Dear Friends:

The Office of Local School Council Relations has been designated by the Chicago Board of Education to coordinate all Local School Council Election. We believe that Local School Councils (LSCs) are the very heart of school reform and that the hard-working Councils have been a key factor in many of the positive changes taking place in our school system.

The mission of the Board of Education – as it relates to the Local School Council electoral process – is to uphold the letter and intent of the School Reform Act. That important responsibility includes conducting fair citywide elections, providing consistent procedures that foster public trust, and promoting broad-based candidate and voter participation through the city.

This 2020 Local School Council Election Guide has been prepared so that candidates and others may easily access any information needed that is related to the election process. We hope you will find it easy to understand and use.

Input and decision-making by LSCs have proven over and over again to be meaningful, important and far-reaching.

We are most grateful for your participation and sincerely thank you for your efforts in helping us as we continue to improve the educational experience for our children.

Sincerely,

Dr. Guillermo (Willy) Montes de Oca
Director
CPS Office of Local School Council Relations

6/24 Board of Education appoints teachers, non-teacher staff and high school students as LSC members for new term of office beginning July 1.

7/01 – 7/14 LSCs conduct annual organizational meeting.
Overview

Local School Councils consist of the Principal, six (6) parents, two (2) community residents, two (2) teachers, one (1) non-teacher staff member and one (1) student in high schools. Parent, community and school staff members serve a two-year term, beginning July 1 every even-numbered year and ending June 30 two years later. High school student members serve a one-year term, beginning July 1 and ending the following June 30.

An election for the parent and community representatives and a non-binding advisory preference poll for the school staff representatives who will serve for the new LSC term are held every even-numbered year on Spring Report Card Pick-up Day (a poll for the student representative is held earlier in the spring). Parents and community members elect parent and community representative candidates and school staff members vote for school staff representative candidates, who are appointed by the Board of Education.

The Board of Education conducts the elections and polls in consultation with Local School Councils. The Chief Executive Officer is authorized to establish rules and procedures for the election. The rules and procedures are contained in this Guide to Local School Council Elections. The Guide is available at schools conducting elections and the Office of LSC Relations and may be reproduced as needed. Schools are required to make at least one (1) copy of the LSC Election Guide available to candidates and the public in the main office beginning December 10, 2019 until the day of the election at the school, either April 22 or 23, 2020.

Role of the LSC in the Election

During the election process, Local School Councils are encouraged to:

- Engage in outreach activities to promote wider parent and community member participation in the election of the parent and community representatives as either candidates or voters;

- Support Principals as they carry out their election-related duties;

- Plan and publicize the date, time, and place of a Candidate Forum and the Election by ensuring that posters and other publicity materials are prominently displayed in the school and the school community;

- Develop a format and agenda for the Candidate Forum, including a ballot position lottery, and set rules for candidate presentations at the Forum allowing all candidates an equal opportunity to make their presentations at the Forum;
• Develop a plan for the systematic removal of campaign literature from the school community after the election.

By March 12, 2020, the LSC must meet to set the date of the Candidate Forum and the date of the meeting to certify the election results and to break parent and community representative candidate vote total ties, if necessary, by lottery. The Candidate Forum must be held between March 23 and March 27, 2020 and the meeting to certify the election results and to break vote total ties must be held between April 23 and 8:00 p.m., April 29, 2020.

Note: The Board of Education will break ties among the teacher, non-teacher staff and high school student candidates.

Candidate Forums

All schools conducting a parent/community election and staff poll must conduct a forum or forums to which all candidates must be invited to make presentations to parents, community members, school staff members. The school may conduct one forum for all candidates or one forum for the parent and community candidates and another for the staff candidates. At the forums, candidates may distribute campaign literature to the parents, community members and staff members in attendance. After December 2, 2019, but no later than March 12, 2020, the LSC must, by a vote in an open meeting, set the date and time of a Candidate Forum, to be held between March 23, 2020 and March 27, 2020, for the parent and community representative candidates. If the LSC does not set the date or time of the Forum by March 12, the Principal shall do so. The date and time of the Forum shall be included in Letter II, which is to be distributed to parents and the school staff and posted in the school by March 13, 2020.

All parent and community representative candidates shall be notified in writing and by telephone of the date and time of the Forum at least seven (7) days before the Forum. All parent and community representative candidates shall be invited to make a presentation at the school’s Candidate Forum.

If not included in the parent and community representative forum, the Principal shall provide the teacher and non-teacher staff representative candidates at least one separate opportunity to address the staff and, if applicable, the high school student representative candidates at least one separate opportunity to address the students. If necessary, ballot position lotteries for the school staff and student representative candidates shall be conducted during such opportunities.

If the Board extends the candidate filing deadline beyond March 5, 2020 and additional candidates file to run in a school's parent/community election or staff poll during the extension, the school shall provide those candidates notice of the date and time of the Candidate Forum in writing and by telephone call at least seven (7) days in advance if the date of the Forum is more than seven (7) days after the extended filing deadline. If the date of the Candidate Forum is seven (7) or fewer days after the extended candidate filing deadline, the school shall provide the candidates notice of the date and time of the Forum by telephone call at least two (2) school days before the Forum.

Under the 1990 Americans with Disabilities Act (ADA), the Candidate Forum must be held in a location accessible to persons with disabilities, even if it is necessary to hold the forum in a location other than the school. Minimal accessibility includes a location without even a single step at the entrance and no steps to the site where the forum takes place unless
there is also a ramp, lift or elevator to provide access. There should be a clear path of travel from the entrance to the forum area at least 32" wide and free of any obstacles. If possible, there should be a restroom with a wheelchair accessible stall, again with a clear path of travel from the entrance and forum site.

The LSC shall develop and post a notice and agenda for the Forum. The agenda shall allow all candidates equal time to present their qualifications and goals and shall include the Ballot Position Lottery. The agenda shall also state whether the location for the Forum is wheelchair accessible.

If the LSC fails to do so, the Principal shall develop and post the notice and agenda for the Forum. The notice and agenda shall be posted at least forty-eight (48) hours before the Forum. Letter II, to be distributed on March 13, 2020, shall include the location, date and time of the Candidate Forum.

The Principal shall distribute three (3) Candidate Pollwatcher Credential Forms (Form 15-20) to each candidate attending the Forum.

**Ballot Position Lottery**

At the Candidate Forum, the LSC shall conduct a public lottery to determine the randomly selected ballot position for each candidate. Other methods of determining ballot order, such as alphabetical listing or order of filing are not permitted. Should the LSC fail to hold a ballot position lottery complying with these rules, the Principal shall ensure that the lottery is conducted at the Forum. The Principal shall record the ballot position of all candidates for use in preparing the sample and official ballots.

The ballot position lottery shall be conducted in the following manner:

- The ballot position numbers assigned to the candidates must correspond to the official parent/community and teacher/non-teacher staff candidate ballots:
  - Parent candidates must be assigned numbers 1 through 25.
  - Community candidates must be assigned numbers 26 through 50.
  - Teacher candidates must be assigned numbers 51 through 70.
  - Non-Teacher staff candidates must be assigned numbers 71 through 90.
- A separate lottery shall be conducted for each category of candidate (parent, community, teacher, non-teacher staff and student, if applicable).
• The names of every candidate in every category shall be written on separate slips of paper of the same size, color and shape.

• The slips of paper with the names of the parent candidates shall be folded in the same manner so that the candidate's name is not visible and placed in a large bowl or other receptacle. Someone other than the Principal, a candidate, or a known supporter of a candidate shall be chosen to draw the names. The person selected to draw the names shall reach into the bowl or receptacle and vigorously stir the folded slips of paper bearing parent candidate names. While looking away from the receptacle, the person shall draw one folded slip of paper, open it, and announce the name. The name shall then be written on a blackboard, flip chart, poster board, or something large enough for the public present to view.

• The first parent candidate name drawn shall be placed on line 1, the second parent candidate name drawn shall be placed on line 2 and the third parent candidate name drawn shall be placed on line 3, etc. Continue to draw parent candidates' names and assign ballot positions in the same manner until all are drawn.

• The ballot position lottery for the community candidates shall proceed in the same manner. The first community candidate’s name drawn shall be placed on line 26, the second name drawn shall be placed on line 27 and the third name drawn shall be placed on line 28, etc. Continue to draw community candidates’ names and assign ballot position numbers until all are drawn.

• If there are fewer than either 13 parent or community candidates, the candidates' names may be placed on every other line beginning with line 1 for parent candidates and line 26 for community candidates if all candidates in the category agree.

• The ballot position lotteries for teacher, non-teacher staff and high school student candidates (if necessary) may also be conducted at the Candidate Forum and shall be conducted in the same manner. Alternatively, those ballot position lotteries may conducted as follows:
  
  o For teacher and non-teacher staff candidates, the lotteries may be conducted at an open staff meeting during the school day at which the candidates are to be given an equal opportunity to address the staff.

  o For high school student candidates, the lottery may be conducted at a school assembly (or similar student gathering) at which the candidates are to be given an equal opportunity to address the students.

If necessary, due to errors in the original Specimen Ballot(s), Principals shall post a revised List of Candidates for the LSC (Form 8-20) and revised Specimen Candidate Ballot(s) by 9:00 a.m. on April 20, 2020. Candidates shall inspect the revised Specimen Ballot(s) and inform the principal of errors by 12:00 p.m. (Noon) on April 21, 2020. The Principal shall correct any errors in the Specimen Ballot(s) and post the final Specimen Ballot(s) by 1:00 p.m. on April 21, 2020. The Principal shall also print and secure the official ballot(s) by 3:00 p.m. on April 21, 2020.

Important Note

The Specimen Ballot posted on April 15, 2020. School resources include both human and material resources, such as staff services during working hours, copying facilities, paper or supplies, space for meetings and use of CPS telephone, computer and e-mail systems.

Staff members who either use, or allow the use of, school resources to support candidates are put on notice that they are subject to disciplinary action.

The law requires a candidate or slate of candidates receiving a campaign contribution that exceeds $1,000.00 (one thousand dollars) from any person or group to file an initial D-1 Statement of Organization form no later than thirty (30) days after receiving the contribution with the Cook County Clerk's Office or the State Board of Elections disclosing said contribution. Call (312) 603-5656 or (312) 814-6440 for further information.

Election Judges

Persons who wish to serve as judges for the LSC election may apply between December 2, 2019 and March 12, 2020. All applicants must complete an Application for Judge of Election (Form 18-20), an IRS W-9 Form and CPS Internal Accounts Vendor Request Form. Note: The name and address information on all forms must match. The forms will be available at schools conducting an election and the Office of LSC Relations. To serve as an election judge, applicants must be verified by the IRS.

Applicants must complete all sections of the application form and must answer all questions asked on the form, including the names of the school(s) where the applicant prefers to serve, the applicant's previous experience and bilingual proficiency (if any), and whether the applicant is an LSC candidate or related to the principal or an LSC candidate at the school where the applicant is applying or prefers to serve.

The applicant must file the Application for Judge of Election (only) at a school or the Office of LSC Relations. The applicant must also file the IRS W-9 Form and the CPS Internal Accounts Vendor Request Form with the Office of School Financial Services via email to
internalaccounts@cps.edu or mail to Business Services, 42 West Madison Street, 2nd Floor, Chicago, Illinois 60602. Applicants may request that the school or the Office of LSC Relations email their IRS W-9 Form and Vendor Request Form to Business Services at internalaccounts@cps.edu. Note: Schools or LSC Relations that email the original IRS W-9 Form and Vendor Request Form are to return the original forms to the applicant. (See "Eligibility to Serve as a Judge" Section for additional information about the application process).

No later than 24 hours after receipt of a judge application, the Principal shall enter the applicant's information in the LSC Dashboard at http://cps.edu/Pages/Staff.aspx and go to “Local School Councils” icon then using "Election Update," "Add Judge". After entering the applicant's information, the Principal shall make a copy of the application for the school, fax the application to the Office of LSC Relations (to 773/553-1402) and forward the original application to the Office of LSC Relations, 2651 West Washington Blvd., 3rd Floor, via the mailrun (GSR 34).

Between December 2, 2019 and March 12, 2020, the Principal must send all original judge applications received at the school to the Office of LSC Relations (GSR 34) on an on-going basis. After March 12, 2020, the Principal should call the Office of LSC Relations to ask whether applications should still be accepted.

The number of judges assigned to a particular school will be based on the availability of judges, student enrollment, number of candidates, and anticipated voter turnout.

Principals shall ensure that the individual election judges assigned to their school have been verified and registered with CPS. Prior to allowing a person to serve as a judge, the Principal must confirm that the person has been added to the IAMS database by the Business Services and has a vendor number. The judge must also provide the principal with the "Attendance Receipt For Judge of Election Training". Note: judges cannot serve or be paid unless they have a vendor number.

If a judge applicant’s name is in IAMS, the applicant has been approved as a vendor and can be paid for serving as a judge. If the applicant’s name is not in IAMS, the applicant has not been approved as a vendor, cannot be paid for serving as a judge and must not be allowed to serve as a judge. Principals shall record the judges’ names and vendor numbers on the Judge of Election Payroll Sheet (Form 20-20). The following individuals are eligible to vote in a school's election for parent and community representatives:

- Parents, legal guardians and temporary custodians of students enrolled in the school;
- Persons at least 18 years old who reside within the school's attendance area or voting district.

Each eligible voter in the election for parent and community representatives shall be entitled to cast one (1) ballot and one (1) vote per candidate for up to, but no more than, any five (5) candidates in the election. Additionally, any voter with a disability who requests assistance in voting shall be assisted by a judge or person of his or her choice after the voter and person assisting the voter to vote complete and sign an Affidavit of Assisted Voter (Form 13-20). No person who is otherwise eligible will be denied the opportunity to vote on the basis of a disability.

If the voter does not present a form of identification or documentation establishing that he or she is the parent, legal guardian or temporary custodian of a child enrolled in the school, the election judges shall examine the Student "Alpha List." If the Alpha List contains the voter's name, the judges shall allow the voter to vote as a parent.

If the Student "Alpha List" does not contain the voter's name, the election judges shall, if feasible, request that the Principal or a designee verify that the voter is the parent, legal guardian or temporary custodian of a child enrolled in the school. If it is not feasible for the election judges to request such verification, the voter may do so. Upon verification of the voter's status by the Principal or a designee, the election judges shall allow the voter to vote as a parent.

If a parent voter does not present identification or documentation to establish that he or she is the parent, legal guardian or temporary custodian of child enrolled in the school and the voter's name does not appear in the Student Alpha List and the Principal or a designee does not verify the voter's status as a parent, legal guardian or temporary custodian of a child enrolled in the school, the judges shall allow the voter to vote as:
• a community member if the voter presents two (2) reliable forms of identification and at least one (1) bears a residential address within the school's attendance area or voting district (for "multi-area" schools);

or

• a Challenged Voter pursuant to the Challenged Voter Procedure, as described in the Judge of Election Manual.

Teacher/Non-Teacher Staff Non-Binding Advisory Poll

The teacher and non-teacher staff representative candidates run in a Non-Binding Advisory Preference Poll of the school staff conducted on the same day and in the same location as the election for the parent and community representatives.

The poll is a non-binding advisory preference poll because the Illinois School Code authorizes the Board of Education to appoint the teacher and non-teacher staff members of the local school council and to exercise "absolute discretion" in the appointment process. In exercising its absolute discretion in the appointment process, the Board may consider, but is not bound by, the results of the staff poll. The Board may also consider other factors, including, but not limited to: professional development, membership in professional organizations, and other similar experiences.

In the Staff Non-Binding Advisory Poll, each member of the school staff is entitled to indicate his or her preference for up to, but no more than, two (2) candidates from among both the teacher and non-teacher staff candidates on the ballot. Casting more than two (2) valid votes on the ballot will SPOIL the ballot, while casting one (1) valid vote will not. Voters may cast only one (1) ballot for the teacher and non-teacher staff representatives.

“School staff” means all certificated and uncertificated school personnel, including all assistant principals, classroom teachers, administrative staff (other than the principal) all custodial, food service and other civil service employees, who are full-time employees of the Board of Education assigned to perform the majority of their employment duties at one attendance center served by the same local school council.

If a school staff member is not a full-time CPS employee or does not perform a majority of his or her duties at a particular school, he or she is not entitled to vote at the school. (The principal is not entitled to vote in the staff poll and shall not in any way influence the outcome of the poll.)

Examples:

• Full-time food service and custodial personnel employed full-time by CPS are eligible to vote. Any food service or custodial personnel not employed full-time by CPS are not eligible to vote.
• A teacher or other full-time Board employee who works at a school more than fifty percent (50%) of their scheduled time is eligible to vote.

• A teacher, or other full-time Board employee who works 5 days a week for the system and works at a particular school two and a half (2.5) days or less per week is not eligible to vote at the school.

Inasmuch as the School Code defines "school staff" as personnel employed and assigned to perform the majority of their duties at one attendance center, there will be instances in which full-time Board employees are not entitled to vote in the Staff Non-Binding Advisory Poll of any school at which they work. In no case should a Board employee be entitled to vote in the Staff Non-Binding Advisory Poll at more than one school.

Persons employed by third party vendors who work in the school may not vote in the Teacher/Non-Teacher Staff Non-binding Advisory Poll.

Neither proxy nor absentee voting is permitted.

All school staff members who are eligible to vote in the non-binding polls shall be included on a list prepared by the Principal for use by the election judges. This list shall be comprehensive and include all full-time CPS employees who perform the majority of their duties at the attendance center, including TAT and PAT teachers. The list should include faculty, staff, career/civil service employees, custodial personnel and food service personnel who are employed full-time by CPS at the school. The Principal shall post the school staff list no later than 12:00 p.m. (Noon) on April 15, 2020. Staff must bring any errors in the list of staff eligible to vote to the Principal's attention by 3:00 p.m., April 20, 2020. The Network Office shall settle any disputes relating to staff eligibility to vote.

**Required Identification to Vote in the Staff Non-Binding Advisory Poll**

Members of the school staff must present two forms of identification, at least one of which shall be a valid CPS Employee I.D.

The second form of identification may be from the list on pages 17 and 18 or any other form of identification determined to be reliable by the election judges.

If a staff member does not have a second form of identification, the judges may rely on the inclusion of the staff member's name on the List of Staff Eligible to Vote provided by the Principal and the staff member shall be allowed to vote.

If persons present themselves to vote in the Teacher/Non-Teacher Staff Non-binding Advisory Poll whose names do not appear on the staff list, the election judges shall consult with the Principal.
**High School Student Non-Binding Advisory Poll**

High school students enrolled full-time may indicate their preferences for student representative candidates by participating in the Student Non-Binding Advisory Preference Poll. To be eligible to vote, a high school student must present a student ID. The Student Non-Binding Advisory Poll shall be conducted between **April 20, 2020 and April 22, 2020**. Neither proxy nor absentee voting is permitted. The Principal shall allow the student candidates and/or pollwatchers designated by the student representative candidates to observe the counting and recording of votes in the Student Poll.

The results of the Student Poll shall be entered in the LSC Dashboard at [http://cps.edu/Pages/Staff.aspx](http://cps.edu/Pages/Staff.aspx) and go to “Local School Councils” icon then after the polls close on **April 23, 2020** using, "Election Update," "Candidate Vote Totals".

The Illinois School Code authorizes the Board to exercise "absolute discretion" in the appointment of high school student representatives. In exercising its absolute discretion, the Board shall consider, but is not bound by, the results of the student poll. The Board may also consider other factors, including, but not limited to, school service, community service, and similar experience.

**Pollwatchers**

Pollwatchers play a critical role as part of the checks and balances which assure that every voter's vote is counted and recorded properly.

Each parent, community and staff candidate is entitled to receive three (3) **Candidate's Pollwatcher Credential Forms (Form 15-20)**. Principals shall distribute Pollwatcher Credentials to all candidates attending a Candidate Forum at the Forum. All other candidates shall be entitled to receive their Pollwatcher Credentials prior to, or on, LSC Election Day.

Civic not-for-profit organizations with an interest in the LSC elections may also request a **Civic Organization's Pollwatcher Credential Form (Form 15-20A)** from the Office of LSC Relations, 2651 West Washington Blvd., 3rd Floor, Chicago, Illinois 60612. To qualify, an organization requesting credentials must provide proof of 501(c)(3) status. A civic organization is entitled to one (1) credential for every school within the area it covers. Citywide organizations are entitled to one (1) credential for every school holding an LSC election. The deadline for civic organizations to apply for pollwatcher credentials is **5:00 p.m., April 15, 2020**.

Each candidate or qualified civic organization is entitled to one pollwatcher in the polling place at any given time. A candidate may serve as his or her own pollwatcher. Pollwatchers are authorized to observe the election process upon surrendering an official, signed credential to the election judges on Election Day. Other than voters and judges, election monitors, the Principal or security/police, only credentialed pollwatchers may be present in the polling place on Election Day. This applies to all political organization workers, all Local School Council members, all candidates and all supporters of candidates.
After surrendering a signed credential to the election judges, pollwatchers may: (a) be present before the polls open as the polling place is being set up; (b) enter and leave the polling place at any time; and (c) observe the closing of the polling place, the counting of the votes and the recording of the election results.

Pollwatchers have the right to: observe the process of identification of qualified voters; challenge a voter’s right to vote (See “Special Voter Procedures” in the Judge of Election Manual); inspect each voting station when not in use; and be present and close enough to observe all counting and recording processes. They may not, however, interfere with voters in the voting process or with judges in the voter qualification process or handle any election materials.

**Electioneering**

Electioneering is attempting to persuade voters in an election through verbal or nonverbal means to vote for or against a particular candidate or group (slate) of candidates. Nonverbal means of electioneering include displaying or distributing items bearing:

- names or images of candidates; and/or
- statements of, or information on, the qualifications or positions of candidates; and/or
- information on how to cast a vote for a candidate or candidates.

**All forms of electioneering are prohibited in school buildings on Election Day.** To comply with this prohibition, Principals shall take down all Candidate Statements and any election materials posted in the school by 3:00 p.m., on April 21, 2020. Principals shall also inform all school staff that they may not discuss any candidates during the report card pickup process.

**Electioneering is also prohibited within fifty (50) feet of any entrance used by the public on Election Day to enter the school building in which the polling place is located.** School security personnel shall be utilized to assist in the enforcement of the prohibition. Supervisory security personnel and Chicago Police Department officers shall be deployed as needed.

If candidates wish to campaign in the school or on school grounds through nonverbal means on any day(s) other than the date of the Candidate Forum or Election Day, they must first obtain the principal’s permission per Board Rule 6-20 (“Circulation and Distribution of Unauthorized Written Materials”). If the Principal grants a candidate such permission, the Principal shall inform all candidates of the opportunity to campaign in the school or on school grounds through nonverbal means on days other than the dates of the Candidate Forum or election with his or her permission.

The map and a written description of the school’s boundaries shall be made available to potential candidates for determining eligibility and campaign boundaries. (The map shall also be made available to the Election Judges on Election Day.)

For “multi-area” schools that enroll students from throughout the city, the Board has established community voting district boundaries. If the Principal of a “multi-area” school
does not know the school's voting district boundaries, please call the Office of LSC Relations, (773) 553-1400.

Receipt of LSC Candidate Forms

From December 2, 2019 through March 5, 2020, or any extended candidate filing deadline, the Principal shall make blank LSC candidate forms available in the main office and shall receive all original forms filed in person during the original and any extended candidate filing period and may not refuse to accept any original forms filed during the original or any extended filing period.

The Principal shall photocopy and attach to, or record on, the Candidate Nomination Form (Form 1-20), the two (2) forms of identification submitted by or for candidates. The principal shall issue a photocopy of Form 1-20 or the perforated receipt at the bottom of the form reflecting the date and time when the LSC candidate forms were received to the candidate or representative filing original nomination forms.

If any of the LSC candidate forms are incomplete or the candidate does not submit the required identification, the Principal must immediately contact the Office of LSC Relations. Upon the request of the Principal, the Office of LSC Relations will review LSC candidate forms or submitted identification and will determine the candidate's eligibility to be elected or appointed to the school's LSC. The Office of LSC Relations may authorize the Principal to contact the candidate to provide an opportunity to supplement incomplete filings. In such cases, the candidates will have until the deadline for filing LSC candidate forms to supplement incomplete filings. Any candidates failing to supplement incomplete forms by the filing deadline may be ruled ineligible by the Office of LSC Relations to be candidates in the election.

Alternatively, the Principal may challenge the candidacy of any candidate whose forms or forms of identification are incomplete on the last day of filing pursuant to the Pre-election Challenge procedures.

A failure to bring deficiencies in LSC candidate forms or forms of identification to the attention of the Office of LSC Relations or to file a Pre-election Challenge based on the deficiencies shall constitute a waiver of such deficiencies and any candidate whose forms or identification are deficient shall be included in the official election ballot.

Entry of Candidates' Information in LSC Dashboard

The Principal shall ensure that all candidates’ information is correctly entered in the LSC Dashboard at http://cps.edu/Pages/Staff.aspx and go to “Local School Councils” icon then using "Election Update," "Candidate," "Add New Candidate".

New candidates’ information must be entered no later than twenty-four (24) hours after receipt of their candidate forms.
Public Candidate Information
Within 24 hours after the first candidate filing, the Principal shall post in a public place in the school:

(i) Form 8-20 (List of Candidates for the Local School Council)
(ii) all original Candidate Statement Forms (Form 4-20) filed; and
(iii) information relating to the availability of candidate forms and materials for public inspection.

Principals shall maintain and update an original Form 8-20 at the end of every day that a candidate or representative files candidate forms at the school. The candidates shall be listed on the original Form 8-20 in the order in which they file their forms. A photocopy of the updated Form 8-20 shall be signed, dated and posted by 10:00 a.m. of the following school day.

By 12:00 p.m. (Noon) March 9, 2020, or by 12:00 p.m. (Noon) on the first school day following any extended candidate filing deadline, the Principal shall post a final List of Candidates For the Local School Council Form (Form 8-20) with the word "Final" added at the top of the form.

The Principal shall also make photocopies of the forms of identification submitted by candidates to establish their eligibility available for public inspection.

However, prior to making the photocopies available, the Principal shall redact (or obscure in some manner) so as to render unreadable from the photocopies:

- Social Security Numbers
- Driver's License Numbers
- Credit and Debit Card Numbers
- Employee Numbers
- Bank Account Numbers
- Telephone Numbers
E-mail Addresses
Home Addresses*
Birthdates*

*Because community representatives must be at least seventeen (17) years old and must reside in a school's attendance area or voting district, the date of birth and home address information of such candidates may not be redacted or obscured.

The Principal shall also redact or otherwise obscure so as to render unreadable from the photocopies any other information not relevant to a candidate’s eligibility which the candidate requests be redacted or obscured from the photocopy.

After **12:00 Noon, April 16, 2020**, the Principal shall also code all withdrawn candidates’ names from the LSC Dashboard at [http://cps.edu/Pages/Staff.aspx](http://cps.edu/Pages/Staff.aspx) and go to “Local School Councils” icon then using “Election Update,” "Candidate," "Withdraw". Electioneering by Staff
The Principal shall inform all staff of the prohibition against electioneering in the school or within fifty (50) feet of any voter entrance on Election Day. PART III - THE ROLE OF THE LSC AFTER THE ELECTION

LSC Meeting to Certify Election Results and Break Candidate Ties

Certification of Parent/Community Election and Staff Poll Results
The Illinois School Code requires the Local School Council to certify the election results determined by the election judges on Election Day and to publish the results in the LSC’s meeting minutes. The meeting to certify the election results and to break vote total ties shall be held between April 23 and 8:00 p.m., April 30, 2020. The LSC shall meet between December 2, 2019 and March 12, 2020 to set the date of the April certification meeting. The LSC shall provide notice of the meeting to the public pursuant to the Open Meetings Act. Under the Americans with Disabilities Act of 1990 (ADA), all LSC meetings must be held in locations accessible to persons with disabilities.

Breaking Candidate Ties
At the meeting to certify the election results, the incumbent LSC shall also break any ties for the sixth parent representative position or the second community representative position by lottery. (The Board of Education will break any ties between teacher, non-teacher staff and high school student representative candidates.)

The Principal shall notify all tied candidates of the date, time and place of the tie-breaking lottery in writing and by telephone call not later than seven (7) days before the meeting. If the Principals fails to notify all tied candidates of the date, time and place of the tie-breaking lottery, the lottery shall be rescheduled, with appropriate notice to the public and tied candidates.

The tie-breaking lottery shall be conducted in the following manner:
• The names of all tied parent representative candidates shall be written on slips of paper of the same size, color and shape, which are to be folded in the same manner so that the names of the candidates are not visible.

• The slips of paper with the tied parent candidates’ names shall be placed in a large, clear bowl or receptacle.

• Someone other than the Principal, the tied candidates, or a known supporter of a candidate should be chosen to draw one of the slips of paper.

• The person chosen should reach into the bowl or receptacle and vigorously stir the folded slips of paper.

• While looking away from the receptacle, the person should draw out one folded slip of paper from the bowl or receptacle, open it, and announce the name.

• Thereafter, the lottery for the tied community representative candidates shall be conducted in the same manner.

After the meeting, the Principal and LSC Chair/Vice-Chair shall complete and sign the Certification of Election Results by Local School Council Form (Form 28-20). The LSC’s certification of the election results does not certify the correctness of the results; only that they were the results declared by the election judges. Any post-election challenges which may be filed do not affect the certification.

**Annual Organizational Meeting - First Meeting of New LSC**

*Between July 1 and 14, 2020,* all newly-constituted LSCs must conduct an annual organizational meeting at the school at which they serve. The outgoing LSC may set the date and time of the meeting by voting in an open meeting prior to June 30, 2020. Alternatively, prior to the end of his or her term on June 30, the outgoing chairperson may set the date and time of the meeting by calling it as a special meeting. Alternatively, either before or after June 30, any four members, including the principal, may set the date and time of the meeting by calling it as a special meeting.

At the organizational meeting, the LSC is required to select a Chairperson (must be a parent member) and a Secretary (may be any member) and to set a regular meeting schedule for the coming school year. **After the regular meeting schedule is set, it must be posted at the school in a location accessible to the public.**

Under the Open Meetings Act, notice of the meeting and the agenda must be posted at the school at least 48 hours before the meeting. If called as a special meeting by the outgoing chairperson or by four members, all other LSC members must also be given written notice of the time, place and purpose of the meeting prior to the meeting.

All votes must take place in the open; secret ballots are prohibited.
Filling LSC Vacancies

If, as of July 1, vacancies exist in any parent or community representative positions and no post-election challenges to any parent or community candidates remain unresolved, the newly-constituted LSC may select eligible persons to fill the vacancies. Any teacher, non-teacher staff or student vacancies are to be filled by the Board of Education after considering the preferences of the school staff or students as ascertained through non-binding advisory polls.

A Candidate Nomination Form, Criminal Conviction Form, Statement of Economic Interests, and Telephone Number Disclosure Form shall be required of all persons considered for a vacancy.

All parent and community appointments to fill vacancies shall be made by majority vote of the members then serving on the LSC. Appointment shall be made at public meetings with appropriate notice under the Open Meetings Act.

Documents Available to Newly-Elected LSC Members

Newly-elected LSC members are entitled to receive copies of the following documents from the Principal:

- The School's current Continuous Improvement Work Plan;
- The School's current Budget and a current Position Report;
- The Principal's Contract, if any;
- The LSC Bylaws, if any.

Important Reminders

- **All LSC members must complete a fingerprint-based criminal background check during every two-year term that they serve.** If an LSC member has previously provided his or her fingerprints for completion of the criminal background check during a previous LSC term, he or she will be asked to do so during the new term.

- All LSC members are required to complete a 16-hour training program within 6 months of taking office.

- All LSC members must complete and submit a Statement of Economic Interests for the 12 months preceding the beginning of their term and for each year of their term.

- No parent or community member of an LSC may be employed by the Board of Education.

- No LSC member may be employed by a third party to work at the school where he or she serves.
• Except for the school staff members, former LSC members cannot be employed to work in any capacity at the school where they served for at least one year after their LSC membership ends.

• LSC members related to any school staff member may not vote on the school’s Continuous Improvement Work Plan (CIWP), Budget or any Budget transfers that may directly or indirectly benefit their relative.
PART IV - PRE-ELECTION CHALLENGES

Overview
Challenges to candidate eligibility (Pre-Election Challenges) must be filed at 42 W. Madison, and directed to the attention of “Deputy General Counsel, School Law Unit” no later than 5:00 p.m. on March 12, 2020. Challenges must be filed in person or by e-mail at LSCelectionchallenge@cps.edu. Pre-Election Challenge Petitions (Form 9-20) will be available at the Office of LSC Relations, 2651 West Washington Blvd., 3rd Floor, and on the CPS website: http://cps.edu/pages/LSC Elections.aspx

Any person is entitled to file a Pre-Election Challenge Petition. However, no Petition will be favorably considered unless the challenger states specific facts, which, if true, demonstrate that the candidate challenged is not legally eligible to serve in the office he or she seeks and/or at the school at which he or seeks to serve.

The Law Department will review all challenges to determine whether a challenge requires a hearing or shall be determined without a hearing. If the Law Department determines that a hearing is warranted, it shall notify the challenged candidate. The notification shall include a copy of the petition, any evidence which was attached to the petition and the date, time and place of the hearing on the petition. A copy of the notification shall be forwarded to the challenger.

Board-appointed independent Hearing Officers, with the assistance of the Law Department, may hold hearings on referred petitions. The appointed Hearing Officers will be responsible for conducting hearings and issuing a recommended decision to the Chief Executive Officer or designee.

If any hearings on pre-election challenges to candidate eligibility are held, they will be held between March 30 and April 3, 2020.

The Chief Executive Officer or designee shall consider the recommendation of the Hearing Officer in making a written decision. The decision of the Chief Executive Officer or designee will be final.

The Chief Executive Officer’s or designee’s rulings on Pre-Election Challenge Petitions shall be issued by 5:00 p.m. on April 14, 2020.

Candidates whose eligibility has not been challenged within the filing period for a Pre-Election Challenge will be presumed eligible. Their names will be printed on the official Candidate Ballot.

Remedies
When the pre-election challenge proceedings are over, the Chief Executive Officer or designee shall order appropriate remedies for any deficiencies proved, including, but not limited to, the declaration that the particular Local School Council candidate is ineligible to be a candidate for the office to which, or at the school at which, he or she seeks election and that his or her name shall not appear on the Candidate Ballot.
Examples:

- If a candidate has filed for an office for which he or she is ineligible but is eligible for election to another office, the Chief Executive Officer or designee shall order the appearance of the candidate’s name on the Candidate Ballot as a candidate for the office for which he or she is eligible, if the candidate consents.

- If a candidate has filed for an office at a school at which he or she is ineligible to be a candidate but is eligible at a different school, the Chief Executive Officer or designee shall order the candidate forms corrected and delivered to the school at which the candidate is eligible and order the appearance of that candidate’s name on the Candidate Ballot of the school at which he or she is eligible, if the candidate consents.

The Petition must be signed by the petitioner and must have been prepared and filed in conformity with all applicable rules.

4. Hearings. Pre-Election Challenge Petitions may be referred for hearings. Hearings pursuant to these rules are public proceedings. Observation, but not public participation, is permitted.

In order to comply with the requirements of the Americans with Disabilities Act and to facilitate participation by persons who are non-English speakers, parties or observers who require sign language or other interpretation at hearings must notify the Office of LSC Relations at (773) 553-1400 of such requirement at least 48 hours in advance of any hearing.

The failure of a challenged candidate or challenger to appear or make arrangements for an alternate hearing date with the Deputy General Counsel, School Law Unit, Law Department (773-553-1700) may result in the hearing proceeding in their absence and a
waiver of the right to be heard. If no challenger appears for a hearing, the Hearing Officer may dismiss the petition.

7. Hearing Officers. The Hearing Officer shall conduct and preside over all hearings and take necessary action to avoid delay, maintain order, ensure compliance with all notice requirements, and ensure development of a clear and complete record. The Hearing Officer shall have all the powers necessary to conduct a fair and impartial hearing including, but not limited to, the power to:

a) Conduct the hearing, set the time and place for continuances and set the time for filing of documents;

b) Have exclusive control over the conduct of the proceedings, including the manner in which testimony and evidence will be received, the scope and extent of testimony and the exclusion or inclusion of any witness in order to minimize duplicate or redundant testimony;

At the conclusion of the petitioner's case, the challenged candidate may present his or her case, including offering testimony and evidence in support thereof.

9. Failure to Adhere to Rules. Failure to adhere to these Rules may be grounds for dismissal of the Pre-Election Challenge Petition or for granting the Petition.

10. Final Decision By the Chief Executive Officer or Designee. Upon receipt of a Hearing Officer's findings and recommended final disposition of a Pre-Election Challenge Petition, the Chief Executive Officer or designee shall issue a written decision on the Petition.
decision shall take into consideration the testimony and evidence presented in the hearing and the Hearing Officer's recommendation. The decision of the Chief Executive Officer or designee shall be final.

11. Notice of Final Decision. The person filing a Pre-Election Challenge Petition, the challenged candidate and the Principal of the affected school will be notified of the final decision on the Petition. Notification shall be given by U.S. Mail. If practicable, the final decision may also be communicated to the parties by e-mail.

12. Filings with the Law Department or Hearing Officer. Parties to Pre-Election Challenges may file motions, pleadings or other documents, along with an executed Notice of Filing, with the Law Department or the Hearing Officer.

Unless the Hearing Officer has provided an address at which to deliver or transmit filings to the Hearing Officer directly, all filings, along with the Notice of Filing, shall be directed to the Law Department (Attn: Deputy General Counsel, School Law Unit), Chicago Board of Education, 42 W. Madison, Chicago, Illinois 60602, by personal delivery or e-mail at LSCelectionchallenge@cps.edu.

The filing party shall also serve a copy of the filing and Notice of Filing upon the other parties to the proceeding by personal delivery or e-mail. If the filing party does not have the address(es) or e-mail(s) of the other party or parties to the proceeding, the filing party shall attempt to give notice of the filing by telephone call and shall, if necessary, make at least three (3) calls to give such notice, with not less than thirty (30) minutes between each call.

The Notice of Filing shall contain a verified statement that:

a) the filing and the notice of filing have been served by personal delivery or e-mail upon the other party or parties to the proceeding; or

Unless otherwise agreed to, all documents to be filed with the Law Department or Hearing Officer shall be filed in the manner prescribed above.

13. Legal Authority. The Board promulgates the foregoing rules to “ensure fair elections.” 105 ILCS 5-34-2.1(n). Because the Illinois School Code is silent on the definition of “fair elections,” the Hearing Officer may look to general election law for guidance to accomplish the purposes of 105 ILCS 5/34-2.1(n).
PART V - POST-ELECTION CHALLENGES

Overview

Challenges to the election results (post-election challenges) must be filed in the Law Department, 42 W. Madison, and directed to the attention of “Deputy General Counsel, School Law Unit” no later than 5:00 p.m. on April 29, 2020. Challenges must be filed in person or by e-mail at LSCelectionchallenge@cps.edu. Post-Election Challenge Petition Forms (17-20) will be available at the Office of LSC Relations, 2651 West Washington Blvd., 3rd Floor, and on the cps website: http://cps.edu/pages/LSCElections.aspx.

A separate petition must be filed for each candidate, election or poll challenged. At least five (5) persons who were eligible to vote for the candidate or in the election or poll being challenged must sign a Post-Election Challenge Petition. No petition shall be considered unless the challengers state specific facts in writing, which, if true, would change which candidates were elected in the parent/community election, or the number of votes received by the candidates in the non-binding advisory staff poll or would warrant the disqualification of a candidate or candidates or the invalidation of the results of the election or poll in their entirety.

Only persons eligible to vote in the Parent/Community election may challenge the results of the election. Only school staff eligible to vote in the Teacher/Non-Teacher Staff Non-Binding Poll may challenge the results of the poll. Only high school students eligible to vote in the Student Non-Binding Poll may challenge the results of the poll.

The Law Department will review all challenges to determine whether a challenge requires a hearing or shall be determined without a hearing. If the Law Department determines that a hearing is warranted, it shall notify the challenged candidate(s) or all candidates if the Petition requests a new election or poll. The Notification shall include a copy of the petition, any evidence which was attached to the petition and the date, time and place of the hearing on the petition. A copy of the notification shall be sent to the first five (5) eligible challengers who validly signed the Petition and provided their address.

Board-appointed independent Hearing Officers, with the assistance of the Law Department, will hold hearings on referred petitions. The appointed Hearing Officers will be responsible for conducting hearings and issuing a recommended decision to the Chief Executive Officer or designee.

Hearings on post-election challenges will be held between May 11 and May 21, 2020.

The Chief Executive Officer or designee shall consider the recommendation of the Hearing Officer in making a written decision. The decision of the Chief Executive Officer or designee will be final.

Decisions shall be finalized by 5:00 p.m., May 26, 2020 and will be mailed to the challengers, all challenged and concerned candidates and to the school Principal between May 29 and June 1, 2020.
Remedies

After receipt of all hearing officers' recommended decisions, the Chief Executive Officer or designee shall grant appropriate remedies for any deficiencies proved, including but not limited to:

1. Ordering a recount of votes to determine the official results of a challenged election or poll;
2. Declaring that a challenged candidate does not meet the eligibility requirements for the office for which he or she ran and is ineligible to serve in the office;
3. Declaring that, because of unrepai red gross irregularities which substantially affected the integrity and the outcome of an election or poll process, a candidate is ineligible to serve in the office for which he or she ran or a new election or poll must be conducted (a new election or poll ordered by the Chief Executive Officer or designee will be limited to the candidates in the original election or poll.)

Examples:

- If a challenge alleges that a candidate is ineligible to serve in the office for which he or she ran and the challenge is upheld, the challenged candidate will be declared ineligible to serve. If the challenged candidate ran for a parent or community representative office, a vacancy in the office will be declared and the newly elected Local School Council may fill the vacancy after July 1. If the challenged candidate ran for a teacher, non-teacher staff or high school student representative office, the challenged candidate shall not be appointed to the office by the Board.

- If a challenge alleges that a parent or community candidate is an employee of the Chicago Public Schools, a letter of resignation from the candidate’s employment with CPS, effective not later than June 30, 2020, and submitted to the Law Department prior to a hearing or to the hearing officer at a hearing will cure the defect and the candidate will be declared elected. If the candidate does not submit a letter of resignation, then the candidate with the next highest vote total in the same candidate category will be declared elected.

- If a challenge alleges irregularities in the counting and recording of votes and the challenge is upheld, a recount shall be ordered. The results of the recount shall determine the official results of the challenged election or poll.

If a challenge is based on an allegation of unrepai red gross irregularities which substantially affected the integrity and outcome of the election or poll process, and the challenge is upheld, the candidate or candidates responsible for, or benefiting from, the irregularities may be disqualified from election or appointment to the LSC or the challenged election or poll may be declared null and void and a new election or poll will be ordered with any additional safeguards necessary to prevent the reoccurrence of the irregularities found. (The new election or poll will be limited to the candidates in the original election or poll.)
THE POST-ELECTION CHALLENGE RULES OF PROCEDURE

1. Qualifications of Petitioners. Only parents or community members entitled to vote in the parent/community election may challenge the election results. Only school staff members entitled to vote in the teacher/non-teacher staff poll may challenge the staff poll results and only students entitled to vote in the student poll may challenge the student poll results.

3. Requirements of a Post-Election Challenge Petition. The Petition must be signed by at least five (5) persons eligible to vote in the election or poll being challenged. Any Petition which does not, on its face, state specific facts upon which relief can be granted is subject to dismissal without a hearing by the Law Department.

4. Hearings. Unless dismissed by the Law Department, Post-Election Challenge Petitions will be referred for a hearing. Hearings pursuant to these rules are public proceedings. Observation, but not public participation, is permitted.

In order to comply with the requirements of the Americans with Disabilities Act and to facilitate participation and observation by persons who are non-English speakers, parties or observers who require sign language or other interpretation must notify the Office of LSC Relations at (773) 553-1400 of such requirement at least 48 hours in advance of any hearing.

All parties must provide the Hearing Officer, at the time of appearance, a telephone number, for notification to the party of any matter requiring notice in these

The failure of a challenged or interested candidate or challenger to appear or make arrangements for an alternate hearing date with the Deputy General Counsel, School Law Unit, Law Department (773-553-1700) may result in the hearing proceeding in their absence and a waiver of the right to be heard. If no challenger appears for a hearing, the Hearing Officer may dismiss the petition.

7. Hearing Officers. The Hearing Officer shall conduct and preside over all hearings and take necessary action to avoid delay, maintain order, ensure compliance with all notice requirements and ensure development of a clear and complete record. a) Conduct the hearing, set the time and place for continuances and set the time for filing documents;

b) Have exclusive control over the conduct of the proceedings, including the manner in which testimony and evidence will be received, the scope and extent of testimony, and the exclusion or inclusion of any witness in order to minimize duplicate or redundant testimony;

9. **Failure to Adhere to Rules.** Failure to adhere to these Rules may be grounds for dismissal of the Post-Election Challenge Petition or for granting the Petition.

10. **Final Decision By the Chief Executive Officer or Designee.** Upon receipt of a Hearing Officer’s findings and recommended final disposition of a Post-Election Challenge Petition, the Chief Executive Officer or designee shall issue a written decision on the Petition. The decision shall take into consideration the testimony and evidence presented in the hearing and the Hearing Officer's recommendation. The decision of the Chief Executive Officer or designee shall be final.

11. **Notice of Final Decision.** The first five (5) Petitioners who validly signed a Post-Election Challenge Petition and provided their address, all challenged and concerned candidates and the Principal of the affected school will be notified of the final decision on the Petition. Notification shall be given by U.S. Mail. If practicable, the final decision may also be communicated to the parties by either e-mail or telephone message.

12. **Filings with the Law Department or Hearing Officer.** Parties to Post-Election Challenge Petitions may file motions, pleadings or other documents, along with an executed Notice of Filing, with the Law Department or the Hearing Officer.

Unless the Hearing Officer has provided an address at which to deliver or transmit filings to the Hearing Officer directly, all filings, along with the Notice of Filing, shall be directed to the Law Department (Attn: Deputy General Counsel, School Law Unit), 42 West Madison, Chicago, Illinois 60602, by personal delivery or by e-mail LSCelectionchallenge@cps.edu.

The filing party shall also serve a copy of the filing and Notice of Filing upon the other parties to the proceeding by personal delivery or e-mail. If the filing party does not have the address(es) or e-mail(s) of the other party or parties to the proceeding, the filing party shall attempt to give notice of the filing by telephone call and shall, if necessary, make at least three (3) calls to give such notice, with not less than thirty (30) minutes between each call.

The Notice of Filing shall contain a verified statement that:

- a) the filing and the notice of filing have been served by personal delivery or e-mail upon the other party or parties to the proceeding; or
- b) notice of the filing was given by telephone (stating the party called, the number called and the time the call was made); or
- c) notice of the filing was attempted by telephone at least three times (stating the party called, the number called and the time the calls were made).

Unless otherwise agreed to, all documents to be filed with the Law Department or Hearing Officer shall be filed in the manner prescribed above.

13. **Legal Authority.** The Board promulgates the foregoing rules to “ensure fair elections,” 105 ILCS 5-34-2.1(n). Because the Illinois School Code is silent on the definition of “fair elections,” the Hearing Officer may look to general election law for guidance to accomplish the purposes of 105 ILCS 5/34-2.1(n).
