What Can I Expect at Today’s Evaluation?

- **Hearing/Vision Screening (5-10 minutes):** Mandatory screening to determine if your child has any vision or hearing concerns.

- **Consent/Assessment Planning Meeting (15-20 minutes):** Initial meeting to:
  - Meet related service providers (RSPs)/team members
  - Review important information about your child
  - Determine which areas are in need of being assessed (e.g., Speech, Cognitive, Academic, Fine Motor, Gross Motor, Social/Emotional, Health, etc.)
  - Obtain written consent for evaluation.

- **Assessment (30-45 minutes):** Relevant team members will:
  - Complete a formal or play-based assessment
  - Interview you to gain important information about your child.

- **Post-Assessment (45-60 minutes)**: At the end of the assessment relevant team members will:
  - Review testing information
  - Complete assessment reports
  - Discuss recommendations.

  *During this time you will have a break. You can: Stay in the waiting room area, get a snack or drink, or leave the building. If you leave the building, please work with your Team on a return time for the Eligibility Meeting.*

- **Eligibility Meeting (30 minutes):**
  - Team will:
    - Read a summary of assessments and indicate their findings/recommendations relative to your child’s strengths and areas of need
  - You will:
    - Sign Cover Page of Eligibility Determination
    - Receive a copy of the finalized Eligibility Determination
    - Be provided copy of Explanation of Procedural Safeguards

If your child **does not qualify** for specialized services in Chicago Public Schools at the time of this evaluation, you will be provided resources and next steps. If your child is determined to be **eligible** for specialized services, you will be asked to sign Consent for Initial Provision of Special Education and/or Related Services and an Individualized Education Program (IEP) will be developed with the team.

- **Educational Plan:**
  - Individual Education Plan (IEP)
    - Meet to discuss goals, supports and services and educational placement needed for your child to have academic access and success
  - 504 Plan (Typically developed once student enrolls in CPS)
    - Meet to develop modifications and accommodations for your child to ensure academic success and access to the learning environment

*Remember, parents/guardians are members of the team and your input adds value to the assessment process.*
