Tue. May 7 at 5PM

(No exam day  
registrations)

*\*Contact [LMBurbach@cps.edu](mailto:LMBurbach@cps.edu) if you have a conflict with this date, religious or otherwise.*

### Who

Students currently enrolled in **8th Grade** taking an **Algebra 1** course at a **Non-CPS School** who plan to attend a CPS high school in fall 2024 must take the district-wide Algebra Exit Exam in order to be considered for placement into the next level math course in their freshman year.

### What

The 2024 Algebra Exit Exam is a 120-minute exam which consists of 40 questions covering a variety of algebra concepts. The exam is administered online.

### Registration Details

Counselors, parents, or guardians should complete this registration form for each student. The form includes:

- general information
- information about testing accommodations
- proof of enrollment in a current algebra course (e.g. progress report, letter on school letterhead); proof of enrollment must clearly state “**algebra**” as the completed/enrolled math course

### Before Testing

Students should bring a photo/student ID (photo copy is fine) and at least two pencils for scratch work.

### During Testing

There is **no waiting room for parents** available during testing.

### After Testing

Results will be mailed to the address provided on the registration form in **mid-July 2024**. Results will also be electronically transmitted to each student’s projected CPS high school.
