

CPS Accountability Technical Advisory Group

Date and Time

Monday, May 13

12:00 pm - 4:00 pm CT

Location

CPS Central Office

42 W. Madison Street

2nd Floor 2C-108

Agenda

Landing Page: [CIDT Accountability Technical Advisory Group \(google.com\)](https://www.google.com)

Time	Topic, Objective, & Description	Notes/Materials
12:00 (30)	Welcome & District Context Description: To start this meeting, CPS staff will provide updates regarding district priorities and work to implement the CIDT policy to date.	CPS 5-year strategic plan
12:30 (40)	Metric Updates Objective: Share updates to metric proposals reviewed in the March 11th ATAG meeting and discuss adjustments to the metric development process since that meeting. Description: ATAG members will review metrics updated since the March 11th meeting and provide feedback and guidance for next steps in the development process.	Updated Round 1 Proposals* -Chronic Absence -1-year Dropout Rate -4-year Cohort Graduation Rate Metric Feedback Form*

<p>1:10 (50)</p>	<p>Metric Review, On-track</p> <p>Objective: ATAG members will answer key questions about public use cases for elementary, 9th grade, and 10th grade on-track metrics. On-Track is usually used internally to identify students for interventions. What is the public use case for on-track? What question are we attempting to answer for parents/communities? Where else in the policy might we answer these questions?</p> <p>Description: CPS staff will describe the development process for the on-track metrics and facilitate a discussion about key information needed for these metrics. ATAG members will contribute to the metrics by addressing these questions.</p>	<p>Technical Advisory Group Proposals*</p> <p>On-track metrics review tool*</p> <ul style="list-style-type: none"> -Elementary -9th Grade -10th+ Grade
<p>2:00 (10)</p>	<p>Break</p>	
<p>2:10 (20)</p>	<p>Group Discussion, On-track</p> <p>Objective: ATAG members will share key themes from their small-group discussions with the full group.</p> <p>Description: ATAG members will be asked to highlight key themes from their group discussions about On-track proposals. Full group recommendations or questions resulting from this discussion will be documented.</p>	
<p>2:30 (30)</p>	<p>Metric Review, Out of School Time & Enrichment Opportunities</p> <p>Objective: ATAG members will document recommendations and considerations for continued work on the out of school time metric.</p> <p>Description: Members have an opportunity to review and/or document their individual feedback on the out-of-school time metric, then divide into groups to discuss and document their group-level feedback.</p>	<p>Technical Advisory Group Proposals*</p> <p>Out of school time proposal review tool*</p>
<p>3:00 (15)</p>	<p>Group Discussion, Out of School Time & Enrichment Opportunities</p>	

	<p>Objective: ATAG members will share key themes from their small-group discussions with the full group.</p> <p>Description: ATAG members will be asked to highlight key themes from their group discussions about out of school time. Full group recommendations or questions resulting from this discussion will be documented.</p>	
3:15 (30)	<p>Metric Review, College Enrollment and Persistence</p> <p>Objective: ATAG members will document recommendations and considerations for continued work on the college enrollment and persistence metric.</p> <p>Description: Members have an opportunity to review and/or document their individual feedback on the college enrollment and persistence metric. We will then discuss as a full group.</p>	<p>Technical Advisory Group Proposals*</p> <p>College enrollment and persistence review tool*</p>
3:45 (15)	<p>Wrap Up</p> <p>Objective: A-TAG members will understand the plan for topics in upcoming meetings, any known tasks they have before the next meeting, and when follow-up questions from today's meeting will be addressed. Members will also provide feedback on today's meeting - including on the metric review tool - to inform future plans.</p> <p>Description: Center staff will share possible meeting dates and planned topics for each meeting. Members will be asked to complete an exit survey for review by the Center.</p>	<p>Exit Survey</p>
4:00	<p>Adjourn</p>	

* Metric proposals will be shared with the public as part of the Transparency Group's meeting materials.
