

**The All-City Performing Arts Program (ACPA) is one of CPS's earliest art traditions. Students in grades 3rd – 12th are eligible to join this districtwide music, theater, and dance program.**

Students rehearse every Saturday during the fall semester, receiving diverse and engaging instruction from highly-qualified CPS arts educators and local teaching artists in the Chicago Community. They go on to perform in a Winter Showcase in December, which is held on-site at Jones College Prep. Students then work the entire second semester to get ready for a Spring Showcase in May, which is held at a unique location in downtown Chicago.
