Healthy eyes and vision are a critical part of a child’s development. Children’s eyes should be examined regularly, as many vision problems and eye disorders can be detected and treated early. Recognizing the connection between vision and success in school, Chicago Public Schools offers students vision examinations and access to glasses if needed.

**WHAT SHOULD I DO IF MY CHILD RECEIVES A VISION REFERRAL FOR FAILING THE VISION SCREENING AT THEIR SCHOOL?**

- Reach out to your school and find out when vision examination services are available.
- Complete and return the vision consent form provided by your school.
- Contact the IEI Vision Clinic at Princeton to make an individual appointment. Call (312) 949-7990 or walk-in from 8:30 – 9:30 a.m., Monday – Friday.

**HOW CAN I TELL IF MY CHILD IS HAVING TROUBLE SEEING?**

There are a few tell tale signs to look for when considering your child for an eye exam:

- Squinting
- Tilting the head
- Losing place while reading
- Sitting too close to the television
- Covering one eye to read or watch television

Please contact the vision team with any questions at (773) 535-8674.
