Summer Opportunities

Best Practice Showcase
Teachers! Please consider sharing your "best practices" (lessons, strategies, approaches, etc.) with the district's Social Science and Civic Engagement educators and partners at CPS's 2018 Summer Conference, "Face and Embrace: Waking Up to Racial Equity in Education. We would all benefit from learning about your work.

If you are interested, see

Be a Part of SSCE's Best Practice Showcase
Deadline to submit your idea is June 30th.

Summer Service Learning Supports!
If you're planning to lead students in a service learning project next year, please come to a summer project planning session.

We are also seeking teachers and coaches to participate in paid focus group sessions to work on service learning supports for schools.

Please contact Shanti with questions or to sign up!

Summer Community Immersion Institute:
for Southwest Side Teachers

Lifting As They Climbed: Teacher Tour & Discussion

July 23, 9 am-5 pm
Jones College Prep
July 24-26, 8:30 am - 3:00 pm
ISBE Units + Stipends for Participating Teachers

The Community Immersion Institute is designed to immerse K-12 teachers of Southwest Side Schools in the community for three days during the summer. Guided by community experts, teachers of all content areas will gain a deeper knowledge of Southwest Side neighborhoods. In the Institute and subsequent professional learning, each teacher will be supported in developing classroom-integrated service learning projects based in community assets, relationships, and priorities.

8 ISBE units
$20

Educators will learn about how to make Black history more relevant and interesting for students through mini-tours (in person and virtual) as a form of place-based service and experiential learning projects.

Course Code 41975/ Class Code 79811
