In such cases, teachers shall be provided copies, which may be in electronic form, of the teacher evaluation plan. Teachers hired after the first week of the school year shall be provided with said orientation within the first week after their hiring.

Returning teachers in schools with a returning principal at the start of the school year shall have access to all orientation materials and the teacher evaluation plan on the CPS Knowledge Center. Teachers shall be provided copies, which may be in electronic form, of the teacher evaluation plan. Teachers hired after the first week of the school year shall be provided with said orientation within the first week after their hiring.

The Joint Committee shall review and determine orientation materials and programs for the 2013-14 school year and thereafter.

39-1.2. REACH Teacher Evaluation. The Joint Evaluation Committee shall retain a mutually agreed expert, no later than April 1, 2017, to assist it in studying the REACH evaluation system and to provide recommendations to mitigate or eliminate any disproportionate impacts of the observation or student growth measures.

39-2.3. Teacher Practice Observations

A.1. Formal observations shall be preceded by a pre-conference. All formal observations shall be forty-five minutes in duration, the length of the class period or the length of the lesson. Formal observations shall be followed by a post-conference.

B.1. The first observation shall take place no sooner than the fifth week of the school year. During the 5th through 8th week of the school year, observations are permitted but all reasonable care shall be taken by evaluators and Kindergarten teachers to avoid performing observations during class periods when the KIDS Assessment is being conducted.

B.4. To the extent reasonable and possible, evaluators shall consider teachers’ preferences as one factor among many when scheduling times and dates (and specific classes and subjects) for formal observations.

C.2. Pre-observation conferences between the teacher and the evaluator shall take place no later than one week prior to the formal observation. Teachers are encouraged to complete the Pre- Conference Protocol prior to the Pre-Conference. Teachers or principals may reference Framework Addenda during the Pre or Post Conference to inform discussions of practice. For Components 4b through 4e, teachers shall not be required to upload more than two documents of evidence per Component.

C.5. Post-conferences between the teacher and evaluator-observer shall take place within three to ten school days following the formal observation unless there is a good faith reason to extend the ten school day period and shall be private. Feedback after an informal observation may be provided in person or electronically. The teacher may request in person feedback after an informal observation.
D. Summative Evaluation

There will be only one annual or biennial summative evaluation rating per evaluation cycle at the end of each teacher’s evaluation cycle. The BOARD will attempt to provide summative ratings no later than the last day of student attendance, and the Joint Committee will review its progress toward that goal.

39-2.4(a). Best Practices. The Joint Committee has developed a set of “best practices” around teacher evaluation. They are included in the REACH Handbook and shared with teachers at the start of each school year, which have been published at various points in time on the CPS Knowledge Center as REACH FAQs and in the Teacher Evaluation Handbook. The best practices are guidance to teachers and evaluators on various aspects of the evaluation system. The Joint Committee will include in REACH FAQs and the Teacher Evaluation Handbook best practices on advance notice of pre-observation conferences, sharing of evidence and draft ratings before post-observation conferences, timing for finalization of ratings after post-observation conferences, a two week time before first observations following a leave of absence etc. The REACH FAQs and Teacher Evaluation Handbook with the “best practice guidance” shall be published annually before the start of the school year and may change from time to time during the school year as determined by the Joint Evaluation Committee. Observers shall make all reasonable efforts to abide by the best practice guidance. If a teacher rating is adversely affected by an observer’s failure to follow best practices, the observation rating shall be voided. In the case where an observation is voided and there are insufficient remaining observations to support a summative rating the teacher will be rated inability to rate. in the summative evaluation.

39-2.5. Summative Ratings and Forms. On or before seven days prior to the last day of student attendance, an evaluator shall provide each teacher with all available components of their summative rating. The summative rating shall include observation scores, student growth scores if available and all other evidence used to determine the summative rating, along with the formula used to calculate the summative rating, provided that the rating shall not include scores from student surveys in school year 2012-2013 or 2013-2014 and shall only include student survey scores in school year 2014-2015 and thereafter if agreed by the Joint Committee. The Joint Committee will determine the timing of end of year (annual or biennial) summative evaluations for the 2013-2014 school year and beyond.

Summative ratings shall be based on the following scale in which points are earned in accordance with the plan.

Unsatisfactory 100 209
Developing (Needs Improvement) 210 284
Proficient 285 339
Excellent 340 400

For purposes of layoff, the developing rating will be divided into two sublevels—“emerging” with a rating score of between 210 and 250 and “developing” with a rating score between 251 and 284.

39-2.6. Professional Development. The Joint Committee shall determine the professional development needed to support teachers in becoming proficient teachers as defined in the
evaluation plan.

39-2.7. Clinician Evaluation Plan. Clinicians shall be evaluated in accordance with the Clinician Evaluation Plan in effect during the 2015-16 school year, and the BOARD shall abide by the Case Review process established in that plan.

Clinicians in their PAT1 year who were hired and assigned by the Office of Diverse Learner Support Services (ODLSS) and whose REACH ratings are projected to be 250 or below may be non-renewed by ODLSS. Clinicians in their PAT1 year who were hired and assigned by ODLSS and whose REACH ratings are projected between 251 and 284 will be renewed by ODLSS and provided support for the following school year, and such support may include from a cooperating senior clinician in the same field. Clinicians in their PAT2 year or later will continue to be subject to the non-renewal standards and procedures for all other non-tenured teachers.

The Board, in consultation with the Substitute Professional Problems Committee, will establish a performance improvement process for day-to-day substitutes. For day-to-day substitutes requiring performance improvement, Whenever a day-to-day substitute receives an unsatisfactory rating, the Talent Office shall schedule a conference with said the day-to-day substitute and the UNION to give the day-to-day substitute a written copy of the reasons for the unsatisfactory rating statement of the performance deficiencies, to discuss the reasons the performance deficiencies, and to give positive suggestions for performance improvement to the day to day substitute. The services with the school system of an unsatisfactory day-to-day substitute shall not be terminated as provided for in the performance improvement process or if until said day-to-day substitute has been given an unsatisfactory rating by at least two principals, unless there is evidence of moral laxity or serious misconduct.

A. As soon as practicable, but no later than thirty school days after the issuance of an unsatisfactory summative evaluation to a tenured teacher, the evaluator shall appoint a consulting teacher to assist the teacher in improving his or her performance to proficiency over a ninety-school-day remediation period.

B. Within thirty school days after the issuance of an unsatisfactory summative rating, the qualified evaluator shall conduct a meeting with the teacher under remediation and assigned consulting teacher. At this meeting, a remediation plan developed by the qualified evaluator, with input from the consulting teacher and the teacher under remediation, shall be distributed to the parties and shall become effective immediately.

D. During the remediation period, an evaluator will conduct a mid-point and final evaluation of the teacher’s performance, using the CPS Framework for Teaching as the sole measure of performance during the remediation period. If the teacher is rated “proficient” or better at the conclusion of the remediation period, he or she shall have successfully completed the remediation period. Following successful completion of the remediation plan, a qualified evaluator shall continue to monitor the teacher’s performance with quarterly formal observations,
including required pre and post conferences, the teacher shall be placed on an annual evaluation cycle.

39-9. Appeals Process. A teacher appeals process shall be established to contest certain summative ratings given by a qualified evaluator. It shall be comprised of a committee of four active or retired educators, two of whom shall be selected by agreement of the UNION President and the Chief Executive Officer, one of whom shall be selected by the UNION and one of whom shall be selected by the BOARD. All members of the committee shall be qualified evaluators. Both the BOARD and the UNION shall select qualified alternate committee members who may substitute for their regularly appointed members. Individual members of the committee must recuse themselves from cases where they have personal familiarity with the teacher appealing a summative rating and will be replaced by the same appointing entity. The Joint Committee shall determine whether the appeals process exists after school year 2018-2019.

The following teachers will have the right to appeal their ratings according to the timelines outlined in Article 39-9.A:

- Teachers rated unsatisfactory
- Tenured teachers receiving ratings in the lower half of developing

The following teachers will have right to appeal their ratings if they are laid off out of order of seniority.

- Teachers rated unsatisfactory
- Teachers rated developing

The time for appeal shall as set forth in Article 39-9A and shall commence when the teacher receives a notice of layoff/displacement. The notice shall advise the teacher of their right to appeal their rating.

39.9F. After a review of the written record of the rating and any interview with the teacher and evaluator, and any observation, and following deliberation, the appeals committee may overturn the rating if three of its members conclude that the rating under review is erroneous. If the appeals committee determines by majority vote that the teacher’s appeal is to be granted, the BOARD shall revoke the summative rating under appeal and issue the teacher a 250 if an unsatisfactory rating was revoked, a 284 if an emerging rating was revoked, or a 285 if a developing rating was revoked, an appropriate summative evaluation. A different qualified evaluator shall be assigned to the teacher during the next school year who shall follow all applicable provisions of this Article. No developing rating that results from a sustained appeal of an unsatisfactory rating shall count towards the two-developing rule.

G. An appeal shall not delay the commencement of a professional development plan or remediation plan.

46-5.1. In the spirit of *Plyler v. Doe*, 457 U.S. 202 (1982), the BOARD has consistently afforded students access to a high quality public education at CPS regardless of their immigration status and is committed to continue this practice.

46-5.2. CPS is an Immigration and Customs Enforcement (“ICE”) designated “sensitive location” in which ICE enforcement activities would pose a severe disruption to the learning environment and educational setting for students and their families.

46-5.3. The BOARD and UNION jointly declare that the buildings and grounds of CPS Schools are sanctuary spaces for all students, parents, administrators, bargaining unit members, and community members at the school for school-related business and jointly commit to defend the right to a free and safe learning environment to the extent permitted by law.

School personnel shall not inquire about or record a student’s or a family member’s immigration status, nor shall the Board collect or retain information regarding the immigration status of any CPS students or their families. CPS will not disclose to anyone other than ICE any immigration information pertaining to any CPS student except pursuant to the Family Educational Rights and Privacy Act. The BOARD recognizes the trust families place in them and shall not voluntarily divulge information to immigration agents to the fullest extent possible under the law.

In the interest of ensuring the success of the commitments made in this article, the BOARD and UNION shall meet to develop a training program for staff on how to appropriately respond to ICE agents should they request entrance to the school facilities or grounds as well as proactive steps to aid students and families in obtaining legal or other assistance with immigration enforcement actions.

NEW 46-6. Sanctuary Employer

46-6.1 On September 5, 2017, the Department of Homeland Security announced the end to the Deferred Action for Childhood Arrivals (“DACA”) policy. The DACA policy protected eligible immigrant youth from deportation and provided work authorization documents to nearly 800,000 young people who came to the United States as children. The BOARD and the UNION recognize that the young people who have received DACA benefits are a valued and important part of our community. Because the termination of the DACA policy may affect the work authorization of employees of the BOARD, the BOARD and the UNION agree to the following:

46-6.2. The BOARD shall not inquire about or demand proof of immigration or citizenship status, except as required by law.

46-6.3 Effective for SY 2019-20, the Board shall, in consultation with the UNION, develop appropriate guidance and resources of up to $200,000 per school year, to assist employees in planning for and navigating immigration issues.

46-6.4. Upon written request, an employee shall be released for up to ten (10) unpaid working days one time during their employment in order to attend to immigration or citizenship status matters. The days need not be taken consecutively. The Employer may request verification of such absences and/or appropriate certified documentation.

46-6.5. In the event that the BOARD is no longer permitted to employ an affected employee, the BOARD agrees to convert the affected employee’s termination to an unpaid leave of absence upon the employee’s return to work, provided the return to work takes place within two (2) calendar years for tenured teachers or within one (1) calendar year for all other employees. Specifically, upon the employee providing proper work authorization within the appropriate time frame, the BOARD agrees to reinstate the affected employee to the employee’s former position, without loss of prior seniority. If the former position is not available, the BOARD agrees to reinstate the employee to substantially similar employment for which the employee is qualified, including the Reassigned Teacher Pool, at a salary no less than their pay prior to their separation. While separated, the employee shall earn no credit toward step advancement.

46-6.6. Within thirty (30) days of the signing of this Agreement, the BOARD and the UNION shall send the following:
a. A joint letter to educators and support staff with immigration or citizenship status resources, such as the immigrant and refugee children guide for educators and support staff.

b. A joint letter to students and their families with immigration or citizenship status resources.
