FROM THE DESK OF GUILLERMO (WILLY) MONTES DE OCA

Dear Friends:

The Office of Local School Council Relations has been designated by the Chicago Board of Education to coordinate all Local School Council Elections. We believe that Local School Councils (LSCs) are the very heart of school reform and the hard-working Councils have been the key factor in many of the positive changes taking place in our school system.

The mission of the Board of Education – as it relates to the Local School Council electoral process – is to uphold the letter and intent of the Reform Act. That important responsibility includes conducting fair citywide elections, providing consistent procedures that foster public trust, and promoting broad-based candidate and voter participation throughout the city.

This 2014 Guide to Local School Council Elections has been revised so that candidates and others may easily access any information needed that is related to the election process. We hope you will find it easy to understand and use.

Input and decision-making by LSCs have proven over and over again to be meaningful, important and far reaching.

We are most grateful for your participation and sincerely thank you for your efforts in helping us as we continue to always put Children First.

Sincerely,

[Signature]

PART I - PARENT/COMMUNITY ELECTION AND STAFF POLLS

BEFORE ELECTION DAY

Overview
Local School Councils consist of the Principal, six (6) parents, two (2) community residents, two (2) teachers, one (1) non-teacher staff member and one (1) student in high schools. Parent, community and school staff members serve a two-year term, beginning July 1 every even-numbered year and ending June 30 two years later. High school student members serve a one-year term, beginning July 1 and ending the following June 30.

An election for the parent and community representatives and a poll for the school staff representatives who will serve for the new LSC term are held every even-numbered year on Spring Report Card Pick-up Day (a poll for the student representative is held earlier in the spring). Parents and community members vote for parent and community representative candidates and school staff members vote for school staff representative candidates. The Board of Education conducts the elections and polls in consultation with Local School Councils. The Chief Executive Officer is authorized to establish rules and procedures for the election. The rules and procedures are contained in this Guide to Local School Council Elections. The Guide is available at schools conducting elections and the Office of LSC Relations and may be reproduced as needed.

Role of the LSC in the Election
During the election process, Local School Councils are encouraged to:

- Engage in outreach activities to promote wider parent and community member participation in the election of the parent and community representatives as either candidates or voters;

- Support Principals as they carry out their election-related duties;

- Plan and publicize the date, time, and place of a Candidate Forum, and the Election by ensuring that posters and other publicity materials are prominently displayed in the school and the school community;

- Develop a format and agenda for the Candidate Forum, including a ballot position lottery, and set rules for candidate presentations at the Forum allowing all candidates an equal opportunity to make their presentations at the Forum;

- Develop a plan for the systematic removal of campaign literature from the school community after the election.

By March 7, 2014, the LSC must meet to set the date of the Candidate Forum and the date of a meeting to certify the election results and to break parent and community
representative candidate vote total ties, if necessary, by lottery. The Candidate Forum must be held between March 17 and March 21, 2014 and the meeting to certify the election results and to break vote total ties must be held between April 8 and 8:00 p.m., April 23, 2014.

Note: The Board of Education will break ties among the teacher, non-teacher staff and high school student candidates.

Candidate Eligibility

All Candidates

Generally, candidates must be qualified to serve in the positions for which they seek office on the date that they file their nomination forms and must remain qualified through and after July 1, 2014. This means that the qualifications to be a candidate are the same as the qualifications for service on the LSC with the following exceptions:

1. CPS employees may run for election as a parent or community representative but will be automatically disqualified from taking office if they have not resigned from their CPS employment by June 30, 2014.

2. Parents of a child or children enrolled in a school's highest grade may run for election as a community representative but will be automatically disqualified from taking office if their child or children remain enrolled in the school as of June 30, 2014.

3. Parents of a child or children enrolled in a school's highest grade may run for election as a parent representative but will be automatically disqualified from taking office if their child or children is/are not enrolled in the school as of June 30, 2014.

All candidates must disclose convictions for any of the offenses listed in the Criminal Conviction Disclosure Form (Form 2-14).

Candidates who have been convicted of any of the following offenses are ineligible to serve: indecent solicitation of a child; sexual exploitation of a child; pandering; keeping a place of juvenile prostitution; pimping; juvenile pimping; exploitation of a child; child pornography; criminal sexual assault; aggravated criminal sexual assault; predatory criminal sexual assault of a child; criminal sexual abuse; aggravated criminal sexual abuse; compelling a person to become a prostitute; promoting juvenile prostitution; or aggravated child pornography.

Candidates who have been convicted of any of the following offenses within ten years of nomination or appointment are also ineligible to serve: controlled substance trafficking; criminal drug conspiracy; or street gang criminal drug conspiracy.

Please refer to the Criminal Conviction Disclosure Form (Form 2-14) for more information.
Candidates may not be a relative of the Principal. "Relative" means a person related to the Principal as spouse, domestic partner, partner to a civil union or as any of the following, whether by blood, marriage or adoption; parent, son, daughter, step-son, step-daughter, brother, sister, aunt, uncle, niece, nephew, grandparent, grandchild, father-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, step-father, step-mother, step-brother, step-sister, half-brother, half-sister, or first cousin.

Parent Representatives
Six (6) parent representatives are to be elected. Any number of candidates may be nominated as long as each candidate meets the eligibility requirements.

To be nominated and to serve as a parent representative, a person must:

- be the parent or legal guardian, as defined in Board Rule 6-28, of a child who is enrolled in and currently attending the school (once elected, a parent representative's LSC membership terminates automatically when his or her child graduates or when the parent voluntarily transfers the child from school);

- not be an employee of the Board of Education after June 30, 2014 ("employees" include, but are not limited to, all faculty, staff, career and civil service employees, bus attendants, school aides, social center aides and "paid volunteers").

Community Representatives
Two (2) community representatives are to be elected. Any number of candidates may be nominated as long as each candidate meets the eligibility requirements.

To be nominated and to serve as a community representative, a person must:

- reside in the school's attendance area or established voting district (for "multi-area" schools);

- Be eighteen (18) years of age or older;

- not be an employee of the Board of Education after June 30, 2014 ("employees" include, but are not limited to, all faculty, staff, career and civil service employees, bus attendants, school aides, social center aides and "paid volunteers"); and

- not be the parent or legal guardian, as defined in Board Rule 6-28, of a child enrolled in the school.

Important Note
Clarifying Board of Education Employment
The term "volunteer" is often used loosely throughout the school system. To be accurate, a volunteer is limited to someone who receives no payment for services and is reimbursed only for actual out-of-pocket expenses. Payment for any type of service would result in that volunteer being considered an employee and, therefore, ineligible to serve as an LSC member. The same is true of "service vendors," "purchase order contractors," and "consultants."
Teacher Representatives
Two (2) teacher representatives are to be appointed to the LSC by the Board of Education following a non-binding advisory staff poll. Any number of candidates may be nominated. Any person employed full-time by the Board of Education and assigned to the school in a teaching position (or in a position for which qualification as a teacher is required), and who works and performs the majority of his or her employment duties at the school may be nominated, including PAT/TAT teachers. **Assistant principals are not eligible for appointment as teacher representatives.**

Non-Teacher Staff Representative
One (1) member of the non-teacher staff is to be appointed to the LSC by the Board of Education following a non-binding advisory staff poll. Any number of candidates may be nominated. Any person employed full-time by the Board of Education and assigned to the school in a non-teacher position (or in a position for which qualification as a teacher is not required) and who works and performs the majority of his or her employment duties at the school may be nominated. **Assistant principals and other staff members in a position requiring teaching credentials are not eligible for appointment as the non-teacher staff representative.**

High School Student Representative
One (1) student is to be appointed to each high school LSC by the Board of Education following a non-binding advisory student poll. Any number of eligible students may be nominated as candidates for the advisory poll. A candidate must be a full-time student at the high school where he or she is nominated.

Nomination Procedures
To be eligible for election or appointment, all candidates must file a **fully completed** set of original nomination forms and must present the required identification. The candidate or a designated representative must file the forms in person. **No mailed, e-mailed or faxed forms will be accepted.** While nomination forms may be filed by a candidate's representative, the candidate must sign all forms as required and must provide the representative with the required forms of identification to present with the forms.

Candidates may obtain blank nomination forms from any Chicago public school conducting a local school council election, the Network Offices and the Office of LSC Relations located at 125 South Clark Street, 5th Floor. Forms may also be downloaded from the CPS website at [www.cps.edu](http://www.cps.edu). Forms are available upon request in Braille, Spanish and other languages. Blank forms may be reproduced as needed. For more information, call the Office of LSC Relations, (773) 553-1400 (voice) or (773) 553-3332 (TTY).

Candidates or their representatives must file the completed original nominations forms with the required identification with the Principal of the school where the candidate seeks election in person by **3:00 p.m. February 26, 2014** or by **3:00 p.m. on the last day of any extended candidate filing deadline.** The Office of LSC Relations will also accept
original nomination forms filed in person until 3:00 p.m. February 19, 2014 or 3:00 p.m. on the last day of any extended candidate filing deadline.

Complete nomination packets include:

- Form 1-14 Candidate Nomination Form
- Form 2-14 Criminal Conviction Disclosure Form
- Form 3-14 Telephone Number Disclosure Form
- Form 4-14 Candidate Statement Form (This form is optional)
- Form 5-14 Teacher or Non-Teacher Staff Candidate Information Form (Teacher and Non-Teacher staff candidates only)
- Form 6-14 Student Candidate Information Form (High school student candidates only)

The Principal shall receive all original nomination documents filed in person and may not refuse to accept any original nomination forms during the filing period. A photocopy of Form 1-14, the Candidate Nomination Form, or the perforated receipt at the bottom of the form stating the date and time when nomination forms were received, shall be issued to the candidate or representative filing original nomination forms. The Principal shall photocopy or record on Form 1-14 the two forms of identification submitted by or for candidates.

The period for filing nomination papers for all candidates begins November 18, 2013. No nomination forms will be accepted in the Office of LSC Relations after February 19, 2014. No mailed, e-mailed or faxed nomination forms will be accepted.

Candidates who have filed nomination papers may withdraw their candidacy for any reason by 3:00 p.m. on March 18, 2014, by filing a Withdrawal of LSC Candidacy Form (Form 7-14) with the Principal. If required by the Principal, a candidate shall submit a Withdrawal of LSC Candidacy Form bearing the candidate’s signature witnessed by a Notary Public by 3:00 p.m. on March 18, 2014.

**Identification Documentation**

All candidates must provide identification at the time of filing of their Candidate Nomination Forms to establish their eligibility to serve in the office to which they are seeking election or appointment. A failure to provide the required identification may result in a candidate being declared ineligible to run for election or appointment or to serve.

Community representative candidates must provide two (2) reliable forms of identification, one of which must bear a residential address within the attendance area or voting district of the school at which he or she is seeking election. (The forms of identification for community voters listed in the Voting for Parent and Community Representatives Section are acceptable forms of identification for community representative candidates.)
Parent representative candidates must provide two (2) reliable forms of identification, one of which must establish that they are the parent or legal guardian of a child enrolled in the school or such documentation must be present in the school’s records. \textit{(Excluding the forms of identification establishing that a voter has temporary custody of a student enrolled in the school, the forms of identification for parent voters listed in the Voting for Parent and Community Representatives Section are acceptable forms of identification for parent representative candidates.)}

Teacher and non-teacher staff representative candidates must present two (2) reliable forms of identification, one of which must bear the candidate’s CPS Employee I.D. Number.

\textbf{Candidate Statement}

The \textbf{Candidate Statement Form (Form 4-14)} is optional. The Statement allows candidates to briefly state their qualifications and goals as an LSC member if elected. The Candidate Statement may be completed in the candidate’s native language. If desired, candidates must arrange for the translation of their Statement into other languages. The Candidate Statement must be no more than one side of one (1) page 8.5 inches x 11 inches in size. Principals shall post the originals of all Candidate Statements as filed. The Candidate Statements shall remain posted in the school for public inspection until 3:00 p.m. on April 4, 2014.

\textbf{Publication of Candidates’ Names}

The Principal shall maintain an original (master) list of candidates, in the order of filing and by category of candidate (parent, community, teacher, non-teacher staff and high school student, if applicable) using \textbf{the List of Candidates for the Local School Council Form (Form 8-14)}. At the end of each day that there is a candidate filing, the Principal shall add the names of the new candidates to the master list, photocopy the updated list and sign and date the photocopy. The Principal shall post the updated photocopy by 10:00 a.m. of the following school day.

\textbf{By 12:00 p.m. (Noon) on February 28, 2014} or the first school day following the end of any extended candidate filing deadline, the Principal shall post a \textbf{List of Candidates For the Local School Council Form (Form 8-14) with the word "Final" added at the top of the Form.}

The Principal shall include a copy of Form 8-14 with Letter II, which is to be distributed to the parents and the school staff and posted in the school by \textbf{March 10, 2014}.

Schools may also facilitate the posting of the list of candidates in public places throughout the school community.

\textbf{Candidate Forums}

\textbf{After November 18, 2013, but no later than March 7, 2014,} the LSC must, by a vote in an open meeting, set the date and time of a Candidate Forum, to be held \textbf{between March 17, 2014 and March 21, 2014}, for the parent and community representative candidates.
If the LSC does not set the date or time of the Forum by March 7, the Principal shall do so. The date and time of the Forum shall be included in Letter II, which is to be distributed to parents and the school staff and posted in the school by March 10, 2014.

All parent and community representative candidates shall be notified in writing and by telephone of the date and time of the Forum at least seven (7) days before the Forum. All parent and community representative candidates shall be invited to make a presentation at the school’s Candidate Forum.

The Forum may also include the teacher and non-teacher staff representative candidates and, in high schools, the student representative candidates. If included in the Forum, those candidates must be afforded the same notice of the date and time of the Forum as the parent and community representative candidates. If not included in the parent and community representative forum, the Principal shall provide the teacher and non-teacher staff representative candidates at least one separate opportunity to address the staff and, if applicable, the high school student representative candidates at least one separate opportunity to address the students. If necessary, ballot position lotteries for the school staff and student representative candidates shall be conducted during such opportunities.

If the Board extends the candidate filing deadline beyond February 26, 2014 and additional candidates file to run in a school’s parent/community election or staff poll after the extension, the school shall provide those candidates notice of the date and time of the Candidate Forum in writing and by telephone call at least seven (7) days in advance if the date of the Forum is more than seven (7) days after the extended filing deadline. If the date of the Candidate Forum is seven (7) or fewer days after the extended candidate filing deadline, the school shall provide the candidates notice of the date and time of the Forum by telephone call at least two (2) school days before the Forum.

Under the 1990 Americans with Disabilities Act (ADA), the Candidate Forum must be held in a location accessible to persons with disabilities, even if it is necessary to hold the forum in a location other than the school. Minimal accessibility includes a location without even a single step at the entrance and no steps to the site where the forum takes place unless there is also a ramp, lift or elevator to provide access. There should be a clear path of travel from the entrance to the forum area at least 32” wide and free of any obstacles. If possible, there should be a restroom with a wheelchair accessible stall, again with a clear path of travel from the entrance and forum site.

The LSC shall develop and post a notice and agenda for the Forum. The agenda shall allow all candidates equal time to present their qualifications and goals and shall include the Ballot Position Lottery. If the LSC fails to do so, the Principal shall develop and post the notice and agenda for the Forum. The notice and agenda shall be posted at least forty-eight (48) hours before the Forum. Letter II, to be distributed on March 10, 2014, shall include the date and time of the Candidate Forum.

The agenda for the Candidate Forum shall state that any person requiring a sign language interpreter or other accommodations must submit their request to the school.
by 12:00 p.m. (Noon) on the day before the Forum. The agenda shall also state whether the location for the Forum is wheelchair accessible.

The Principal shall distribute six (6) Pollwatcher Credential Forms (Form 15-14) to each candidate attending the Forum.

**Ballot Position Lottery**

At the Candidate Forum, the LSC shall conduct a public lottery to determine the randomly selected ballot position for each candidate. **Other methods of determining ballot order, such as alphabetical listing or order of filing are not permitted.** Should the LSC fail to hold a ballot position lottery complying with these rules, the Principal shall ensure that the lottery is conducted at the Forum.

The ballot position lottery shall be conducted in the following manner:

- The ballot position numbers assigned to the candidates must correspond to the official parent/community and teacher/non-teacher staff candidate ballots:
  - Parent candidates must be assigned numbers 1 through 25.
  - Community candidates must be assigned numbers 26 through 50.
  - Teacher candidates must be assigned numbers 51 through 75.
  - Non-Teacher staff candidates must be assigned numbers 76 through 100.

- A separate lottery shall be conducted for each category of candidate (parent, community, teacher, non-teacher staff and student, if applicable).

- The names of every candidate in every category shall be written on separate slips of paper of uniform size and color.

- The slips of paper with the names of the parent candidates shall be folded in a uniform fashion and placed in a large bowl or other receptacle. Someone other than the Principal, a candidate, or a known supporter of a candidate shall be chosen to draw the names. The person selected to draw the names shall reach into the bowl or receptacle and vigorously stir the folded slips of paper bearing parent candidate names. Averting his or her eyes, the person shall draw one folded slip of paper, open it, and announce the name. The name shall then be written on a blackboard, flip chart, poster board, or something large enough for the public present to view. The first parent candidate name drawn shall be placed on line 1, the second parent candidate name drawn shall be placed on line 2 and the third parent candidate name drawn shall be placed on line 3, etc. Continue to draw parent candidates' names and assign ballot positions in the same manner until all are drawn.
• The ballot position lottery for the community candidates shall proceed in the same manner. The first community candidate’s name drawn shall be placed on line 26, the second name drawn shall be placed on line 27 and the third name drawn shall be placed on line 28, etc. Continue to draw community candidates’ names and assign ballot position numbers until all are drawn.

• The ballot position lotteries for teacher, non-teacher staff and high school student candidates (if necessary) may also be conducted at the Candidate Forum and shall be conducted in the same manner. Alternatively, those ballot position lotteries may conducted as follows:
  
  o For teacher and non-teacher staff candidates, the lotteries may be conducted at an open staff meeting during the school day at which the candidates are to be given an equal opportunity to address the staff.

  o For high school student candidates, the lottery may be conducted at a school assembly (or similar student gathering) at which the candidates are to be given an equal opportunity to address the students.

Posting of Specimen Ballots

By 12:00 p.m. (Noon) on March 24, 2014, the Principal shall post outside the school office, for public and candidate inspection, one copy of the Parent/Community Candidate SPECIMEN Ballot and one copy of the Teacher/Non-Teacher Staff Candidate SPECIMEN Ballot, with the word “SPECIMEN” appearing at the bottom.

The Principal shall notify all parent and community representative candidates by letter or telephone call and all school staff representative candidates in person or by leaving a message in their school mailboxes that the Specimen Candidate Ballots will be posted for inspection at 12:00 p.m. (Noon) on March 24, 2014. It is incumbent upon all candidates to inspect the ballot(s) prior to 3:00 p.m. on March 28, 2014, to ensure that their names are: (a) included; (b) spelled correctly; (c) in lottery order; and (d) in the correct candidate category. Candidates must notify the Principal of any errors in the Specimen Ballots by 3:00 p.m. on March 28, 2014.

If necessary, due to errors in the original Specimen Ballot(s) or the disqualification of a candidate or candidates based on a pre-election challenge, Principals shall post revised Specimen Candidate Ballot(s) by 9:00 a.m. on March 31, 2014. Candidates shall inspect the revised Specimen Ballot(s) and inform the principal of errors by 3:00 p.m. on April 2, 2014. The Principal shall correct any errors in the Specimen Ballot(s) and post the final Specimen Ballot(s) by 12:00 p.m. (Noon) on April 4, 2014. The Principal shall also print and secure the official ballot(s) by 3:00 p.m. on April 4, 2014.

Important Note
Candidates whose eligibility has been challenged are to be included in Specimen Ballots and allowed to speak at the Candidate Forum. If a candidate is ruled ineligible, his or her name will not be printed on the Official Candidate Ballot but a blank space next to the ineligible candidate’s ballot position number will remain. This will allow other candidates to retain their assigned ballot position.
Candidate Literature Distribution Day

Monday, March 31, 2014, is the date for the distribution of campaign literature through the school for all parent and community representative candidates or groups of candidates and for all teacher and non-teacher staff representative candidates.

For parent and community representative candidates' campaign literature to be distributed:

- Candidates must deliver their campaign literature to the school by 3:00 p.m. on March 26, 2014. Late deliveries will not be accepted. No exceptions;

- The literature must be limited to a single 8-1/2 inch by 11 inch page (printed on one or both sides);

- The literature must be divided into stacks of 35 or fewer or in stacks as directed by the school for distribution to classrooms*.

*Candidates may obtain information about total student enrollment from the school.

For teacher and non-teacher staff representative candidates' literature to be distributed in the staff's mailboxes:

- Candidates must deliver their campaign literature to the Principal by 12:00 p.m. (Noon) on March 26, 2014. Late deliveries will not be accepted. No exceptions;

- The literature must be limited to a single 8-1/2 inch by 11 inch page (printed on one or both sides).

All candidates must produce or reproduce campaign literature at their own expense. As more fully described below, no school resources may be used to produce or reproduce campaign literature.

Use of School Resources

Illinois law prohibits the use of school resources to endorse, promote or support any candidate or group (slate) of candidates. School resources include both human and material resources, such as staff services during working hours, copying facilities, paper or supplies, space for meetings and use of CPS telephone, computer and e-mail systems.

Staff members who either use, or allow the use of, school resources to support candidates are put on notice that they are subject to disciplinary action.

Campaign Contribution Disclosure Requirement

The law requires a candidate or slate of candidates receiving a campaign contribution that exceeds $1,000.00 (one thousand dollars) from any person or group to file an initial D-1 Statement of Organization form no later than thirty (30) days after receiving the
contribution with the Cook County Clerk's Office or the State Board of Elections disclosing said contribution. Call (312) 603-4743 for further information.

**Election Judges**

Persons who wish to serve as judges for the LSC election may apply between November 18, 2013 and March 7, 2014. All applicants must complete an Application for Judge of Election (Form 18-14), an IRS W-9 Form and W-9 Contact Form. **Note: The name and address information on all forms must match.** The forms will be available at schools conducting an election, Network Offices, and the Office of LSC Relations. To serve as an election judge, applicants must be verified by the IRS.

Applicants must complete all sections of the application form and must answer all questions asked on the form, including the names of the school(s) where the applicant prefers to serve, the applicant's previous experience and bilingual proficiency (if any), and whether the applicant is an LSC candidate or related to the principal or an LSC candidate at the school where the applicant is applying or prefers to serve.

The applicant must file the Application for Judge of Election (only) at a school, a Network Office or the Office of LSC Relations. The applicant must also file the IRS W-9 Form and the W-9 Contact Form with the Office of School Financial Services by fax to (773)553-2704 or mail (to School Financial Services, 125 S. Clark Street, 14th Floor, Chicago, Illinois 60603). Applicants may request that the school, Network Office, or the Office of LSC Relations fax their IRS W-9 Form and W-9 Contact Form to School Financial Services at (773)553-2704. **Note: The original IRS W-9 Form and W-9 Contact Form are to be returned to the applicant.** (See "Eligibility to Serve as a Judge" Section for additional information about the application process).

No later than 24 hours after receipt of a judge application, the Principal shall enter the applicant's information on the CPS main computer system using the LSC Dashboard at https://secure2.cps.k12.il.us/LSC, "Election Update," "Add Judge". After entering the applicant's information, the Principal shall make a copy of the application for the school, fax the application to the Office of LSC Relations (to 773/553-1402) and forward the original application to the Office of LSC Relations, 125 South Clark Street, 5th Floor, via the mailrun (GSR 125).

Between November 18, 2013 and March 7, 2014, the Principal must send all original judge applications received at the school to the Office of LSC Relations (GSR 125) on an on-going basis. After March 7, 2014, the Principal should check with the Office of LSC Relations to ascertain whether applications should still be accepted.

The number of judges assigned to a particular school will be based on the availability of judges, student enrollment, number of candidates, and anticipated voter turnout.

Principals shall ensure that the individual election judges assigned to their school have been verified and registered with CPS. Prior to allowing a person to serve as a judge, the Principal must confirm that the person has been added to the IAMS database by
the Office of School Financial Services and has a vendor number. **Note: judges cannot serve or be paid unless they have a vendor number.**

If the person’s name is in IAMS, the person has been approved as vendor and can be paid for serving as a judge. If the person’s name is not in IAMS, the person has not been approved as a vendor, cannot be paid for serving as a judge and must not be allowed to serve as a judge. Principals shall record the judge’s name and vendor number on the **Judge of Election Payroll Sheet (Form 20-14).** Upon the completion of all required tasks and duties on LSC Election Day, judges will receive compensation for their services, including their attendance of a mandatory training session.

**Eligibility to Serve as a Judge:**
To be eligible to serve as judges, applicants:

- must be 18 years of age or older (except Chicago Public School high school students, who may serve as election judges at high schools they do not attend);

- must submit an **IRS W-9 Form and W-9 Contact Form** to School Financial Services and have their eligibility to work validated by the Internal Revenue Service;

- must be able to speak, read, and write English, be skilled in basic mathematics, and be generally competent;

- cannot be candidates for the Local School Council at the school where they serve as judges;

- cannot be immediate family members (spouse, domestic partner, partner to a civil union, parents, children, grandparents, and grandchildren) of LSC candidates or the Principal (or of persons residing in the same household as LSC candidates or the Principal) at the school where they serve;

- must attend a training session.

**Note: Board of Education employees may serve as judges with the approval of their direct supervisor at a school where they are not employed. However, they cannot receive compensation for serving as judges.**

**Judge Training**
All judge applicants who are verified by the IRS must attend a mandatory training session in order to serve as judges. All verified applicants will receive information concerning the mandatory training by mail. Applicants who fail to attend the mandatory training may not serve as judges. Any applicant who serves as a judge without having attended the mandatory training will not be paid. All applicants who complete the mandatory training will receive a receipt for attending the training that must be presented to the Principal at the beginning of the Election Day. Any applicant who does not present a training receipt to the Principal will not be allowed to serve as a judge and will not be paid.
Criteria for Selection and Assignment of Judges
The ideal panel of election judges should include:

- Judges who are bilingual in English and the home language of any substantial number of the school's parents and community residents.
- Judges who have experience with previous LSC elections or regular elections.
- Judges who are non-partisan and are trained in detecting vote fraud.
- Judges who reflect the racial and ethnic makeup of the student body.
- Judges who are familiar with the boundaries and streets around the school and who live close enough to arrive at the school by 5:30 a.m. on the morning of the election.

Judge Placement
Judge Placement Officers in the Office of LSC Relations will screen and assign validated judge applicants. Screening will ensure that judges meet eligibility requirements and criteria. All judge applicants recruited by a school may not be assigned to the recruiting school. Judges will be assigned to schools where and as needed. The names and addresses of the judge applicants assigned to schools will be entered in the CPS main computer system and will be accessible using the LSC Dashboard at https://secure2.cps.k12.il.us/LSC, Election Update, Judge Assignment. Applicants will be informed by mail of their election day assignment.

Judges' Duties
Judges will be responsible for conducting the parent and community representative election and the non-binding advisory staff poll at the school to which they are assigned. Judges will arrive at 5:30 a.m. to set up the polling place to open by 6:00 a.m. Judges will decide questions of voter eligibility and perform all other required election procedures described in detail in the Judge of Election Manual, including the counting and recording of votes for the parent, community and staff representative candidates. They will have the authority to arbitrate and adjudicate election disputes in the polling place. They are encouraged to address questions to any Election Monitor present or to Election Central at (773) 553-1400. The decision of the Election Monitor or Election Central shall be final.
ELECTION DAY

Voting for Parent and Community Representatives

The following individuals are eligible to vote in a school's election for parent and community representatives:

- Parents, legal guardians and temporary custodians of students enrolled in the school;
- Persons at least 18 years old who reside within the school's attendance area or voting district.

Each eligible voter in the election for parent and community representatives shall be entitled to cast one (1) ballot and one (1) vote per candidate for up to, but no more than, any five (5) candidates in the election.

Casting more than five (5) valid votes will SPOIL the voter's ballot, while casting fewer than five (5) valid votes will not. Voters may cast only one (1) ballot for parent/community representatives at each school at which they are eligible to vote.

To vote, voters must be present at the school and vote in person. There will be no absentee voting and no one may give his or her votes to a substitute or proxy. For example, a wife cannot vote twice, once for herself and once for her husband.

In the event that a person with a disability who is eligible to vote cannot enter a school, election judges must provide a ballot at curbside. Additionally, any voter with a disability who requests assistance in voting shall be assisted by a judge or person of his or her choice after the voter and person assisting the voter to vote complete and sign an Affidavit of Assisted Voting (Form 13-14). No person who is otherwise eligible will be denied the opportunity to vote on the basis of a disability.

Board of Education employees may vote in the parent and community representative election at any school their children attend and any school in whose attendance area or voting district they reside.

Required Identification for Voters in the Parent/Community Election

To establish their eligibility to vote in a school's parent/community election, all voters must present at least two (2) current (unexpired) forms of identification which are determined to be reliable by the election judges.

Community Voters

Community voters must present at least one (1) form of identification which bears the voter's current residential address within the school's attendance area or voting district (for "multi-area" schools) and which may be from the list below. The second form of identification may also be from the list below or any other identification determined to be reliable by the election judges.
Examples of Acceptable Forms of Identification

- Driver's License
- State of Illinois ID
- Voter Registration Card
- MediPlan/Medicaid Card
- IDPA Card
- Permanent Resident Card
- Matrícula Consular
- Student ID
- Public Library Card
- Other Governmental Agency I.D.
- Current Lease
- Current Utility Bill
- Credit or Debit Card
- Employment ID
- Court Documents

If a community voter does not provide the required identification and insists on voting, the voter shall be allowed to vote after completing an Affidavit of Challenged Voter (Form 14-14) pursuant to the Challenged Voter Procedure, as described in the Judge of Election Manual.

Parent Voters

Parent voters must present at least one (1) form of identification or documentation which establishes that the voter is the parent, legal guardian or temporary custodian of a child enrolled in the school and which must be from the list below.

The second form of identification may be from the list of "Examples of Acceptable Forms of Identification" above, from the list below or any other identification determined to be reliable by the election judges.

The forms of identification or documentation that the parent must present to establish that he or she is the parent, legal guardian or temporary custodian of a child enrolled at the school are:

- Student's Report Card
- Student's Birth Certificate naming the voter as a parent
- Court Documents naming the voter as the Legal Guardian
- Illinois State Board of Education Affidavit of Enrollment and Residency previously filed with the school naming the voter as temporary custodian of a child enrolled in the school
- Letter from a parent or legal guardian previously filed with the school naming the voter as Temporary Custodian of a child enrolled in the school
- Tax Return for the voter identifying the student as a dependent
- Other Legal Documents or Records determined to be reliable by the judges
If the voter does not present a form of identification or documentation establishing that he or she is the parent, legal guardian or temporary custodian of a child enrolled in the school, the election judges shall examine the Student "Alpha List." If the Alpha List contains the voter's name, the judges shall allow the voter to vote as a parent.

If the Student "Alpha List" does not contain the voter's name, the election judges shall, if feasible, request that the Principal or a designee verify that the voter is the parent, legal guardian or temporary custodian of a child enrolled in the school. If it is not feasible for the election judges to request such verification, the voter may do so. Upon verification of the voter's status by the Principal or a designee, the election judges shall allow the voter to vote as a parent.

If a parent voter does not present identification or documentation to establish that he or she is the parent, legal guardian or temporary custodian of child enrolled in the school and the voter’s name does not appear in the Student Alpha List and the Principal or a designee does not verify the voter’s status as a parent, legal guardian or temporary custodian of a child enrolled in the school, the judges shall allow the voter to vote as:

- a community member if the voter presents two (2) reliable forms of identification and at least one (1) bears a residential address within the school's attendance area or voting district (for "multi-area" schools);

or

- a Challenged Voter pursuant to the Challenged Voter Procedure, as described in the Judge of Election Manual.

Teacher/Non-Teacher Staff Non-Binding Advisory Poll

The teacher and non-teacher staff representative candidates run in a Non-Binding Advisory Preference Poll of the school staff conducted on the same day and in the same location as the election for the parent and community representatives. The poll is a non-binding advisory preference poll because the Illinois School Code authorizes the Board of Education to appoint the teacher and non-teacher staff representatives of the local school council and to exercise "absolute discretion" in the appointment process. In exercising its absolute discretion in the appointment process, the Board may consider, but is not bound by, the results of the staff poll. The Board may also consider other factors, including, but not limited to: professional development, membership in professional organizations, and other similar experiences.

In the Staff Non-Binding Advisory Poll, each member of the school staff is entitled to indicate his or her preference for up to, but no more than, two (2) candidates from among both the teacher and non-teacher staff candidates on the ballot. Casting more than two (2) valid votes on the ballot will SPOIL the ballot, while casting one (1) valid vote will not. Voters may cast only one (1) ballot for the teacher and non-teacher staff representatives.
"School staff" means all certificated and uncertificated school personnel, including all classroom teachers, administrative staff (other than the principal) all custodial, food service and other civil service employees, who are full-time employees of the Board of Education assigned to perform the majority of their employment duties at one attendance center served by the same local school council.

If a school staff member is not a full-time CPS employee or does not perform a majority of his or her duties at a particular school, he or she is not entitled to vote at the school. (The principal is not entitled to vote in the staff poll and shall not in any way influence the outcome of the poll.)

Examples:

- Full-time food service and custodial personnel are eligible to vote. Any personnel that work only part-time are not.

- A teacher or other full-time Board employee who works at a school more than fifty percent (50%) of their scheduled time is eligible to vote.

- A teacher, or other full-time Board employee who works 5 days a week for the system and works at a particular school two and a half (2.5) days or less per week is not eligible to vote at the school.

Inasmuch as the School Code defines "school staff" as personnel employed and assigned to perform the majority of their duties at one attendance center, there will be instances in which full-time Board employees are not entitled to vote in the Staff Non-Binding Advisory Poll of any school at which they work. In no case should a Board employee be entitled to vote in the Staff Non-Binding Advisory Poll at more than one school.

Persons employed by third party vendors who work in the school may not vote in the Teacher/Non-Teacher Staff Non-binding Advisory Poll.

Neither proxy nor absentee voting is permitted.

All school staff members who are eligible to vote in the non-binding polls shall be included on a list prepared by the Principal for use by the election judges. This list shall be comprehensive and include all full-time employees who perform the majority of their duties at the attendance center, including TAT and PAT teachers. The list should include faculty, staff, career/civil service employees, custodial personnel and food service personnel who are employed full-time by CPS at the school. The Principal shall post the school staff list no later than 12:00 p.m. (Noon) on March 19, 2014. Staff must bring any errors in the list of staff eligible to vote to the Principal's attention by 3:00 p.m., April 2, 2014.
If persons present themselves to vote in the Teacher/Non-Teacher Staff Non-binding Advisory Poll whose names do not appear on the staff list, the election judges shall consult the Principal.

**High School Student Non-Binding Advisory Poll**

High school students enrolled full-time may indicate their preferences for student representative candidates by participating in the Student Non-Binding Advisory Poll. To be eligible to vote, a high school student must present a student ID. The Student Non-Binding Advisory Poll shall be conducted between March 31, 2014 and April 4, 2014. Neither proxy nor absentee voting is permitted. The Principal shall allow student pollwatchers designated by the student representative candidates to observe the counting and recording of votes in the Student Poll.

The results of the Student Poll shall be entered in the CPS main computer after the polls close on April 7, 2014 using the LSC Dashboard at https://secure2.cps.k12.il.us/LSC, "Election Update," "Candidate Vote Totals".

The Illinois School Code authorizes the Board to exercise “absolute discretion” in the appointment of high school student representatives. In exercising its absolute discretion, the Board shall consider, but is not bound by, the results of the student poll. The Board may also consider other factors, including, but not limited to, school service, community service, and similar experience.

**Pollwatchers**

Pollwatchers play a critical role as part of the checks and balances which assure that every voter’s vote is counted and recorded properly.

Each parent, community and staff candidate is entitled to receive six (6) Pollwatcher Credential Forms (Form 15-14). Principals shall distribute Pollwatcher Credentials to all candidates attending a Candidate Forum at the Forum. All other candidates shall be entitled to receive their Pollwatcher Credentials prior to, or on, LSC Election Day.

Civic not-for-profit organizations with an interest in the LSC elections shall be issued Pollwatcher Credentials by the Office of LSC Relations, 125 South Clark Street, 5th Floor, Chicago, Illinois  60603. To qualify, an organization requesting credentials must provide proof of 501(c)(3) status. A community organization is entitled to one (1) credential for every school within the area it covers. Citywide organizations are entitled to one (1) credential for every school holding an LSC election.

Each candidate or qualified civic organization is entitled to one pollwatcher in the polling place at any given time. The pollwatcher may be either the candidate or his or her designee. Pollwatchers are authorized to observe the election process upon surrendering an official, signed credential to the election judges on Election Day. Other than voters and judges, only credentialed pollwatchers may be present in the polling place on Election Day. This applies to all political organization workers, all Local School Council members, all candidates and all supporters of candidates.
After surrendering a signed credential to the election judges, pollwatchers may: (a) be present before the polls open as the polling place is being set up; (b) enter and leave the polling place at any time; and (c) observe the closing of the polling place, the counting of the votes and the recording of the election results.

Pollwatchers have the right to observe the process of identification of qualified voters, challenge a voter’s right to vote (See Special Voter Qualification Problems in the Judge of Election Manual), inspect each voting station when not in use, and be present and close enough to observe all counting and recording processes. They may not, however, interfere with voters in the voting process, with judges in the voter qualification process or handle any election materials.

**Electioneering**

Electioneering is attempting to persuade voters in an election through verbal or nonverbal means to vote for or against a particular candidate or group (slate) of candidates. Nonverbal means of electioneering include displaying or distributing items bearing:

- names or images of candidates; and/or
- statements of, or information on, the qualifications or positions of candidates; and/or
- information on how to cast a vote for a candidate or candidates.

**All forms of electioneering are prohibited in school buildings on Election Day.** To comply with this prohibition, Principals shall take down all Candidate Statements and any election materials posted in the school by **3:00 p.m., on April 4, 2014**. Principals shall also inform all school staff that they may not discuss any candidates during the report card pickup process.

Electioneering is also prohibited within fifty (50) feet of any entrance used by the public on Election Day to enter the school building in which the polling place is located. School security personnel shall be utilized to assist in the enforcement of the prohibition. Supervisory security personnel and Chicago Police Department officers shall be deployed as needed.

Receipt of Candidate Nomination Forms
From November 18, 2013 through February 26, 2014, or any extended candidate filing deadline, the Principal shall make blank candidate nominations forms available in the main office and shall receive all original nomination forms filed in person during the original and any extended candidate filing period and may not refuse to accept any original nomination forms filed during the original or any extended filing period.

The Principal shall photocopy and attach to, or record on, the Candidate Nomination Form (Form 1-14), the two (2) forms of identification submitted by or for candidates. The principal shall issue a photocopy of Form 1-14 or the perforated receipt at the bottom of the form reflecting the date and time when nomination forms were received to the candidate or representative filing original nomination forms.

If any of the nomination forms are incomplete or the candidate does not submit the required identification, the Principal must immediately contact the Office of LSC Relations. Upon the request of the Principal, the Office of LSC Relations will review nomination forms which are incomplete and will determine the candidate's eligibility to be a candidate for election or appointment to the school's LSC. The Office of LSC Relations may authorize the Principal to contact the candidate to provide an opportunity to supplement incomplete filings. In such cases, the candidates will have until the deadline for filing nomination forms to supplement incomplete filings. Any candidates failing to supplement incomplete forms by the filing deadline may be ruled ineligible by the Office of LSC Relations to be candidates in the election.

Alternatively, the Principal may challenge the candidacy of any candidate whose nomination forms or forms of identification are incomplete on the last day of filing pursuant to the Pre-election Challenge procedures.

A failure to bring deficiencies in the candidate nomination forms or forms of identification to the attention of the Office of LSC Relations or to file a Pre-election Challenge based on the deficiencies shall constitute a waiver of such deficiencies and any candidate whose forms or identification are deficient shall be included in the official election ballot.

Computer Entry of Candidates' Information
The Principal shall ensure that candidate information is correctly entered on the CPS main computer system using the LSC Dashboard at https://secure2.cps.k12.il.us/LSC, 'Election Update,' "Candidate," "Add New Candidate".

Principals shall maintain and update an original Form 8-14 at the end of every day that a candidate or representative files nomination forms at the school. The candidates shall be listed on the original Form 8-14 in the order in which they file their nominations forms. A photocopy of the updated Form 8-14 shall be signed, dated and posted by 10:00 a.m. of the following school day.

PART III - THE ROLE OF THE LSC AFTER THE ELECTION

LSC Meeting to Certify Election Results and Break Candidate Ties

Certification of Parent/Community Election and Staff Poll Results
The Illinois School Code requires the Local School Council to certify the election results determined by the election judges on Election Day and to publish the results in the LSC's meeting minutes. The meeting to certify the election results and to break vote total ties shall be held between April 8 and 8:00 p.m., April 23, 2014. The LSC shall set the date of the meeting between November 18, 2013 and March 7, 2014. The LSC shall provide notice of the meeting to the public pursuant to the Open Meetings Act. Under the Americans with Disabilities Act of 1990 (ADA), all LSC meetings must be held in locations accessible to persons with disabilities.

Breaking of Ties
At the meeting to certify the election results, the incumbent LSC shall also break any ties for the sixth parent representative position or the second community representative position by lottery. (The Board of Education will break any ties between teacher, non-teacher staff and high school student representative candidates.)

The Principal shall notify all tied candidates of the date, time and place of the tie-breaking lottery in writing and by telephone call not later than seven (7) days before the meeting. If the Principals fails to notify all tied candidates of the date, time and place of the tie-breaking lottery, the lottery shall be rescheduled, with appropriate notice to the public and tied candidates.

The tie-breaking lottery shall be conducted in the following manner:

- The names of all tied parent representative candidates shall be written on slips of paper of uniform size and color, which are to be folded in a uniform fashion.
- The slips of paper with the tied parent candidates' names shall be placed in a large, clear bowl or receptacle.
- Someone other than the Principal, the tied candidates, or a known supporter of a candidate should be chosen to draw one of the slips of paper.
- The person chosen should reach into the bowl or receptacle and vigorously stir the folded slips of paper.
- Averting his or her eyes, the person should draw out one folded slip of paper from the bowl or receptacle, open it, and announce the name.
• Thereafter, the lottery for the tied community representative candidates shall be conducted in the same manner.

After the meeting, the Principal and LSC Chair/Vice-Chair shall complete and sign the Certification of Election Results by Local School Council Form (Form 28-14). The LSC’s certification of the election results does not certify the correctness of the results; only that they were the results declared by the election judges. Any post-election challenges which may be filed do not affect the certification.

**Annual Organizational Meeting - First Meeting of New LSC**

**Between July 1 and 14, 2014,** all newly-constituted LSCs must conduct an annual organizational meeting at the school at which they serve. The outgoing LSC may set the date and time of the meeting by voting in an open meeting prior to June 30, 2014. Alternatively, prior to the end of his or her term on June 30, the outgoing chairperson may set the date and time of the meeting by calling it as a special meeting. Alternatively, either before or after June 30, any four members, including the principal, may set the date and time of the meeting by calling it as a special meeting.

At the organizational meeting, the LSC is required to select a Chairperson (must be a parent member) and a Secretary (may be any member) and to set a regular meeting schedule for the coming school year. **After the regular meeting schedule is set, it must be posted at the school in a location accessible to the public.**

Under the Open Meetings Act, notice of the meeting and the agenda must be posted at the school at least 48 hours before the meeting. If called as a special meeting by the outgoing chairperson or by four members, all other LSC members must also be given written notice of the time, place and purpose of the meeting prior to the meeting.

All votes must take place in the open; secret ballots are prohibited.

**Filling LSC Vacancies**

If, as of July 1, vacancies exist in any parent or community representative positions and no post-election challenges to any parent or community candidates remain unresolved, the newly-constituted LSC may select eligible persons to fill the vacancies. Any teacher, non-teacher staff or student vacancies are to be filled by the Board of Education after considering the preferences of the school staff or students as ascertained through non-binding advisory polls.

A Candidate Nomination Form, Criminal Conviction Form, Statement of Economic Interests, and Telephone Number Disclosure Form shall be required of all persons considered for a vacancy.

All parent and community appointments to fill vacancies shall be made by majority vote of the members then serving on the LSC. Appointment shall be made at public meetings with appropriate notice under the Open Meetings Act.

Newly-elected LSC members are entitled to receive copies of the following documents from the Principal:

- The School's current Continuous Improvement Work Plan;

Clark, 7th floor, and directed to the attention of "Deputy General Counsel, School Law Unit" no later than 5:00 p.m. on March 5, 2014. Challenges must be filed in person or by facsimile directed to (773) 553-1769. If filed by facsimile, the challenger must retain a fax receipt. The form for the challenges to candidates' eligibility (Pre-Election Challenge) will be available at every school, Network Office, and the Office of LSC Relations, 125 South Clark Street, 5th Floor, and on the CPS website at cps.edu.

Any person is entitled to file a Pre-Election Challenge. However, no Pre-Election Challenge Petition will be favorably considered unless the challenger states specific facts, which, if true, demonstrate that the candidate challenged is not legally eligible to serve in the office he or she seeks and/or at the school at which he or seeks to serve.

The Law Department will review all challenges to determine whether a challenge requires a hearing or shall be determined without a hearing. Board-appointed Independent Hearing Officers, with the assistance of the Law Department, will hold hearings on referred petitions. The Chief Executive Officer or designee shall consider the recommendation of the Hearing Officer in making a final written decision.

Candidates whose eligibility has not been challenged within the filing period for a Pre-Election Challenge will be presumed eligible. Their names will be printed on the official Candidate Ballot.

Hearing Procedures
After the filing of a Pre-Election Challenge Petition, if the Law Department determines that a hearing is warranted, it shall notify the challenged candidate. Notification to the challenged candidate shall include a copy of the Pre-Election Challenge Petition, any evidence which was attached to the petition and notification of the date, time and place of the hearing on the petition. A similar notification shall be forwarded to the challenger.

The failure of a challenged candidate or any challenger to appear or make arrangements for an alternate hearing date with the Deputy General Counsel, School Law Unit, Law Department (773-553-1700) may result in the hearing proceeding in their absence and a waiver of the right to be heard. If no challenger appears for a hearing, the Hearing Officer may dismiss the petition.

The appointed Hearing Officers are responsible for conducting hearings and issuing a recommended decision to the Chief Executive Officer or designee. The decision of the Chief Executive Officer or designee is final.

All hearings for pre-election challenges to candidate eligibility will begin March 17, 2014 and conclude March 25, 2014.
The Chief Executive Officer's or designee's decision shall be issued by 5:00 p.m. on March 28, 2014.

Remedies

When the pre-election challenge proceedings are over, the Chief Executive Officer or designee shall order appropriate remedies for any deficiencies proved, including, but not limited to, the declaration that the particular Local School Council candidate is ineligible to be a candidate for the office to which, or at the school at which, he or she seeks election and that his or her name shall not appear on the Candidate Ballot.

Examples:

• If a candidate has filed for an office for which he or she is ineligible but is eligible for election to another office, the Chief Executive Officer or designee shall order the appearance of the candidate's name on the Candidate Ballot as a candidate for the office for which he or she is eligible, if the candidate consents.

• If a candidate has filed for an office at a school at which he or she is ineligible to be a candidate but is eligible at a different school, the Chief Executive Officer or designee shall order the nomination papers corrected and delivered to the school at which the candidate is eligible and order the appearance of that candidate's name on the Candidate Ballot of the school at which he or she is eligible, if the candidate consents.

Challenge Petition, the Chief Executive Officer or designee shall issue a written decision on the Petition. PART V - POST-ELECTION CHALLENGES

Overview
Challenges to the election results (post-election challenges) must be filed in the Law Department, 125 S. Clark, 7th floor, and directed to the attention of "Deputy General Counsel, School Law Unit" no later than 5:00 p.m. on April 16, 2014. Challenges must be filed in person or by telephone facsimile directed to (773) 553-1769. The challenger must request and retain a fax receipt. Post-Election Challenge Petition Forms (17-12) will be available at every Network Office and at the Office of LSC Relations located at the Central Service Center, 125 South Clark Street, 5th Floor, Chicago, Illinois 60603.

A separate form must be filed for each candidate, election or poll challenged. At least five (5) persons who were eligible to vote for the candidate or in the election or poll being challenged must sign a Post-Election Challenge Petition. No challenge shall be considered unless the challengers state specific facts in writing, which, if true, would change which candidates were elected in the parent/community election, or the number of votes received by the candidates in the non-binding advisory staff poll or would warrant the invalidation of the results of the election or poll in their entirety.

Only school staff eligible to vote in the poll may challenge the results of a Teacher/Non-Teacher Staff Non-Binding Poll. Only persons eligible to vote in the Parent/Community election may challenge the Parent/Community election. Only high school students eligible to vote in the poll may challenge the results of a Student Non-Binding Poll.

The Law Department will review all challenges to determine whether a challenge requires a hearing or shall be determined without a hearing. Board-appointed independent Hearing Officers, with the assistance of the Law Department, will hold hearings on referred petitions. The Chief Executive Officer or designee shall consider the recommendation of the Hearing Officer in making a final written on a Post-Election Challenge.

Hearing Procedures
After receiving a Post-Election Challenge Petition referred for a hearing, the Law Department will notify the challenged LSC member(s)-elect, or all LSC members-elect if the Petition requests a new election or poll, of the date and time of the hearing. The notification shall include a copy of the Post-Election Challenge Petition and notification of the date, time, and place of the hearing of the Petition. A copy of the notification shall be sent to the first five (5) eligible challengers who signed the Petition.

The failure of a challenged candidate or of any challengers to appear at the hearing or to request an alternate hearing date may result in the hearing proceeding in their absence and a waiver of the right to be heard. If no challengers appear for a hearing, the hearing officer may dismiss the petition.

A Hearing Officer shall be responsible for conducting the hearing and issuing a recommended decision to the Chief Executive Officer or designee. The Chief Executive Officer or designee shall make the final decision.
All hearings shall be held between April 28, 2014 and May 16, 2014. Decisions shall be finalized by 3:00 p.m. on May 30, 2014. Results will be mailed to the challengers, all challenged or concerned candidates and to the school Principal between June 2 and June 6, 2014.

**Remedies**

After receipt of all hearing officers' recommended decisions, the Chief Executive Officer or designee shall grant appropriate remedies for any deficiencies proved, including but not limited to: a declaration that a candidate is ineligible to serve in the office for which he ran; a recount of votes to determine the official results of a challenged election or poll; a declaration that, because of unrepai red gross irregularities which substantially affected the integrity and the outcome of an election or poll process, a new election must be conducted.

**Examples:**

- If a challenge alleges that a candidate is ineligible to serve in the office for which he or she ran and the challenge is upheld, the challenged candidate will be declared ineligible to serve. If the challenged candidate ran for a parent or community representative office, a vacancy in the office will be declared and the newly elected Local School Council may fill the vacancy after July 1. If the challenged candidate ran for a teacher, non-teacher staff or high school student representative office, the challenged candidate shall not be appointed to the office by the Board.

- If a challenge alleges irregularities in the counting and recording of votes and the challenge is upheld, a recount shall be ordered. The results of the recount shall determine the official results of the challenged election or poll.

- If a challenge is based on an allegation of unrepai red gross irregularities which substantially affected the integrity and outcome of the election or poll process, and the challenge is upheld, the challenged election or poll will be declared null and void and a new election or poll will be ordered with any additional safeguards necessary to prevent the reoccurrence of the irregularities found.
