when he or she engages in misconduct for which dismissal is the appropriate discipline. 36-3. Payroll Procedures.

36-3.1. Payroll Cycle. All bargaining unit employees shall be on the same payroll cycle.

36-3.2. Payroll Periods. A payroll period is a fourteen-calendar-day period commencing on a Sunday and ending on the second Saturday following such Sunday. Bargaining unit employees shall be paid for each payroll period on the Friday that follows thirteen days after the end of such payroll period.

36-3.3. Pay Plan. Effective beginning with the 2013-2014 work year, the BOARD shall cease its deferred pay plan. The BOARD shall develop a transition plan by December 31, 2012 and shall bargain with the UNION over the impact of the transition, including the impact on employees in Track E schools. All deductions shall be prorated over each payroll period over the course of the work year. The BOARD and the UNION shall develop and implement an employee communication and resources plan to as-

sist employees who plan to establish personalized deferred pay accounts with their own banks or financial institutions that will allow them to direct a portion of their compensation into a savings or other account to be available during unpaid break periods.

36-3.4. Payroll Schedule. For each Fiscal Year, the BOARD shall publish a payroll schedule that will reflect the pay dates for each payroll period and a concomitant schedule for deductions.

36-3.5. Payroll Corrections. Principals and head administrators shall submit payroll corrections immediately upon verification of a payroll error. Salary adjustments shall be remitted to the teacher as soon as practicable and no later than the next payroll period.

36-4. Pension Pick Up.

36-4.1. Amount of Pick Up. The BOARD shall pick up for each teacher and other bargaining unit employee a sum equal to seven percent of the amount due each such employee as set forth in this Article and in the annual salary schedules set forth in Appendix A-1A through A-1D and A-1F through A-1H (except for Appendix A-1K(i) and A-3E) for the Public School Teachers' Pension and Retirement Fund of Chicago and the Municipal Employees', Officers' and Officials' Annuity and Benefit Fund to be applied to the retirement account of each such employee (not the survivors' annuity account).

36-4.2. Claim to Funds Picked Up. The employee shall have no right or claim to the funds so picked up, except as they may subsequently become available upon retirement or resignation from the Public School Teachers' Pension and Retirement Fund of Chicago and the Municipal Employees', Officers' and Officials' Annuity and Benefit Fund, or as pro-

vided under the laws governing the above two pension funds.

36-4.3. Indemnification. The BOARD does not warrant that the payments made by the BOARD for the employees as set forth above are permissible prior to January 1, 1982, or that any of such payments are excludable from the employees' gross wages, and as such, the UNION and each individual bargaining unit employee shall and does hereby agree to indemnify and hold harmless the BOARD and its members, officers, agents and employees from and against any and all claims, or liability by reason of payments of said contributions to the Public School Teachers' Pension and Retirement Fund of Chicago and the Municipal Employees', Officers' and Officials' Annuity and Benefit Fund made pursuant to the provisions of this Article.

36-5. 2.2% Pension Legislation. Commencing with Fiscal Year 2000, the additional pension contributions of teachers as a result of the "2.2% legislation" shall be made on a pre-tax basis pursuant to Section 414(h) of the Internal Revenue Code. For the purposes of Section 414(h) of the Internal Revenue Code, such contributions will be treated as employer contributions, and it is recognized that employees do not have the option to receive such contributions in cash. This agreement is for the purpose of making such additional pension contribution pre-tax for the employee. Contributions will be deducted from employees' salaries and do not constitute an additional "pick up" under Article 36-4.1.

36-6. Step and Lane Adjustments.

36-6.1. Prior Teaching Experience Within CPS. Salary step adjustments based on previous teaching experience in the Chicago public schools shall be made no later than forty-five days from the date proper claim is received in the Talent Office.

36-6.3. Lane Placement Following Receipt of Degree. Salary lane placement adjustments for Lane II (master's degree) and Lane VI (doctoral degree) shall be made no later than forty-five days from the date proper claim and official transcript certifying completion of all degree requirements are received in the Talent Office. Salary lane placement adjustments for Lane III (fifteen hours of graduate study beyond the master's degree), Lane IV (thirty hours of graduate study beyond the master's degree) and Lane V (forty-five hours of graduate study beyond the master's degree) shall be made no later than forty-five days from the date proper claim and official transcripts verifying successful completion of all course work for the fifteen, thirty or forty-five hours beyond the master's degree are received in the Talent Office. The completion date for the fifteen, thirty or forty-five semester hours of approved graduate credit beyond the master's degree shall be determined by the regionally accredited college or university or the Talent Office.

The annual increment for National Board Certified Teachers set forth in Appendix A-2A shall be paid at the end of the semester following the teacher's submission of proof of such certification to the Talent Office. The annual increment will be paid in two installments. The annual increment will be prorated to reflect either (i) a shortened work year if the teacher begins working after the start of the school year or resigns prior to the end of the school year or (ii) the teacher's receipt of NBCT certification after the start of the school year.

36-6.4. Responsibility for Submitting Claims and Documentation. In accordance with established policy and procedures, the full burden of responsibility for applying for and submitting claims for adjustment and for filing the necessary documentary proof with the Talent Office to substantiate such claims for adjustment of teacher salaries as provided in Section 302.8 of the Chicago Public Schools Policy Manual (Compensation and Pay Plan) (Board Report: 08-0123-PO1) shall rest with the teacher.

36-6.5. Acknowledgement of Receipt of Claim. The BOARD shall acknowledge, in writing, the receipt of each claim within twenty-five days and shall note any deficiency in said claim if, at the time the claim is made, the teacher has provided the BOARD with a stamped, self-addressed envelope.

36-6.6. Lane Placement. Credit for purposes of lane placement shall be granted to teachers for participation in subject-related workshops or training sessions which are conducted by industry and other approved organizations and which have been approved in advance by the BOARD. Requests for such approval shall be given in writing to the Department of Instruction Services and submitted sufficiently far in advance to permit appropriate investigations by the BOARD. A reviewing committee set up by the BOARD shall approve or disapprove promotional credits for particular training sessions or educational programs which do not bear university credit and shall determine credit hour equivalencies of such attendance. (This applies to all teachers.)

36-7. PSRP Bonus. Effective February 1, 2016, the PSRP bonus shall be eliminated and effective July 1, 2016 \$200 shall be added to PSRPs' base salary.

36-8. Bonus for PSRPs Who Become Highly Qualified Under No Child Left Behind Act. The BOARD

shall pay a one-time non-pensionable \$1,000.00 bonus to PSRPs who become highly qualified within the meaning of the No Child Left Behind Act and applicable state and federal regulations and who present an Illinois State Board of Education certification of highly qualified status to the Talent Office.

36-9. Direct Deposit. All employees are required to utilize direct deposit for the payment of their salaries and other compensation. The BOARD shall provide a written explanation of a payroll adjustment or change on the direct deposit advice where such adjustment or change occurred. The direct deposit advice shall identify the employee's lane or grade and step placement and the employee's total number of unused sick days.

36-10. Transportation Allowance Payments. Transportation allowance payments shall be received no later than the twenty-first day of each month.

36-11. After-School Rate of Pay.

36-11.1. Non-Instructional Rate of Pay. Except as provided in Appendix A-3F, any bargaining unit employee employed in an after-school program in a non-instructional capacity shall be compensated at the rate of \$37.60 for the 2012-2013 school year, \$38.35 for the 2013-2014 and \$39.11 for the 2014-2015 school year. Such compensation shall not be subject to pension pick up.

36-11.2. Instructional Rate of Pay. Any bargaining unit employee employed in an after-school program in an instructional capacity shall be compensated at the rate of \$43.78 for the 2012-2013 school year, \$44.65 for the 2013-2014 school year and \$45.54 for the 2014-2015 school year. Such compensation shall not be subject to pension pick up. For purposes of this Section, the term "instructional" shall be defined as teaching activities in a core content area, which requires certification in the content area to

conduct required assessments and instruction. Core content area means mathematics, reading/literacy and science. Examples of instructional activities include enrichment academies, AIM High Tutoring and Step Up to K and 3rd Grade.

36-12. Teacher Retirement Program. Article 36 shall be amended as follows: CPS will offer an early retirement incentive to teachers who are eligible to retire and who submit their retirement notice on or before March 31, 2017 with an effective retirement date of June 30, 2017 provided that a minimum of 1500 teachers who are currently eligible to retire participate. The incentive program will be a one-time non-pensionable lump sum bonus payment equal to the teachers years of CPS service (not including fractions of years), times \$1500, payable by December 31, 2017. If the minimum isn't met, the teacher will be allowed to rescind the retirement notice.

36-13. PSRP Voluntary Separation Program. Article 36 shall be amended as follows: CPS will offer a voluntary separation incentive to PSRPs who have 10 years of CPS service and who submit their resignation notice on or before March 31, 2017 with an effective retirement date of June 30, 2017 provided that a minimum of 600 PSRPs who are currently eligible to participate. The incentive program will be a one-time non-pensionable lump sum bonus payment equal to the PSRP's years of CPS service (not including fractions of years), times \$750, payable by December 31, 2017. If the minimum isn't met, the PSRP will be allowed to rescind the retirement notice.

36-14. Budgetary Adjustments. The Board will continue the practice and formula in effect for the school 2014-15 school year (or its equivalent) during the term of this agreement with respect to budgetary adjustments for schools that have higher than the average teacher salaries so as not to disadvantage those schools due to higher teacher salaries.

High-cost teacher offset. The BOARD shall augment school budgets at those schools with higher-than-average teacher salaries according to the following method: On March 1st, the BOARD shall calculate the district-wide average cost of all staffed teacher positions that are funded with SBB or its equivalent under another method and then calculate the average cost of staffed SBB (or equivalent) teachers for each school. If this average cost at any school exceeds the district-wide average, the school will receive a teacher salary adjustment. The amount of the adjustment is calculated by multiplying the difference between the school's average teacher cost and the District's average teacher cost, multiplied by the number of staffed SBB teachers at the school.

36-15. Step and Lane Description. The parties will meet to develop a full description of step and lane advancement.

ARTICLE 37 SICK DAYS AND SHORT-TERM DISABILITY LEAVE

37-1. Sick Days Granted On and After July 1, 2012. On July 1, 2012, and each July 1 thereafter, the BOARD shall grant eligible employees one sick day per month, up to twelve sick days per year, based on their anticipated active employment for the next school year. Sick days granted on and after July 1, 2012 that are unused at the end of the Fiscal Year will not be carried over to the next Fiscal Year, except as provided in Article 37-3. The BOARD shall not pay out to any employee the value or any part of the value of any sick days granted on and after July 1, 2012 that are unused at the time the

employee separates from employment for any reason.

37-1.1. Sick Day Pay. The pay for one sick day shall be calculated by multiplying the number of hours the employee is assigned per day by his or her regular hourly rate of pay.

37-1.2. New Employee Eligibility. New employees are not eligible for sick days during the first sixty calendar days of their employment. After this sixty-day period, such employees shall accrue and be granted sick days retroactive to their dates of appointment.

37-2. Longevity.

37-2.1. Teachers. The BOARD shall credit teachers who are at Step 13 on the salary schedule and who have at least thirteen years of experience with one additional sick day per year. The BOARD shall credit teachers who are at Step 13, or effective July 1, 2008 and thereafter, Step 14, on the salary schedule and who have at least eighteen years of experience with two additional sick days per year.

37-2.2. PSRPs. Effective July 1, 2008 and thereafter, the BOARD shall credit PSRPs who are at Step 6 on the PSRP salary schedule and who have at least thirteen years of experience with one additional sick day per year. Effective July 1, 2008 and thereafter, the BOARD shall credit PSRPs who are at Step 7 of the PSRP salary schedule and who have at least eighteen years of experience with two additional sick days per year.

37-3. Roll Over of Sick Days Granted On and After July 1, 2012. Sick days awarded on and after July 1, 2012 that remain unused at the end of the Fiscal Year may be rolled over for future use up to a maximum of forty (40) days and may be used for the following purposes: (a) as sick days or for purposes of leave under the Family and Medical Leave Act; (b) to supplement the short-term disability pay in days 31 through 90 to reach

100% income during such period or (c) for pension service credit upon retirement. Sick days accumulated under this Section shall be utilized prior to sick days in the “retained sick day bank” defined in Article 37-4.

37-4. Unused Sick Day Banks Earned Prior to July 1, 2012. Bargaining unit employees shall retain any bank of unused sick days that the bargaining unit employee accumulated prior to July 1, 2012 in a “retained sick day bank.” Employees may use days from their retained sick day bank for the purposes set forth in Article 37-3. Up to 325 retained sick days earned from BOARD employment prior to July 1, 2012 and left unused in the retained sick day bank at the employee’s resignation, retirement or death shall be paid out at the employee’s rate of pay at the time of the employee’s separation based on the following qualifying events and in the following percentages:

Qualifying Event	Percentage of Accumulated Sick Leave To Be Paid Out
Resignation or retirement with 33.95 or more years of service	100%
Resignation or retirement with at least 20 but less than 33.95 years of service	90%
Resignation or retirement at age 65 with less than 20 years of service	85%
Employee’s Death	100%

An employee who qualifies for a payout pursuant to this Article based upon his/her age and/or years of service and who is laid off shall be afforded a period of twelve (12) months from the date of his/her layoff, or last day in the Reassigned Teacher Pool (whichever is later) to a resignation or retirement in order to qualify for a payout.

37-5. Short-Term Disability Leave. Effective January 1, 2013, the BOARD shall establish a short-term disability and paid maternity leave plan for employees at no cost to employees who are eligible for health care benefits.

37-5.1. Benefits. The short-term disability policy shall provide disability benefits for employee illness in excess of ten consecutive days (including maternity leave days) as follows: (a) one hundred percent of the employee's regular full-time pay for the first thirty calendar days of the employee's disability and/or maternity leave; (b) eighty percent of the employee's regular full-time pay for calendar days thirty-one through sixty of the employee's disability and/or maternity leave; and, (c) sixty percent of the employee's regular full-time pay for calendar days sixty-one through ninety of the employee's disability and/or maternity leave.

37-5.2. Eligibility for Short-Term Disability and Paid Maternity Leave Benefits. Employees are eligible for short-term disability if they satisfy the following requirements: (a) they have been employed for at least sixty calendar days; (b) they have not exhausted ninety paid calendar days of short-term disability or maternity leave in the preceding twelve-month period; (c) they have exhausted all sick days allotted for the year; (d) they have submitted a qualifying medical certification of their disability or maternity; (e) they are not receiving worker's compensation, victims of violence leave or long-term disability benefits for the disability; and (f) they satisfy any other eligibility requirements to qualify for the benefit approved by the LMCC, which approval shall not be unreasonably withheld.

37-5.3. Employee Benefits During Paid Short-Term Disability Leave. Employees on short-term disability leave may continue their employee benefits [e.g., health, dental, life, or 403(b)] on the same terms as if they were actively employed. Deductions shall be made from short-term disability payments for those benefits.

37-5.4. Coordination with FMLA and Supplemental FMLA Leaves of Absence. Short-term disability

leaves and any period of sick leave used immediately preceding the short-term disability leave period run in parallel with qualifying FMLA leaves of absence. Time spent on a short-term disability leave of absence shall count towards the maximum number of days or weeks of FMLA or Supplemental FMLA leaves of absence.

37-6. Transfer of Sick Days. Employees may donate up to ten (10) sick days from their sick day banks to another employee who is suffering from a serious medical condition and who is on an approved leave of absence. An employee receiving a donation of sick days may not receive more than forty-five (45) days of sick leave in the aggregate from donor-employees and may only receive a donation once during his or her employment with the BOARD.

ARTICLE 38

TAT SALARY ADJUSTMENT & DISPLACEMENT

38-1. Salary Adjustments for TATs.

38-1.1. TATs with Temporary Certificates. Teachers who hold temporary teaching certificates (other than provisional certificates) and who are employed as TATs shall be eligible to receive salary adjustments up to and including the second step of the appropriate lane to allow credit for prior service as a full-time teacher in the Chicago Public Schools or in schools outside the Chicago public school system provided, however, that the provisions of Section 302.8 of the Chicago Public Schools Policy Manual (Compensation and Pay Plan) (Board Report: 08-0123-PO1) covering salary adjustments are met and an application (Salary Adjustment T. Per. 41) and,

if outside time is involved, an affidavit (Affidavit Form T. Per. 42) are filed with the Talent Office. The Talent Office shall acknowledge within twenty-five days, in writing, the receipt of such application and shall indicate any deficiency in the application. At the time application is made, the teacher shall furnish the Talent Office with a stamped, self-addressed envelope.

38-1.1(a). *Submission of Claim for Experience Within CPS.* To be eligible for a salary adjustment based on teaching experience in the Chicago Public Schools effective on the date of employment, TATs must make proper claim to the Talent Office within sixty days of the date of employment. After sixty days the effective date for a salary adjustment based on teaching experience in the Chicago Public Schools shall be the date proper claim is received in the Talent Office.

38-1.1(b). *Submission of Claim for Experience Outside CPS.* Salary step adjustments for outside teaching experience for TATs shall be made effective from the date of employment provided that proper claim and documentary proof are on file within ninety days of employment. After ninety days of employment, the effective date for salary adjustments becomes the date on which the application and affidavit are received in the Talent Office. No salary adjustment claim or verification of employment outside of the Chicago Public Schools will be considered if filed after one year of original placement as a TAT.

38-1.2. TATs with Regular Teaching Certificates. TATs who agree to obtain a regular teaching certificate shall be eligible for an additional salary adjustment up to and including the third step of the appropriate lane provided, however, that they have not had such a salary lane adjustment at a previous

time and that the provisions of Section 302.8 of the Chicago Public Schools Policy Manual (Compensation and Pay Plan) (Board Report: 08-0123-PO1) covering salary adjustment are met and an application (Salary Adjustment T. Per. 41) and, if outside time is involved, an affidavit (Affidavit Form T. Per. 42) is filed with the Talent Office. Any TAT who has had the above-mentioned salary adjustment and who fails to obtain a regular teaching certificate within one year shall revert to the appropriate step and lane, but no higher than step two. Whenever a TAT obtains a regular teaching certificate, said TAT shall not be subject to the salary step limitations outlined in this Section.

38-1.3. Responsibility for Submitting Claim and Documentation. The full burden of responsibility for submitting claim and proof thereof of all salary and/or lane advancements rests with the teacher. Experience outside of Chicago must be documented.

38-2. When TATs are released due to the return from a leave of an appointed teacher to the school, such TATs shall be permitted the following benefits:

38-2.1. TATs so released shall be , effective the first day of student attendance of the school year, or thereafter, by the Talent Office to the Cadre and shall be continuously available to perform substitute service. Further, they shall accept all assignments in any and every school. Displaced TATs who become members of the Cadre shall continue to be eligible for all medical and dental benefits granted to TATs for twelve calendar months after reassignment to the Cadre provided said teachers remain in the Cadre. Displaced TATs assigned to the Cadre shall be paid the daily rate set forth in Appendix A-1J(i) or A-1J(ii). Released TATs serving in the Cadre shall be given the opportunity to apply and be interviewed for vacant positions throughout the school year. The Talent Office shall maintain a list

of released TATs in order to assist principals in filling vacancies. A TAT released from a school will not be reassigned to a vacancy temporarily filled by another TAT.

38-2.2. A displaced TAT who becomes a member of the Cadre may be selected at any time by a principal to fill an existing vacancy provided that this reassignment is consistent with the area of certification required for said vacancy. If reinstated as a TAT, said teacher shall be placed on the appropriate lane and step of the salary schedule and shall receive all benefits herein provided to TATs. If the displaced TAT is assigned to the position of an appointed teacher on leave, the TAT shall remain as a TAT as defined in Article 23-6.1. Otherwise, if the displaced TAT is assigned to a vacancy consistent with the TAT's area of certification, the TAT shall become a probationary teacher as defined in Article 23-3.

38-2.3. The BOARD and the UNION agree that said displaced TATs shall be included in the number of Cadre substitutes maintained by the BOARD under the provisions of Article 27-2. If the number of released TATs causes the size of the Cadre to exceed the specified three hundred members from September to November 1 or nine hundred members from November 1 through the end of the school year, the BOARD shall increase the size of the Cadre to accommodate inclusion of any released TATs.

ARTICLE 39

TEACHER EVALUATION

39-1. Evaluation Plan and Procedures.

A. The BOARD and the UNION agree with the following goals and purposes for teacher evaluation:

1. To build principals' and/or teachers leaders' expertise in observing and analyzing instruction and supporting teacher development.
 2. To engage teachers in reflection and self-assessment regarding their own performance.
 3. To provide teachers with information and guidance to inform their development.
- B.** The BOARD adopted an evaluation plan and procedures (“the evaluation plan”) on March 29, 2012. That plan was implemented effective with the start of the 2012-2013 school year, and has remained in place since, with year-to-year amendments through the Joint Teacher Evaluation Committee not inconsistent with the collective bargaining agreement. The BOARD shall share with the UNION members of the Joint Committee a draft of the REACH handbook no later than June 30th of each year and the BOARD and UNION members of the Joint Committee shall try to reach consensus on the language before the BOARD publishes the handbook on or about August 1st.
- C.** The Joint Teacher Evaluation Committee (“Joint Committee”) shall continue its collaboration. The Joint Committee shall consist of five members selected by the UNION and five members selected by the BOARD. The Joint Committee shall meet at least one day per month during the regular school year to discuss and come to agreement on issues related to the teacher evaluation plan implementation that may arise during the term of this Agreement. The Joint Committee shall establish rules surrounding the use of local criteria in evaluation, and no local criteria shall be used or given weight until those rules are established. After a student survey pilot in school year 2013-2014, the Joint Committee shall also

determine whether student surveys shall be used as a component of the teacher evaluation plan in school year 2014-2015 and thereafter. Unless otherwise agreed by the Joint Committee, teacher practice scores shall be 75% of the summative rating in school year 2012-2013, 75% of the summative rating in school year 2013-2014 and 70% of the summative rating in school year 2014-2015. Student growth scores shall be 25% of the summative rating in school year 2012-2013, 25% of the summative rating in school year 2013-2014 and 30% of the summative rating in school year 2014-2015. Joint Committee meetings shall occur where possible during the regular school day. Where necessary, members of the committee who are classroom teachers shall be provided with substitute teachers on meeting days.

- D. The BOARD and the UNION shall conduct a joint study of the implementation of the teacher evaluation plan. The Joint Committee shall determine what changes, if any, are necessary to improve the content and procedures of the teacher evaluation plan. Any changes to the teacher evaluation plan shall be communicated to all teachers within ten school days of adoption.
- E. The BOARD shall provide the UNION with a calendar prior to each school year setting forth the relevant dates in connection with the Evaluation Plan.
- F. The BOARD shall not use school-wide value-added growth measures as a component of student growth in an individual teacher's evaluation.

39-1.1. Orientation. Teachers shall be provided with an orientation session on the teacher evaluation plan during the first week of the school year prior to student attendance, but not later than the 20th

day of student attendance, unless they are hired or transferred to the school after the 20th day. Teachers shall be provided copies, which may be in electronic form, of the teacher evaluation plan. Teachers hired after the first week of the school year shall be provided with said orientation within the first week after their hiring and a copy of the teacher evaluation plan shall be provided to every teacher. The Joint Committee shall review and determine orientation materials and programs for the 2013-2014 school year and thereafter.

39-1.2. REACH Teacher Evaluation. The Joint Evaluation Committee shall retain a mutually agreed expert, no later than April 1, 2017, to assist it in studying the REACH evaluation system and to provide recommendations to mitigate or eliminate any disproportionate impacts of the observation or student growth measures.

39-2. Evaluation Plan and Procedures.

39-2.1. Evaluation Plan. Each teacher shall be evaluated annually or biennially as “excellent,” “proficient,” “developing” (state law equivalent is “need improvement”) or “unsatisfactory” by a qualified evaluator in accordance with this Article and the teacher evaluation plan. Effective upon ratification, tenured teachers who are rated in the lower half of developing (a score of 210 to 250) in two consecutive ratings periods shall be rated unsatisfactory, unless in the second year the teacher’s professional practice score is proficient or better.

39-2.2. Qualified Evaluators. Qualified evaluators are those who have successfully completed evaluation training and prequalification under Section 24A-3 of the Performance Evaluation Reform Act and as thereafter required. Observations may only be conducted and evaluations may only be given by qualified evaluators. The BOARD shall provide the

UNION a list of qualified evaluators on a quarterly basis.

39-2.3. Teacher Practice Observations.

A. Formal and Informal.

1. Formal observations shall be preceded by a pre-conference. All formal observations shall be forty-five minutes in duration, the length of the class period or the length of the lesson.
2. Informal observations shall be at least fifteen minutes in duration.

B. Timing and Number.

1. The first observation shall take place no sooner than the fifth week of the school year.
2. Each subsequent observation shall be separated by at least one month, or three months for teachers evaluated biennially, and be completed no later than the thirty-fifth week of the school year.
3. Teachers shall have three observations by qualified evaluators during their evaluation cycles, at least two of which shall be formal observations in order to receive a summative evaluation. The same evaluator shall conduct the pre-conference, observation and post-conference for each observation.

C. Observations and Conferences.

1. Pre-observation conferences shall be scheduled with reasonable notification to the teacher.
2. Pre-observation conferences between the teacher and the evaluator shall take place no later than one week prior to the formal observation. Pre-observation conferences prior to a formal observation shall be private inter-

active discussions between the evaluator-observer and the teacher at which lesson and unit plans, portfolios of student work, student issues, resource needs, the teacher's identification of areas in which he or she wishes to have focused feedback from the evaluator-observer and other professional practice issues identified by the teacher or evaluator-observer shall be discussed.

3. Evidence collected during formal or informal observations shall be aligned to the CPS Framework for Teaching.
4. Each formal observation shall take place within five school days of the pre-conference and during the time that the instructional module discussed at the pre-conference is to be taught.
5. Post-conferences between the teacher and evaluator-observer shall take place within three to ten school days following the formal observation and shall be private. Feedback after an informal observation may be provided in person or electronically. The teacher may request in person feedback after an informal observation.
6. The evaluator shall provide the teacher with all the evidence, observation scoring and reflections via the BOARD'S on-line teacher evaluation data system, to which the BOARD will provide teachers unlimited access.
7. The evaluator will reschedule observations if classroom activity has been disrupted at the time of the scheduled observation (e.g., when a co-teacher is absent, if the building loses electricity, when the teacher is conducting a test, etc.)

D. Summative Evaluation.

There will be only one annual or biennial summative evaluation per evaluation cycle at the end of the teacher's evaluation cycle. The BOARD will attempt to provide summative ratings no later than the last day of student attendance, and the Joint Committee will review its progress toward that goal.

39-2.4. Inability to Rate or to Provide Rating. In the event that a tenured teacher does not receive an annual summative rating, the previous rating shall be established as the current rating. In the event a probationary appointed teacher does not receive an annual summative rating, the parties will attempt to agree on a rating or re-rating during the same year, and, if no agreement is reached, the teacher will have the option of having his or her previous rating as the current rating or receiving a Proficient rating.

39-2.4(a). *Best Practices.* The Joint Committee has developed a set of "best practices" around teacher evaluation, which have been published at various points in time on the CPS Knowledge Center as REACH FAQs and in the Teacher Evaluation Handbook. The best practices are guidance to teachers and evaluators on various aspects of the evaluation system. The Joint Committee will include in REACH FAQs and the Teacher Evaluation Handbook best practices on advance notice of pre-observation conferences, sharing of evidence and draft ratings before post-observation conferences, timing for finalization of ratings after post-observation conferences, a two-week time before first observations following a leave of absence etc. The REACH FAQs and Teacher Evaluation Handbook with the "best practice guidance" shall be published annually before the start of the school year and may change from time to time during the school

year as determined by the Joint Evaluation Committee. Observers shall make all reasonable efforts to abide by the best practice guidance. If a teacher rating is adversely affected by an observer's failure to follow best practices, the observation rating shall be voided. In the case where an observation is voided and there are insufficient remaining observations to support a summative rating the teacher will be rated inability to rate in the summative evaluation.

39-2.5. Summative Ratings and Forms. On or before seven days prior to the last day of student attendance, an evaluator shall provide each teacher with all available components of their summative rating. The summative rating shall include observation scores, student growth scores if available and all other evidence used to determine the summative rating, along with the formula used to calculate the summative rating, provided that the rating shall not include scores from student surveys in school year 2012-2013 or 2013-2014 and shall only include student survey scores in school year 2014-2015 and thereafter if agreed by the Joint Committee. The Joint Committee will determine the timing of end of year (annual or biennial) summative evaluations for the 2013-2014 school year and beyond.

Summative ratings shall be based on the following scale in which points are earned in accordance with the plan.

Level	Minimum	Maximum
Unsatisfactory	100	209
Developing (Needs Improvement)	210	284
Proficient	285	339
Excellent	340	400

For purposes of layoff, the developing rating will be divided into two sublevels—"emerging" with a rat-

ing score of between 210 and 250 and “developing” with a rating score of between 251 and 284.

39-2.6. Professional Development. The Joint Committee shall determine the professional development needed to support teachers in becoming proficient teachers as defined in the evaluation plan.

39-2.7. Clinician Evaluation Plan. Clinicians shall be evaluated in accordance with the Clinician Evaluation Plan in effect during the 2015-2016 school year, and the BOARD shall abide by the Case Review process established in that plan.

39-3. Probationary Appointed Teachers.

Observations and Evaluation. Probationary teachers shall be observed and evaluated each school year by a qualified evaluator in accordance with the procedures of Article 39-2.3. A minimum of three observations shall occur each school year, at least two of which shall be formal.

39-4. Tenured Teachers.

Observations and Evaluation. Tenured teachers shall be observed and evaluated each school year by a qualified evaluator in accordance with the procedures of Article 39-2.3 and as follows:

A. Tenured teachers shall be evaluated annually or biennially by a qualified evaluator in accordance with the teacher evaluation plan. Tenured teachers who received a summative rating of excellent or superior for the 2011-2012 school year shall be placed on a biennial rating schedule and shall be evaluated every two years beginning with the 2013-2014 school year. In school year 2014-2015 and thereafter, tenured teachers rated excellent or proficient shall be given a summative rating on a biennial basis, and all other tenured teachers shall be rated annually. The Joint Committee

shall determine the biennial cycle (e.g., alphabetically by even or odd years).

- B. Observers shall observe tenured teachers on a biennial cycle a minimum of 3 times during a rating cycle (with no more than 2 observations in one year) and may conduct a 4th observation if the observer and the teacher agree to do a 4th observation.

39-5. Post-Observation Conferences and Practice Scoring.

Post-observation conferences are opportunities for the teacher and evaluator-observer to review the teacher's performance under the appropriate CPS Framework for Teaching. During that conference, the evaluator-observer and the teacher should discuss opportunities and means to improve teaching performance. After the observation, the evaluator-observer shall issue CPS Framework for Teaching component level scores to the teacher that shall be made available to the teacher on the online data sharing system, together with, among other things, (1) comments about the teacher's pre-observation preparation, the observation itself and the teacher's post-observation reflection, (2) identification of specific opportunities for growth, (3) ways and means by which the teacher should pursue opportunities and achieve growth, (4) the resources to be made available to assist the teacher and (5) the evaluator's follow-up.

39-6. Unsatisfactory Day-to-Day Substitutes.

Whenever a day-to-day substitute receives an unsatisfactory rating, the Talent Office shall schedule a conference with said day-to-day substitute and the UNION to give the day-to-day substitute a written copy of the reasons for the unsatisfactory rating, discuss the reasons and give positive suggestions for improvement to the day-to-day substitute. The services with the school system of an unsatisfactory day-to-day substitute shall not be terminated until said day-to-day substitute has been given an unsatisfactory rating by at least two

principals, unless there is evidence of moral laxity or serious misconduct.

39-7. Consulting Teachers.

39-7.1. The BOARD, in consultation with the UNION, shall appoint a body of part-time consulting teachers who meet the statutory minimum criteria, after an application process determined by the Joint Committee, giving preference to teachers with two consecutive ratings of excellent or who are National Board Certified, who may be called to assist tenured teachers under remediation, in their subject area and/or grade band level. The consulting teacher must have five-years of teaching experience, have a most recent summative rating of excellent and have reasonable familiarity with the teacher's content area. The Joint Committee may establish additional criteria for appointment as a consulting teacher.

39-7.2. Consulting teachers shall be released from their teaching duties a minimum of 3 hours a week, based on the remediation plan of the receiving teacher. They shall be paid a pro rata stipend for time spent assisting the teacher, and an additional hour of planning each week of support.

39-7.3. The consulting teacher's role is to help teachers improve their practice to proficient in the CPS Framework for Teaching components identified in the remediation plan, by providing or recommending mentoring, professional learning experiences, instructional support, modeling and coaching.

39-7.4. Consulting teachers shall not assist colleagues with whom they are personally acquainted.

39-8. Remediation of Tenured Teachers Rated Unsatisfactory.

A. As soon as practicable, but no later than thirty

school days after the issuance of an unsatisfactory summative evaluation to a tenured teacher, the evaluator shall appoint a consulting teacher to assist the teacher in improving his or her performance to proficiency over a ninety-school-day remediation period.

- B.** Within thirty school days after the issuance of an unsatisfactory summative rating, the qualified evaluator shall conduct a meeting with the teacher under remediation and assigned consulting teacher. At this meeting, a remediation plan developed by the qualified evaluator, with input from the consulting teacher and the teacher under remediation, shall be distributed to the parties and shall become effective immediately.
- C.** During the ninety-school-day remediation period, the teacher and the consulting teacher shall work together to improve the teacher's performance on components of the CPS Framework for Teaching identified in the remediation plan. The teacher and the consulting teacher shall determine a schedule by which the consulting teacher shall observe the teacher's performance during the remediation period and engage in other activities that may be helpful to the teacher in improving his or her performance to proficiency.
- D.** During the remediation period, an evaluator will conduct a mid-point and final evaluation of the teacher's performance, using the CPS Framework for Teaching as the sole measure of performance during the remediation period. If the teacher is rated "proficient" or better at the conclusion of the remediation period, he or she shall have successfully completed the remediation period. Following successful completion of the remediation plan, a qualified evaluator shall continue to monitor the teacher's performance with quarterly formal observations, including

required pre-and post-conferences. After four quarters, the teacher shall be reinstated to a schedule of annual or biennial evaluations.

- E. The Joint Committee shall discuss and agree upon issues related to remediation design and implementation.

39-9. Appeals Process.

A teacher appeals process shall be established to contest certain summative ratings given by a qualified evaluator. It shall be comprised of a committee of four active or retired educators, two of whom shall be selected by agreement of the UNION President and the Chief Executive Officer, one of whom shall be selected by the UNION and one of whom shall be selected by the BOARD. All members of the committee shall be qualified evaluators. Both the BOARD and the UNION shall select qualified alternate committee members who may substitute for their regularly appointed members. Individual members of the committee must recuse themselves from cases where they have personal familiarity with the teacher appealing a summative rating and will be replaced by the same appointing entity. The Joint Committee shall determine whether the appeals process exists after school year 2018-2019.

The following teachers will have right to appeal their ratings according to the timelines outlined in Article 39-9.A:

- Teachers rated unsatisfactory
- Tenured teachers receiving ratings in the lower half of developing

The following teachers will have right to appeal their ratings if they are laid off out of order of seniority.

- Teachers rated unsatisfactory
- Teachers rated developing

The time for appeal shall as set forth in Article 39-9A and shall commence when the teacher receives a notice of layoff/displacement. The notice shall advise the teacher of their right to appeal their rating.

- A. A teacher receiving an unsatisfactory rating, and a second consecutive developing rating that results in an unsatisfactory rating, shall be eligible to use the appeals process by filing a notice of intent to appeal with the appeals committee within ten days of receipt of the rating and then the appeal within thirty calendar days after receipt of the rating. The teacher must also submit a copy of the appeal to the teacher's principal or head administrator. In the appeal, the teacher must state the factual basis for the appeal and identify the evidence that supports the appeal. An appeal may be based on student growth ratings in whole or part only if the teacher identifies a data integrity or data analysis error.
- B. Upon receiving an appeal, the appeals committee shall review the written record of the rating. The "written record of the rating" includes (1) the documents and materials submitted by the teacher to the evaluators during pre-conferences and post-conferences or at other times as evidence of the teacher's practice and (2) the evaluator's observations, comments and feedback. The written record of the rating shall not include materials and evidence that the teacher or evaluator was not privy to during the rating process.
- C. If the committee determines the written record of the rating to be insufficient to make a ruling, it shall schedule a meeting with the teacher at which the teacher shall be represented by the UNION and with at least one of the qualified evaluator-observers who contributed observation ratings to the teacher's rating. The meeting shall take place within ten school days of receipt of the appeal.

- D. The BOARD shall provide the teacher and the UNION with all evidence used by the qualified evaluator to determine the summative rating under appeal five days prior to the meeting.
- E. After reviewing the written record of the rating, the appeals committee shall have the right to meet with the teacher and to determine if a formal observation of the teacher appealing the rating shall take place to assist it in its determination. If an observation does take place, the two jointly appointed appeals committee members must conduct the pre-observation conference in accordance with Article 39-2.3(C)(2), and the observation shall take place within five school days of the pre-observation conference.
- F. After a review of the written record of the rating and any interview with the teacher and evaluator, and any observation, and following deliberation, the appeals committee may overturn the rating if three of its members conclude that the rating under review is erroneous. If the appeals committee determines by majority vote that the teacher's appeal is to be granted, the BOARD shall revoke the summative rating under appeal and issue the teacher an appropriate summative evaluation. A different qualified evaluator shall be assigned to the teacher during the next school year who shall follow all applicable provisions of this Article. No developing rating that results from a sustained appeal of an unsatisfactory rating shall count towards the two-developing rule.
- G. An appeal shall not delay the commencement of a professional development plan or remediation plan.

39-10. Do Not Hire. No teacher's name shall be placed on a "do not hire" list unless the teacher has been removed for cause in accordance with the appropriate

provision of the Illinois School Code or the teacher has received an unsatisfactory rating and failed remediation.

39-11. Effective Date. The changes made in this Agreement to the Evaluation Procedure in place under the 2012-2015 Agreement shall be effective for the 2016-2017 school year and thereafter.

44-32. Assessments.

44-32.1. Required Assessments. No later than June 30th of each year (or as soon as practicable after ISBE has published the state assessment calendar), the Board shall publish an assessment calendar for the subsequent school year, which shall consist of assessments mandated by the district for REACH, required to meet the mandates of state or federal laws and regulations, and mandated by a program (i.e., IB or any program that requires a test for student credit or program accreditation).

44-32.2. Additional Assessments. Schools shall determine assessments to be administered in conjunction with the development of the School Im-

provement Plan for Advancing Academic Achievement (SIPAA) which is currently known as the Continuous Improvement Work Plan (CIWP). Each year in the spring, Teachers and the Principal will collaborate to develop a recommended plan for additional assessments, if any, per grade band or content area/department. Prior to voting, the CEO or designee, may review and revise the proposed assessment plan, which shall be presented to and discussed with the school faculty. Teachers and the principal will then vote on the adoption of the plan, which shall be adopted by majority vote. If the plan is not adopted, and the faculty and/or the CEO or designee cannot agree on an alternative plan, the Union or the CEO or designee may submit the matter for resolution at strategic bargaining. The assessment decision will be included in the school's PD plan and reviewed by the district.

44-32.3. Submission of Concerns. The District shall provide a way that staff can submit any issues and/or concerns (e.g. dedicated assessment email box) to Central Office in a confidential manner. CPS and CTU will meet quarterly to review their concerns and/or issues that are submitted.

Teachers shall exercise their independent professional judgment in developing their grading practices. They shall determine the number, type, weighting and frequency of student assignments and tests or other assessments that are used to determine individual course grades. In making that determination, Teachers shall follow

the grading guidelines established in Article 44-33.2 and district policies on grade changes, grade point averages and grade band values in accordance with Article 44-33.2, Teachers' grading practices must be published at the beginning of the course and must be clear to students, parents, administration and staff.

44-33.2. Grading Practice Guidelines. CPS and CTU shall form a joint task force of 10 educators (five appointed by CPS and five appointed by CTU) to develop CPS professional standards and guidelines for teacher grading practices, e.g., recommended frequency and sequencing of assessment, number of assessments per quarter etc. These grading practice guidelines shall require a coherent approach to grading practices within schools, grade bands and content teams, the use of CPS electronic parent portal "Gradebook" or other electronic system for housing student grades and notifying students and parents of assignments, assessment and grades. The taskforce shall develop the guidelines by consensus to the extent possible and, where not possible, by majority vote of the taskforce members. The taskforce shall issue guidelines as soon as practicable, but in no event later than May 15, 2017, which principals, evaluators and network administrators shall use to guide and assess teachers' grading practices.

B. Insurance Benefits—Other

1. PRE-CERTIFICATION. The pre-certification penalty for failure to pre-certify shall be 50% of the cost of services capped at \$1,000. The BOARD will continue to provide information about pre-certification to its employees during the Open Enrollment period. The BOARD agrees that employees should be provided with additional information materials upon which to base health care decisions and will design a specific communication piece such as a section of the annual open enrollment materials, or other communication.

2. CHRONIC CARE/DISEASE MANAGEMENT PROGRAM. The parties agree to continue to maintain a chronic care/disease management program. The program shall provide individualized/customized treatment plans, education support, monitoring via nurse care coordinators, communications to employees through the internet and mail, and targeted phone calls to engage employees in preventive actions.

3. ENHANCED VISION PLAN. The BOARD shall continue to offer an employee-paid vision plan providing contacts/lenses every 12 months and frames every 24 months. Employee premiums are as follows:

- Employee: as determined by insurer, or if self insured as determined by vendor.
- Employee + 1: as determined by insurer, or if self insured as determined by vendor.
- Family: as determined by insurer, or if self insured as determined by vendor.

In addition, there will be a \$130 frame allowance every 24 months and a \$130 contacts/lenses allowance every 12 months covered in network.

Greater allowances may be provided at the discretion of the BOARD.

4. PHARMACEUTICAL BENEFIT. The prescription drug benefit shall continue to include the following terms:

- Annual mailing providing employees with summary of Rx expenses and recommendations to save employees money such as for generic substitutions.
- Retail Fill Restrictions (initial fill + 4, then employee must use mail order to avoid penalty).

5. BENEFITS ELIGIBILITY FOR NEW HIRES. A newly hired employee will continue to be eligible for health care benefits beginning on the first day of the month following his or her date of hire.

6. EMPLOYEE ASSISTANCE PROGRAM. An Employee Assistance Program shall continue to be maintained as part of the health care program.

C. Benefit Information

The BOARD currently provides a guide, providing an overview of its health care plans to new employees and re-hired employees and during the annual Open Enrollment period, and the BOARD will continue to do so. The guide will be available online to allow employees to view current plan information electronically.

The BOARD benefit plans provide a toll-free hotline and an online site for members to access with questions regarding their health care plan. The hours of operation for each health care plan are 8:00 a.m. to 6:00 p.m. Additionally, the BOARD has a Benefits Customer Service team which answers calls during business hours.

As a result of the PeopleSoft conversion, the BOARD relies on a unique identification number (“UID”) for all employees. The BOARD will work with each of its vendors to ensure that employees are routinely identified by these UIDs as opposed to the employees’ Social Security numbers.

F. Anti-Fungal Drugs. Since August 1, 2006, the BOARD has covered the following anti-fungal prescriptions: GRIFULVIN V; GRIS-PEG; GRISEOFULVIN; LAMISIL; SPORANOX; and PENLAC.

APPENDIX G

FMLA LEAVE

Bargaining unit employees regularly employed on a year-round basis who have been employed for at least twelve months and who have worked a minimum of 1,250 hours of service during the previous twelve-month period and bargaining unit employees regularly employed on a ten-month basis who have been employed for the equivalent of at least twelve months and who have worked the equivalent of a minimum of 1,250 hours of service during the previous twelve-month period shall be entitled to unpaid leave under the Family and Medical Leave Act (“FMLA”) for any of the following reasons:

- (a) To provide care for a son or daughter during the twelve-month period after the birth of such child;
- (b) To provide care for a son or daughter during the twelve-month period after such child is adopted by or placed in the foster care of the employee;
- (c) To provide care for a son, daughter, spouse or parent with a serious health condition; or
- (d) To treat or recover from a serious health condition of the employee.

Bargaining unit employees are entitled to a total of twelve work weeks of unpaid leave for the above-stated reasons during a “rolling” twelve-month period measured backwards from the date an employee uses any FMLA leave.

Bargaining unit employees shall be required to use their accrued sick days concurrently with any leave of absence taken under the FMLA. Employees will have the option, upon appropriate notice, to use accrued vacation days. During any leave taken under the FMLA, the employee’s health care coverage under any group health plan shall be maintained for the duration of such leave at the level and under the conditions coverage would have been provided if the employee had contin-

ued in employment continuously for the duration of the leave. If the employee is using vacation or sick days, the employee will accrue seniority while on FMLA leave.

Bargaining unit employees must provide at least thirty days' advance notice before FMLA leave is to begin if the need for leave is foreseeable based on an expected birth, placement for adoption or foster care or planned medical treatment for a serious health condition of the employee or the employee's son, daughter, spouse or parent. If thirty days' notice is not practicable (such as because of a lack of knowledge of approximately when a leave will be required to begin, a change of circumstances or a medical emergency), notice must be given as soon as practicable. Failure to provide the notice set forth in this Section shall not affect the employee's entitlement to the leave when the BOARD has actual knowledge of the FMLA-precipitating event.

A bargaining unit employee who takes FMLA leave shall be entitled on return from such leave to be restored to the position of employment held by the employee when the leave commenced or to an equivalent position with equivalent employment benefits, pay and other terms and conditions of employment.

Except as may be specifically provided for in this Agreement, bargaining unit employees' rights and obligations relating to FMLA leave shall be governed by the provisions of the FMLA (including the regulations thereunder) and BOARD rules or policies.

APPENDIX H

LAYOFF OF TEACHERS

Section 1 – Definitions

A. School actions. BOARD-approved actions to close, consolidate, phase-out or turnaround a school.

B. *School closing.* A student attendance center is closed, its attendance area boundary redistributed to two or more schools and its students reassigned to one or more schools.

C. *School consolidation.* A student attendance center is closed, its attendance area boundary merged with one other school and its students reassigned to one other school.

D. *Phase-out.* A student attendance center is gradually closed through the reassignment of the area attendance boundary to one or more other student attendance centers with no students reassigned; such center may later be closed or consolidated.

E. *Turnaround or reconstitution.* All employees of the school are removed from the school and reassigned or laid off with no students reassigned to other schools.

F. *Economic actions.* Economic actions are those for which the cause of the layoff of the employee is the BOARD's, unit's or school's lack of funds to maintain current staffing levels; economic actions may take the form of different transactions, including, but not limited to, class size increases, changes in position definitions (i.e., redefinitions) to meet program needs, elimination of positions or the reduction of positions from full- to part-time.

G. *Other actions.* Actions that are not school actions or economic actions. They may be based on a school's enrollment or a school's or unit's educational program and may include, but not be limited to, (i) drops in enrollment whereby a student attendance center receives fewer positions or less resources due to a decline in student enrollment, (ii) changes in the educational or academic focus of the attendance center whereby an entire attendance center or a substantial part of an attendance center becomes focused

on or changes its focus to a particular content area or form of pedagogy (e.g., International Baccalaureate, Montessori or STEM) that necessitates specialized credentials for or training of teaching staff and sometimes support staff, (iii) program closures whereby special programs are eliminated (e.g., a grant-funded reading program ends), (iv) redefinitions, (v) elimination of positions or (vi) reduction of positions from full- to part-time.

Section 2 – Scope of Policy

Whenever there is a reduction in or change in the teaching force that results in the lay off of appointed teachers, teachers will be reassigned or laid off in accordance with this policy.

Section 3 – Order of Teacher Layoff

If changes in an attendance center or program require the lay off of some but not all teachers, the order of layoff of teachers within the affected unit and certification shall be by the following performance tiers and/or as follows:

1. Any teachers rated unsatisfactory;
2. Any substitute or temporary teachers;
3. Probationary appointed teachers by performance tier (emerging: 210-250 score; developing: 251-284 score; proficient: 285-339 score; and excellent: 340-400 score).
4. Tenured teachers rated satisfactory or, after the first evaluation in the new evaluation system issues, first tenured teachers rated emerging (210-250 score) and then tenured teachers rated developing (251-284 score).
5. All other tenured teachers.

Within each of the foregoing five tiers, teachers shall

be displaced by inverse order of seniority, with the least senior teacher being laid off first.

Section 4 – Notice of Position Closing

When a determination is made that a teacher's services are no longer required at an attendance center, the teacher will be so notified (hereinafter "notice of layoff") twenty-one days in advance of the effective date of layoff, except in the case of 20th day position closing.

Section 5 – Tenured Teachers' Benefits Upon Layoff

A. Notwithstanding any provision to the contrary in this Agreement, all tenured teachers, except those whose last summative rating was unsatisfactory, upon layoff for any reason on or after June 21, 2016 shall be placed in the Reassigned Teacher Pool at the start of the subsequent school year (or, in the case of teachers laid off during the school year, immediately after the effective date of layoff) for 10 school months. Those tenured teachers shall be placed in a full-time teacher vacancy that exists on the 20th day of the school year and for which they are qualified for the balance of the school year on a temporary basis without loss of salary or benefits. If that vacancy is filled by someone other than the tenured teacher before the expiration of 10 school months, the tenured teacher shall be returned to the reassigned teacher pool for the remainder of 10 school months. If no vacancy exists for which a teacher is qualified on the 20th day, the teacher shall remain in the Reassigned Teacher Pool for 10 school months.

After ratification of this Agreement, tenured teachers eligible for this benefit who were laid off at the end of the 2015-2016 school year shall be placed in the Reassigned Teacher Pool effective the second semester of the 2016-2017 school year for 10 school months.

B. Teacher Eligibility List.

1. The BOARD with input from the UNION shall create a system by which candidates for hire as teachers are prequalified through hiring screening methods. Prequalified teachers shall include: (a) tenured teachers laid off for any reason on or after June 15, 2010 whose most recent performance rating was in the top two rating categories (i.e., excellent or superior and excellent or proficient); and (b) new applicants and other teachers who pass uniform pre-screening hiring criteria, including the consideration of employment history.

Tenured Teachers laid off between June 15, 2010 and June 30, 2012 will not be placed on the teacher eligibility list if they are currently employed by the BOARD in a full-time teacher position or have previously resigned or retired.

2. Eligible tenured teachers will be invited to be on the teacher eligibility list and to confirm their desire to be on the list (such as completing an on-line application). The UNION will be copied on all communications.

3. Prequalified teachers will be admitted to the eligibility list as they are laid off and shall remain on the teacher eligibility list for two years or until they receive a permanent appointment, whichever first occurs. However, teachers placed on the eligibility list during 2012 will remain on the list until June 30, 2015

4. Inter-unit transfers are exempt from the process described in this Section.

5. Principals shall hire only prequalified applicants to permanent teaching positions and shall have the discretion to hire any prequalified teacher. However, principals who receive three or more applications from prequalified displaced tenured teachers

for a posted vacancy must interview at least three prequalified displaced tenured teachers for the position. If the principal does not select a prequalified displaced tenured teacher, the principal shall provide the reason(s) for the non-selection to the Talent Office, which shall communicate the reason(s) to the prequalified displaced tenured teacher. Such reasons may not be arbitrary.

6. Every July 1, the BOARD shall provide the UNION with a list of permanent vacancies filled by teachers on the eligibility list between the immediately preceding July 1 to June 30 period. If fifty percent of those vacancies have not been filled by prequalified displaced tenured teachers, the BOARD will assign a number of prequalified displaced tenured teachers who were on the eligibility list on the immediately preceding June 30 to the reassigned teacher pool for a period of five school months, but excluding:

(a) displaced teachers then currently in the reassigned teacher pool under another provision of this Agreement; and

(b) tenured teachers displaced between June 15, 2010 and June 30, 2012 who were placed into the Reassigned Teacher Pool upon layoff.

Assignments to the reassigned teacher pool shall be based on seniority. The number of prequalified displaced tenured teachers assigned shall equal the difference between the numerical value of fifty percent of the permanent vacancies filled during the immediately preceding July 1 to June 30 period and the actual number of vacancies filled by prequalified displaced tenured teachers. Prequalified displaced tenured teachers who are placed in the reassigned teacher pool and who do not find a permanent appointment by the end of their five-month assignment shall be assigned to the Cadre for five school months. If the prequalified displaced ten-

ured teacher is not appointed to a position by the end of his or her assignment in the Cadre, he or she shall be laid off and separated from BOARD employment, but will remain on the teacher eligibility list for the remainder of his or her two years of eligibility.

C. Tenured Teachers Laid Off Due to School Actions.

Tenured teachers laid off due to school actions shall receive the following benefits:

1. *Transfer to receiving schools in school closings and consolidations.* Tenured teachers whose most recent rating is in the top two rating categories (i.e., excellent or superior and excellent or proficient) shall be appointed to a vacancy at a school to which students from their school have been assigned to the extent that a vacancy within the teacher's certification has been created as a result of or in connection with the transfer of students. If more than one teacher is eligible for appointment to the same vacancy, selection for the vacancy shall be based on seniority.

2. *Alternative severance benefit.* A tenured teacher who has been laid off due to school actions shall be offered the opportunity to resign and receive three months of pay.

D. Tenured Teachers Laid Off for Reasons Other Than Economic Actions and School Actions.

Recall to unit. A tenured teacher who has been laid off from a school or unit shall be entitled to recall to the same school or unit from which he or she had been laid off for a period of ten school months from the date of layoff, provided that a vacancy within his or her certification is created at the school or unit and that the teacher has been rated proficient or better. Tenured teachers shall be recalled in inverse order of layoff.

Section 6 – Probationary Teachers’ Benefits Upon Layoff

Probationary teachers who are laid off and who have been rated in the top two rating categories shall be offered placement in the day-to-day substitute pool.

Section 7 – Eligibility to Apply to Other Positions

The terms of this policy do not preclude any teacher from applying for vacant positions or employment as a Cadre or day-to-day substitute at any time.

Section 8 – Reappointment with Tenure

Within two years after layoff from BOARD employment, if the tenured teacher is appointed by a principal to a permanent position, tenure and prior seniority will be restored to the tenured teacher as of the date of appointment.

APPENDIX I LAYOFF, INTERIM ASSIGNMENT AND REAPPOINTMENT OF PSRPS

The BOARD’s Layoff, Interim Assignment and Reappointment of Educational Support Personnel (“ESP”) Policy incorporated herein and reads in pertinent part as follows:

- I. Layoff, Re-Staffing, and Reappointment of Bargaining Unit ESP. The provisions of Section I of this policy govern the CEO’s or designee’s decisions to layoff BOARD employees in educational support personnel classifications or job titles in bargaining units certified for the purposes of collective bargaining (“bargaining unit ESP employees” or “bar-

gaining unit PSRP employees”).

A. Reasons for Reductions in Force of Bargaining Unit ESP Employees: The Chief Executive Officer (CEO) or designee may conduct reductions in force, layoff or dismiss bargaining unit ESP employees for the following reasons:

- (1) lack of work or funds,
- (2) decline in student enrollment,
- (3) change in subject requirements,
- (4) closing of an attendance center, department or unit,
- (5) privatization contracts with third parties,
- (6) abolition of positions because of changes in duties associated with them,
- (7) change in organizational structure,
- (8) reconstitution of attendance centers pursuant to Section 34-8.3 of the Illinois School Code,
- (9) intervention in an attendance center under Section 34-8.4 of the Illinois School Code, or
- (10) any other reason, which in the exercise of the CEO or designee’s discretion, make a reduction in force necessary or prudent.

B. Notice of Layoff. When the CEO or designee decides to conduct a reduction in the work force which results in the layoff of bargaining unit ESP employees, the CEO or designee will give fourteen (14) calendar days advance written notice to affected bargaining unit ESP employees or, if notice is given during the bargaining unit ESP employees’ regular work year, fourteen (14) calendar days pay in lieu of advance notice. The CEO or designee will enclose with the notice of

layoff: 1) a list of ESP vacancies then existing; 2) instructions about how to learn about future ESP vacancies; 3) instructions on how to apply for bargaining unit vacancies posted on the Human Resources Department's on-line job bulletin in accordance with Section I.E.1 of this policy; and 4) instructions on how to change address and contact information with the Talent Office.

C. Criteria for Determining Bargaining Unit ESP Employees to Be Laid Off.

The school principal or unit head shall determine the number of positions and which classification(s) within the unit shall be affected. Employees within those classifications will be laid off in the following order:

1. Employees who do not possess the highly qualified status or who do not hold necessary certifications or other qualifications;
2. Employees rated unsatisfactory (i.e., below 1.9 points on current system) in their most recent performance rating.
3. Employees rated developing (i.e., 2.0-2.6 points on the current evaluation system) in their most recent performance rating.
4. All other employees by seniority.

For the purposes of this policy only, "seniority" with regard to layoff and reappointment shall mean the length of full-time accumulated service in any career service/ESP position, with such seniority accruing from the date of initial appointment to a career service/ESP position with the BOARD. This definition of "seniority" shall apply only to those ESP employees who are represented by a bargaining unit at the time of their layoff.

D. Re-staffing of a Bargaining Unit ESP Position in the Laid Off ESP Employee's Classification or Job Title at the School or Unit During the 2 Years following Layoff of Bargaining Unit ESP Employees. This recall provision shall apply to PSRPs laid off on or after February 1, 2014. Except as provided in Section I.F of this policy (concerning layoffs under the BOARD's Closing of Schools Policy or Sections 34-8.3 or 34-8.4 of the Illinois School Code), and excluding employees whose last rating was unsatisfactory, if a school or unit opens a bargaining unit position in the same job title from which one or more ESP employees at that school or unit was laid off within two (2) years of the effective date of the affected laid off bargaining unit ESP employee(s)' layoff(s), the CEO or designee shall offer to re-staff laid off bargaining unit ESP employees to the position in order of seniority, provided that the laid off bargaining unit ESP employee meets all of the qualifications for the position, including, where applicable, being highly qualified for the position in accordance with applicable BOARD policies and state and federal rules and regulations. The CEO or designee shall make the offer to re-staff to an eligible laid off bargaining unit ESP irrespective of whether or not a laid off bargaining unit ESP has accepted an interim assignment under the provisions of Section I.E of this Policy or a permanent appointment in another position or at another school. A laid off bargaining unit ESP employee offered re-staffing under this provision must demonstrate highly qualified status for the position to the Talent Office in accordance with existing staffing procedures. Failure to do so will result in revocation of the offer to re-staff.

In the case of a school closing or consolidation, teacher assistants rated proficient or better who

are assigned to provide services to a student under an IEP who is transferred shall be transferred with the student to the receiving school or other school that the student chooses.

In the case of school closings or consolidations, PSRPs rated proficient or better shall be transferred to the receiving school to the extent that vacancies are opened in their titles at the receiving school as a result of the receipt of students.

E. Benefits Upon Layoff. PSRPs whose most recent annual rating was developing or better shall be placed in positions for which they qualify that are vacant on the 20th day until the end of the semester.

F. Eligibility Pool for Consideration for and Interim Assignment to Certain Bargaining Unit Positions. The CEO or designee shall maintain a list of laid off bargaining unit ESP employees by job title who are seeking re-employment with the BOARD for a period of ten (10) school months after the effective date of their layoff. The list will constitute the eligibility pool. Laid off bargaining unit ESP employees in the eligibility pool will be eligible for interviews for appointment to BOARD-funded positions for which they apply in accordance with this Policy and for an interim assignment to a vacant position in the title from which they were laid off and for which they meet the minimum qualifications as follows:

(1) Eligibility for Interviews for Bargaining Unit ESP Vacancies Posted on the Human Resources Department's On-line Job Bulletin. A laid off bargaining unit ESP employee in the eligibility pool may apply for BOARD-funded bargaining unit vacancies in his or her former job title at schools or units other than that from which he/she was laid off that are posted

on the Human Resources Department's on-line job bulletin for which they qualify by submitting a timely application to the Talent Office in accordance with instructions in their notice of layoff and in accordance with the posting. If a laid off bargaining unit ESP employee applies for a BOARD-funded vacant bargaining unit ESP position and meets the minimum qualifications for the position as advertised including being highly qualified in accordance with BOARD Policy and state and federal regulations, the principal or unit head shall interview and give the laid off bargaining unit ESP consideration for appointment to the position on the same terms as other qualified applicants. In order to qualify for an interview, the laid off bargaining unit ESP employee must submit a timely application to the Talent Office and must demonstrate to the Talent Office in his or her application or resume that he/she meets the minimum qualifications of the position including, where applicable, being highly qualified for the position in accordance with applicable state and federal rules and regulations.

(2) Eligibility for Interim (Temporary) Assignment at another School or Unit to a Vacancy in the Laid Off Employee's Former Title. If a position in a laid off bargaining unit ESP employee's former job title at a School or Unit other than that from which the bargaining unit ESP employee was laid off remains vacant for a period of forty-five (45) calendar days after it was created or became vacant and no offer of employment to a candidate is pending the CEO or designee will offer to assign and, if the offer is accepted, assign a laid off bargaining unit ESP employee who is in the eligibility pool to the vacant bargaining

unit ESP position on an interim (temporary) basis provided the laid off bargaining unit ESP employee:

- a.** meets the minimum qualifications of the position, including, where applicable, being highly qualified for the position in accordance with applicable state and federal rules and regulations;
- b.** has a minimum efficiency rating of 70% in his or her previous position; and,
- c.** did not have disciplinary action pending at the time of his or her layoff; and,
- d.** has not received a disciplinary suspension in the ten (10) school months immediately preceding his or her layoff.

If there is more than one laid off bargaining unit ESP eligible for an interim assignment, the CEO or designee shall offer interim assignments to eligible and qualified laid off bargaining unit ESP employees in order of seniority. If a laid off bargaining unit ESP rejects an offer of an interim assignment, the laid off ESP employee will forfeit his or her place in the eligibility pool.
