

CPS School Quality Data Transparency Committee

Meeting 4 Agenda

Virtual ([zoom link available upon request here](#))

October 16th, 9am to 11am

By the end of our discussion, Transparency Committee will:

- grow trust with fellow committee members, facilitators and/or CPS staff responsible for project
- understand where to find background and archived materials for our Committee
- acknowledge current environment within CPS, CIDT timeline and implications for our work
- Work through our review protocol to provide feedback on the graduation rate and one-year dropout rate metrics.
