A photograph of a diverse group of children and adults in a classroom setting. Several children have their hands raised, suggesting an interactive activity or a Q&A session. The room features large windows with blinds, and the overall atmosphere is bright and positive. The image is overlaid with a semi-transparent blue filter.

Opening Remarks

“This Strategic Framework is about building a future where **EVERY child** has the resources needed to thrive, and their families are supported by well-resourced communities and comprehensive, high-quality programs.

Together, we can transform Chicago into a city where equity and opportunity are the bedrock of our children’s growth and success. I look forward to continuing this journey with all of you as we continue our efforts to build a better, stronger, safer Chicago for every child and family.”

Mayor Brandon Johnson
City of Chicago

Strategic Priorities

2024-2027

Strategic Framework Development Process

- **Initial Landscape Analysis** (July 2021)
Established strategic foundation for ECRC
- **Community-Facing Events** (Jan 2023 - Jan 2024)
Refined the strategic direction through engagement
- **Committee Review Process** (Feb - Jun 2024)
Executive and Advisory Committees refined priorities, leading to our strategic priorities for the next 3 years
- **Internal Review Process** (Jul 2024 - Now)
City leadership review and approval

1 Enhance Funding Equity & Local Systems Governance

2 Increase Access to Early Childhood System Data

3 Strengthen State-City Collaboration & Alignment

4 Bolster Family & Community Engagement

5 Advance Quality Early Childhood Training & Tools

1 Enhance Funding Equity & Local Systems Governance

STRATEGIC ACTIONS

- Create a revised cost model for Chicago that accurately reflects the true cost of delivering high-quality programs and services to families, as well as ensuring favorable working conditions for early childhood providers to inform more equitable funding allocation and assist in planning for the sustainability and growth of the workforce pipeline
- Map the financial resource flow at the city level and create strategic recommendations for the City to improve funding transparency for the community
- Research local early childhood system governance models and identify implications for Chicago

2 Increase Access to Early Childhood System Data

STRATEGIC ACTIONS

- Expand data literacy training, resources, and related tools to educate families, system leaders, and communities on the early childhood data ecosystem
- Establish standardized data collection and reporting norms, encompassing indicators, terms, metrics, and equity considerations, to unify reporting on the city's children across sectors

3 Strengthen State-City Collaboration & Alignment

STRATEGIC ACTIONS

- Collaborate with designated State Agencies to establish bidirectional sharing of information and updates with the ECRC network
- Generate recommendations for City and State systems enhancement and alignment

4

Bolster Family & Community Engagement

STRATEGIC ACTIONS

- Identify engagement strategies to effectively center and elevate family and community voice within ECRC
- Build bridges with parent and community groups to ensure ongoing bidirectional communication and partnership for shared decision-making

5

Advance Quality Early Childhood Training & Tools

STRATEGIC ACTIONS

- Establish a repository of up-to-date resources and information for providers in key areas to better serve families
- Create a training series for families on early childhood system topics that are tailored to their needs
- Produce tools, trainings, and events to educate community members and leaders about the early childhood ecosystem

Interested in
Getting Involved?

Work Groups

1 Governance & Funding Work Group

Purpose: Strengthen the local early childhood system's governance by enhancing collaboration with state and city partners to improve alignment, increase access to information, and share recommendations for advancing funding equity.

2 Data Work Group

Purpose: Enhance community data literacy and establish consistent data standards across organizations to unify data structure and improve accessibility.

3 Family & Community Engagement Work Group

Purpose: Implement a strategic engagement plan that includes development opportunities for providers, families, and leaders to amplify community voice and deepen understanding of the early childhood ecosystem.

What's next for ECRC Work Groups!

TIMELINE

- Dec 2024 - Application opens
- Dec 10, 2024 - Info Session
- Jan 2025 - Member selection
- Feb 2025 - Member notification
- Mar 2025 - Work Group first meetings

Chicago Early Learning Financing Project

November 2024

This project is funded by the McCormick Foundation

Center for Early Learning Funding Equity

The Center for Early Learning Funding Equity (CELFE) builds capacity for assessing and ensuring adequacy and equity in early learning funding systems through research and transformative partnerships. We create innovative approaches and funding mechanisms that support the diverse needs of children and families.

Project Overview and Timeline

1

Cost Model

Build a cost model 'engine' to estimate cost of care, including a model Salary Scale

2

Fiscal Map

Leverage existing funding data to create a more detailed funding equity map

3

Leverage Data

Understand who participates in Chicago's early learning programs

ECEC DATA 101

Every Child Ready Chicago
November 13, 2024

PROJECT OVERVIEW

A set of freely available, open-access materials designed to educate Chicago decision-makers and advocates about the current state of Chicago's early childhood data landscape.

Agency and
Program Leaders

Policymakers

Advocates

With appreciation to our project sponsor...

LEARNING OBJECTIVES

- **Understanding Data:** Data are essential for informed decision-making, identifying needs and strengths, and advocating for policy change
- **Chicago ECEC Landscape:** The funding and regulatory landscape is complex and influences the data collected
- **Data Interpretation:** Most data are interpreted, requiring careful analysis to understand underlying assumptions and biases
- **Compliance and Data Silos:** Compliance requirements drive data collection, leading to siloed data systems that reflect the diverse funding landscape
- **Responsible Data Use:** Define your questions, be specific, respect confidentiality, stay curious, and engage experts for complex inquiries
- **Local and State Resources:** Utilize available resources to access comprehensive ECEC data and support your decision-making processes

Chicago Early Learning Workforce Scholarship

Sandy De León

CHICAGO EARLY LEARNING

WORKFORCE

SCHOLARSHIP

GOALS

City agencies collaborated to launch the Chicago Early Learning Workforce Scholarship (CELWS) initiative in 2018.

- CELWS aims to support Chicagoans and the current Chicago Early Learning workforce as they pursue coursework to earn a credential, degree, endorsement, or licensure to work with young children (birth through Pre-k) and families in Chicago Early Learning programs.
- The scholarship serves an important role in Chicago's efforts to expand access to early learning across the city and build a more robust workforce that can help Chicago expand high quality early learning programs.
- CELWS provides recipients with meaningful career pathways through partnerships with Institutions of Higher Education, which also offer students personalized supports as they navigate their desired course of study.

WHY CELWS?

FROM CHICAGO FOR
CHICAGO

ECE RECRUITMENT &
RETENTION STRATEGY

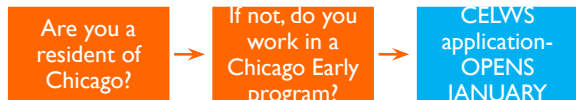

SERVES COMPREHENSIVE
EARLY CHILDHOOD FIELD

HOW DOES CELWS WORK?

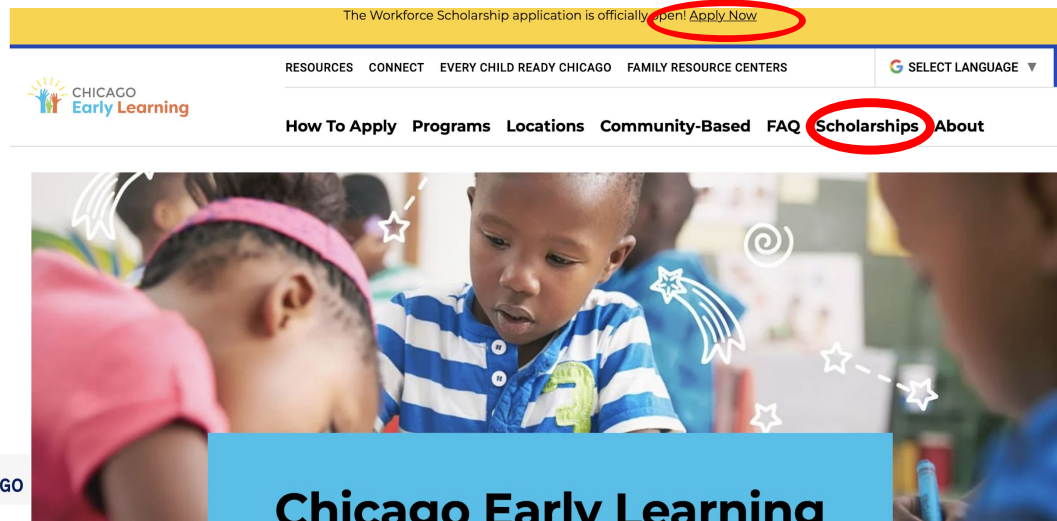

- **How to Apply:** Mid-January to February, applications can be completed on the *Chicago Early Learning* website. Once complete, the applicant will receive follow-up from Screening Specialist.

- **Amount:** The scholarship will serve as a “last dollar” scholarship, meaning it will cover everything that students’ federal grants and other scholarships do not cover.
 - Tuition & eligible fees at 100%
 - Books up to \$250/course
- **Scholarship advising:** Every Scholar is paired with an Advisor with ECE expertise who serves as Navigator of college/university, Liaison to services at college/university, Ensures good academic standing with Holistic approach

- **3-year work commitment:** Chicago Early Learning Workforce Scholarship recipients must commit to work in a Chicago Early Learning (CEL) Program (Community-based organization or CPS birth through Pre-K program) for a minimum of three years after completion of their degree or approved academic program.

PROGRAM IMPACT: 2023-24 ACADEMIC YEAR

- **572** Scholars Engaged
- **178 new** Scholars awarded
- **231 total** scholarships awarded
- **144** degrees and/or academic pathways have been earned or completed
- **23** Transfer awardees began Bachelor's degree
- **56** Professional Educator License (PEL) Earners

Graduations/completions: Degrees/Academic Pathways		
Associate Degree	34	24%
Bachelor's Degree – Non-licensure	20	14%
Bachelor's Degree – Licensure	22	15%
College Certificate	7	5%
Alternative Licensure Program	34	24%
Coursework-only	21	15%
Endorsement	6	4%
Total	144	

Scholar community – Historical through summer '24

Approximately 96% identify as Non-White

- 86% identify as Black/African-American or Hispanic/Latin@xe
- Average age is 39
- 93% identify as female
- 61% are Chicago Early Learning Staff
 - 69% CBO
 - 31% CPS

EDUCATION WORKFORCE CENTER

Empowering Education Professionals | Transforming Communities

Collaborative Learning Space

Launch date: December 4, 2024

The Education Workforce Center is built through a collective impact model, utilizing existing and new resources and spaces—virtual and brick and mortar— to reimagine how we can support education professionals.

A one-stop shop providing academic support, mentorship, community, professional development, and socio-emotional support tailored to each stage of the Education Professional's trajectory—
From community member to student through employment and career growth & development

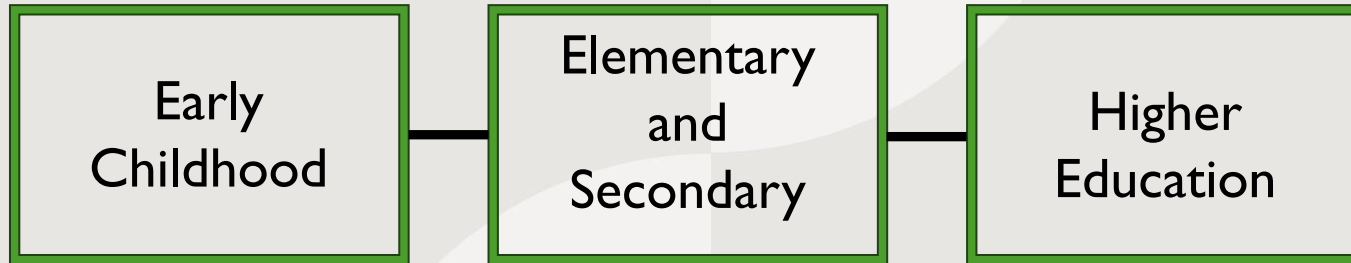

Inspiration & Proof of concept for EWC

Our Vision

The Education Workforce Center (EWC) was designed to support Early Childhood, Elementary/Secondary, and Higher Education through a collective impact model. Existing resources have been pooled together and new services identified to support each of these entities

Our vision is to become the hub of education across all sectors, for the City of Chicago

To achieve our vision, we will bring together educators, higher education institutions, community partners, and employers to convene as a professional learning community

CLOSING & DISMISSAL

THANK YOU!

Sandy De León, Executive Director

What is Birth to Five Illinois?

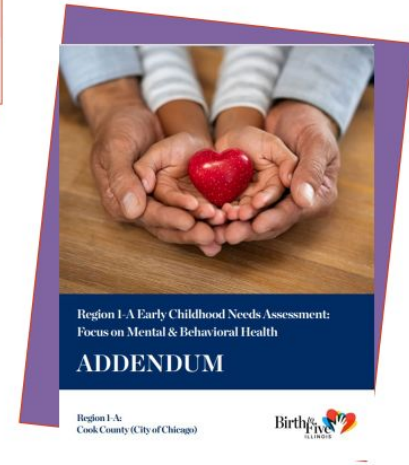

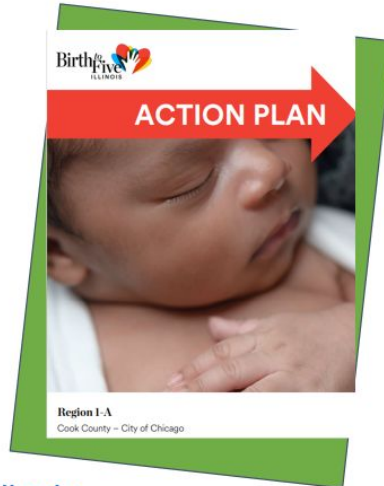

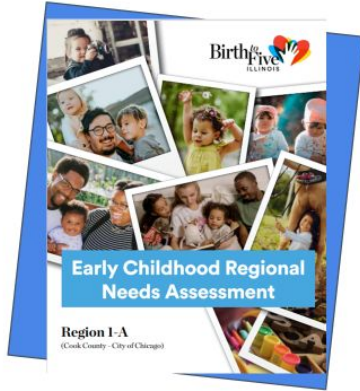

- Help bridge the gaps that exist between families, caregivers, Early Childhood providers, and decisionmakers.
- Use quantitative data collected and qualitative data to form recommendations that will make ECEC services and supports more equitable for all children and families in the State.
- Founded in September 2021, has 39 Regions across the State and has an Action Council and Family Council in every region.

City Agency Updates

Department of Family & Support Services (DFSS)

Cerathel Burgess-Burnett

Chicago Early Learning RFP 2025

11/13/24

Current funding landscape and timeline

- Current contracts across both funding sources have been extended through the following periods:
 - PFA/PI extend through 6/30/25
 - HS/EHS extend through 12/30/25
- **All current delegates** who receive ECBG or Federal funding from DFSS must re-compete through the upcoming RFPs

NEW RFP Funding /Contract terms

- Initial contract term for ECBG funding in new RFP will be 1 year (7/1/25-6/30/26), with up to two 1-year extensions
- Initial contract term for Federal funding in new RFP will be December 1, 2025 – November 30, 2026, with up to two 1-year extensions

★ Who will administer the ECBG Grant

- **Fiscal Year 2025-2026:** DFSS Children Services Division will continue to administer the ECBG funding it receives from CPS
 - ECBG funding for PFA/PI will be included in the upcoming RFP and ALL current and new recipients must apply through the RFP.
- **2026 and beyond:** Decisions on future administration of the ECBG funding will come in the near future as the new Illinois Department of Early Childhood is stood up
 - The City of Chicago is actively working with the state to align planning and support a smooth experience for providers

★ Previous Chicago Early Learning RFP - DFSS released one RFP in April 2019

- Included both funding sources Federal (HS/EHS/EHS CCP) and State (PFA and PI)
- Organizations who applied were required to submit one response for 4–5-year-olds and one response for 0–3-year-olds
- The RFP was complex and cumbersome therefore made it difficult for respondents to apply
- DFSS was required to complete three addenda to clarify for the respondents what different statements and sections of the RFP meant and how to respond

Prior RFP structure

Part A: 3-5 year olds

PFA

HS

Part B: 0-3 year olds

PI

EHS

★ NEW - DFSS will release two separate RFPs in early 2025

- DFSS will launch two updated RFPs in 2025. We will purposely separate the RFPs by age to ensure we clearly articulate the requirements for specific age groups and funding streams
- DFSS anticipates launching the RFPs in early January 2025 with contract start dates as follows:
 - ECBG: July 1, 2025
 - Federal: December 1, 2025
- DFSS traditionally will keep RFPs open for 4 to 6 weeks
- The duration for how long the RFP will be open will be determined closer to the launch date
- There will be a virtual webinar to take questions and answers from potential respondents

New RFP structure

RFP A: 3-5 year olds

PFA

HS

RFP B: 0-3 year olds

PI

EHS

★ NEW - DFSS will release two separate RFPs in early 2025

- Organizations who are interested in providing programs for both 3–5-year-olds and 0–3-year-olds will need to submit a response to both RFPs
- This structure will allow DFSS to make award decisions that best balance system needs across these two age groups and funding sources

Services for **ages birth-3 years old** are provided until children are age eligible to transition into preschool programming (**Child's 3rd birthdate must be before September 1**).

Services for children **ages 3-5 years old** are provided until children are age eligible to transition into kindergarten. (**Child's 5th birthdate must be before September 1**)

RFP structure

RFP A: 3-5 year olds

PFA

HS

RFP B: 0-3 year olds

PI

EHS

Anticipated timeline (tentative)

- January 2025: RFPs released
- January-February 2025: RFPs application period, DFSS will hold virtual and in-person information sessions
- April-May 2025: Awards announced
- July 2025: PFA & PI contract term begins
- December 2025: Head Start contract term begins

What trainings will be available to organizations who wish to apply?

- DFSS will engage a support services provider to assist potential respondents in navigating the RFP process.
- Core Support Offerings will be focused on lowering / removing knowledge barriers in the following areas
 - Chicago Early Learning Standards (CELS) - a review of key requirements that will shape RFQ responses and which includes planned service delivery structures
 - Partnership considerations
 - Budget Building and Considerations
 - Allowable costs
 - Non-Federal Match
 - Collaborative Governance core requirements
 - Programmatic Requirements and Considerations
 - I-Supplier Navigation, Insights and Tips

How do we plan to improve communication regarding the RFP launch and access?

- DFSS intends to utilize multiple sources, **including additional sources not used in 2019** to share information about the RFPs, including the information in all state and local committees and meetings and the following channels to ensure widespread notification of the RFPs:
 - CSD internal channels, CSD Update and CSD Alerts
 - Department of Family and Support Services website
 - **Illinois Head Start Association**
 - **Illinois Action for Children – Providers and Educators – Funding Opportunities**
 - **Every Child Ready Chicago**
 - Local news sources
 - Social Media
 - **Birth-to Five Illinois**
 - **Listening to constituents like yourself we ask that you participate in the following poll**
 - Chicago Aldermen
 - Chicago Early Learning e-blasts

2025: Go Deeper and Expand Opportunities

Curriculum
and Instruction

Every student engaged in High-Quality Curriculum by 2026.

Curriculum
and Instruction

Every school conducts a meaningful instructional learning cycle.

Inclusive
and Supportive
Learning

Students with Disabilities and **English Learners** are prioritized in Learning Walks.

Connectedness
and Wellbeing

Every student takes part in student-centered programming.

Postsecondary
Success

Every student accesses postsecondary exposure and coursework.

The Daily Student Experience

Daily Learning Experiences

Rigorous

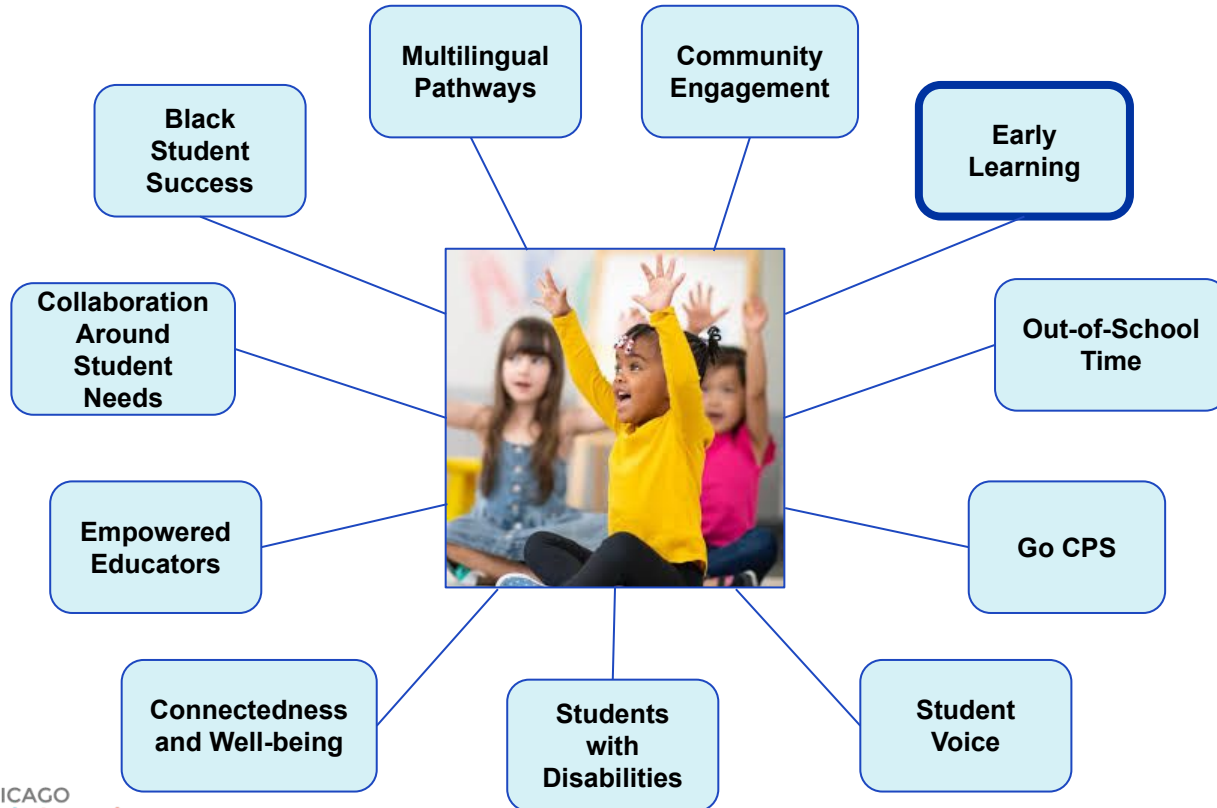

Joyful

Equitable

CPS Five Year Vision: Together We Rise

GoCPS 3.0: A Smoother Application Process

- Chicago Early Learning application for Fall 2025 will launch in April
- More user-friendly and integrated backend systems to support smoother applications and enrollment for families
- K-9th grade application launched on new platform in September

Preschool to Kindergarten Priority

- New policy would give priority to current Pre-K students to stay in the same school for Kindergarten
- Neighborhood families would still get preference for schools with boundaries
- The goal is to help more families stay in the same school for Pre-K and Kindergarten so children experience fewer transitions and more continuity
- Policy is open for public comment with expected Board vote in December

Chicago Department of Public Health (CDPH)

Data, Policy, Communication, & Community Partnerships

Family Connects Chicago

- On track to complete home visits with ~3,000 families in 2024
 - All 77 Community Areas
 - 71% Medicaid
 - 53% Latinx, 28% Black, 9% White, 7% AAPI
- 11 birthing hospitals participating
- Focusing community alignment outreach and education activities on infant safe sleep practices and FCC participation in priority community areas
- Partnering with Connect Home Visiting Chicago to strengthen pathways to intensive home visiting programs
- 2025 goal of visiting 5,600 families

Other MICAH Updates

Lead Poisoning Prevention & Healthy Homes Program

- Lead poisoning prevalence in young children has dropped to 1.5 % in 2023
- Expanded services through bond funding to address more home health hazards in households with income up to 140% AMI
- On track to complete lead and healthy homes improvements in 160 households in 2024; goal of 240 homes in 2025
- Applied for funding to expand services to address severe childhood asthma

Nutrition/WIC Program

- Illinois WIC & Head Start Collaboration Office renewed MOU, expanding MOAs with EHS/HS providers
- Participating in pilot to mobilize WIC in Austin and other priority community areas
- Enhanced education on oral health and infant safe sleep
- Expanding WIC referral, recruitment and retention activities in 2025
